THIS TIME HE TAKES IN A BUSINESS PARTNER.

To Put It More Correctly, However, It Should Be Said That the Partner Takes Him In, as the Cobbler soon Finds Out.

[Copyright, 1901, by C. B. Lewis.] I was sitting by der stove one day and waiting for some shobs to come in when a man come along and says: "Vhell, cobbler, I see how she vhas mit you. You don't haf some peesness because you vhas no peesness man, Maype it vhas all right for Sherman, but then you vhas in America you

"A PARTNERSHIP VHELL GEF HIM TO YOU." must do decenter. If you vhas some cobbler mit springs under your heels, you vhas overran mit work. "How would you do?" I says. "I would do one thousand things, but first I would take a partner. Your name vhas Hans Kleinfeldt. Dot vhas a good name, but upody cares about it. You may be Hans Kleinfeldt forty times over, and vhat vhas dot to der peobble? Nottings at all. My name vhas Walkover - J. J. Walkover. If a sign of Walkover & Kleinfeldt vhas put oop oaf der shob, don't you see der decenter? It vhas no longer one Dutchmans in peesness for himself, but a reliable firm dot shall pay cash down and do some hustling."

"I don't see how it vhas," I says. "It vhas shust dis way," says he. "We shall be partners. I vhas in coal and real estate and insurance, and eaferyody knows me. I go in peesness mit you. I send all my customers to dis shob. All der leather men knows me, and I haf pulls mit firemen and police. Why, man, alife, it shall be der making of you. In four weeks you can put oildoth on der floor and a parrot in der window, and in three months it takes two banks to hold our money. I send in der orders, and you do der cobblering. I keep der books and handle der cash, and you make repairs. Once in two weeks we divide der profits."

"I don't know if dot pleases me, but I talk mit my wife, and she says it vhas peesness. I goes by dot lectle tailor and speaks to him about it, and he smiles and says: "Hans, vhat you need is experience, and a partnership vhill gif him to you."

Dot settles me. I go into partnership mit Mr. Walkover, and next day he paints our sign and hangs it oop. I belief dot if he vhas my partner he ought to pay me for half der stock on hand, but he says I don't know peesness from broomsticks. Instead of his paying me any money, I haf to lend him life dollar to begin to bustle on. We open shob on Monday morning, and pooty queek a man comes in und says:

"So my frendt Walkover vhas a partner mit you, eh? Dot vhas fine. You shall haf my custom. Fix oop dot shoe heel and put on a cement patch."

I fix oop his shoes all right for sixty cent, but he don't pay. Then he vhas ready to go, he says:

"All right, cobbler. I vhas going right down town, and so I step in und pay Walkover. He vhas an old frendt of mine."

Two more men do dot same thing before night, and when my partner comes around und I ask him how she vhas he says:

"Oh, dot vhas all K. O. I vhas der bookkeeper und cashier, you know, und so I handle all der money. Shust go right away und make peesness bun, und I vhill see to der finances."

Der next day und der next fellers come in und get some repairs und don't pay me. I must haf some more leather for stock, und I speaks to Mr. Walkover.

"Of course - of course," he says. "Shust go by der dealer und order vhat you vhanl."

"But I haf no money," I says. "Dot vhas no decenter. We vhas a firm. We vhas cash in ten days. Dot vhas der rule, und you go right along. We meet all our bills in ten days and get some discounts."

he comes back mit a long face und says:

"Hans, in two weeks we take in \$18. As your partner I vhas to draw \$10 per week. You vhas to draw der same, but ash we don't haf enough to pay me how can you get some?"

"Do I work two weeks for nottings?" I says.

"You do. You see how it vhas. We haf assets, but we can't realize on 'em. We owe debts und cannot pay. When it vhas so, we haf to fail. Dot firm of Walkover & Kleinfeldt vhas no longer in peesness. We vhas failures und shall take down der sign."

"But I lends you some money - \$7."

"Yes, but dot goes in mit our assets dot we can't realize on. It vhas all right, Hans - all right. Owing to der stringency of der money market, coupled mit der fact of a falling leather market, der firm of Walkover & Kleinfeldt goes by der wall und vhas wiped out. Good night, Hans, and if you like to be a motorman maype I can get you a shob."

Vhell, I almost hang myself, und my wife faints avhay. I goes by dot lectle tailor to ask him how it vhas, und he laughs in my face und says:

"So der firm of Walkover & Kleinfeldt vhas failures, eh? Vhell, Hans, dot vhas all right. You haf der experience, und Walkover haf der cash, und maype you don't haf to sandpaper your head some more?" M. QUAN.

A Life Saved. "There is sometimes a bit of humor connected with our business," said the pawnbroker as he smiled for the first time in a week.

"For instance, one evening about two months ago a man came dashing in here and threw down a small package and hoarsely exclaimed:

"I'm driven to it at last. My wife is dying for want of food and medicine."

"I opened the parcel and found five rhinestones reposing therein, and as I looked up the man continued:

"Quick, quick! I must yet save her precious life!"

"How much do you want?"

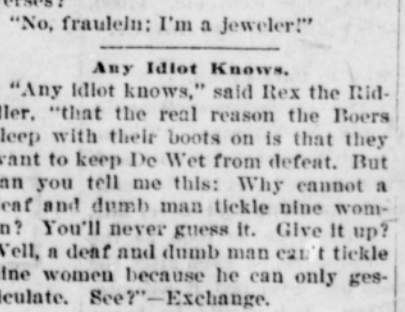

"Three hundred dollars."

"I'll give you 10 cents."

"Hand it over quick - come in for the ticket tomorrow - doctor - medicine - food and a fire - God bless you, liberal hearted man!"

"Then out he went, and I have never seen him since and never expect to."

Talking Shop.

"Ah, fraulein, this is a beautiful place! The silver brook, with golden grapes hanging over it, dew glistening like diamonds on the leaves and the emerald green of the fields."

"How poetic you are! Do you write verses?"

"No, fraulein! I'm a jeweler!"

Any Idiot Knows. "Any idiot knows," said Rex the Riddler, "that the real reason the Boers sleep with their boots on is that they want to keep Der Wet from defeat. But can you tell me this: Why cannot a deaf and dumb man tickle nine women?"

Well, a deaf and dumb man can't tickle nine women because he can only gesture. See? - Exchange.

Hope For the Poets. Needer Harekut - Ah, this world is cold and unsympathetic. It is almost impossible for us poets to make any money nowadays.

Job Scumfiter - I think you're wrong there. There's no prejudice against poets. I know a man who engaged a poet and gave him \$3 a week to keep the office clean and run errands. - Philadelphia Press.

Evidence of Truthfulness. Judge (to female witness) - Your name, madam?

Witness - Matilda Murphy, sir; aged 46.

St. Christopher.

The belief was that any one who looked at a representation of St. Christopher was safe for that day from evil death. The saint was always portrayed of colossal size and is so painted at the entrance of most Spanish cathedrals that all may see him. None of the many carved figures of this saint approaches in size one which was removed from Notre Dame at Paris in 1785.

It was said that St. Christopher's original occupation was to carry people across a stream, and the legend is that once a child presented himself to be conveyed over. At first his weight was what might be expected from his infant years, but presently it began to increase and so went on till the ferryman was like to sink under his burden. The child then said: "Wonder not, my friend. I am Jesus, and you have the weight of the sins of the whole world on your back." Hence St. Christopher is represented carrying the infant Saviour across a river with the globe in his hand.

St. Christopher has an interesting place in the history of typography in consequence of a wood engraving of his figure, supposed to be of date about 1423, being the earliest known example of that art.

Unknown Canada. One-third of the area of Canada is practically unknown. There are more than 1,250,000 square miles of unexplored lands in Canada. The entire area of the Dominion is computed at 3,450,257 square miles; consequently one-third of this country has yet been untraced by the explorer. Exclusive of the inhospitable detached arctic portions, 654,000 square miles are for all practical purposes entirely unknown.

Most of this unknown area is distributed in the western half of the Dominion in impenetrated blocks of from 25,000 to 100,000 square miles - that is, areas as large as the states of Ohio, Kansas or New England are yet a recess to white man. - National Geographic Magazine.

A Double Runaway. "They have a new coachman at the Rippenbangers."

"What's the matter with the old one?"

"He let the horses run away."

"Did they run far?"

"Clear out into the suburbs."

"Anybody with him?"

"Yes, Maunie Rippenbanger. She and the coachman haven't got back yet." - Cleveland Plain Dealer.
