

The Weekly Polk County Signal.

"Grecian Bend."

DALLAS, Nov. 11th, 1868. Mr. Editor: I have often heard of deformed individuals of the male sex going off on "bender," but I do not remember to have ever heard of them joggling about with a highly improper conformation of the body and contraction of the digestive membranes...

BRAXTON

Classical name for drunkenness. Modern name for a much to be feared incubation of the body.

A negro, after gazing at the Chinese long and earnestly, exclaimed, "If the white folks is dark as dat out dar, I wonder what's de color ob de niggers."

Queen Victoria had to engage all the horses and carriages in London, in order to take her drive without being dogged by a multitude on wheels.

The red striped pole of the barber is said to have originated from the fact that, some centuries ago, it was customary for barbers to bleed people and the pole with alternate winding stripes of white and red, represented the banded arm of the phlebotomized victim.

"They have thrown me overboard," said a disappointed politician, "but I have strength enough to swim to the other side."

"None but the brave deserve the fair." Our devil at our elbow suggests, "and none but the brave can live with some of them."
