The New Liquor Law.

An Act to Regulate the Sale of Spirituous, Malt and Vinous Liquors.

Be it enacted by the Legislative Assembly of the State of Oregon:

Section 1. That no person shall be permitted to sell, spirituous, malt or vinous liquors in this state in quantities less than one gallon without having first obtained a license from the county court of the proper county for that purpose.

Sec. 2. Every person obtaining a license to sell spirituous, malt and vinous liquors shall pay into the treasury of the county granting such license the sum of three hundred dollars per annum, and in the same proportion for a less period; or two hundred dollars per annum, and in the same proportion for a less period for a license to sell malt liquors only; provided, that no license shall be granted for a less period than six months.

Sec. 3. Every person applying for a license to sell spirituous, malt and vinous liquors, before receiving the same, shall execute to such county a bond in the penal sum of one thousand dollars, with two or more sufficient sureties, to be approved by the court, conditioned that he will keep an orderly house, and that he will not permit any unlawful gaming or notorious conduct in or about his house, and that he will not open or permit to be opened, his place of business for the purpose of traffic on the first day of the week, commonly called Sunday; that he will not give, sell or supply spirituous, malt or vinous liquors to minors or habitual drunkards, nor to any person at the time in a drunken or intoxicated condition; and in case of a violation of the foregoing conditions, by any person giving such bond, he shall be liable to pay a fine of not less than fifty nor more than two hundred dollars for any such violation, to be recovered in a civil action as hereinafter prescribed, and the bond so given as aforesaid by such person shall also be liable to be prosecuted as herein after prescribed for any violation of its condition.

Sec. 4. That any person wishing to sell spirituous, malt or vinous liquors, before obtaining a license, as hereinafter provided, shall at his own trouble and expense obtain the signatures of an actual majority of the whole number of legal voters of the precinct in which he may wish to sell spirituous, malt or vinous liquors, to a petition to said county court praying that said license be granted; and no applicant shall be deemed to have a majority of the legal voters of such precinct whose petition does not contain the names of legal voters of such precinct equal to a majority of all the votes in such precinct at the last preceding election and greater than the whole number of names of legal voters of such precinct which may be signed to any remonstrance against the granting of such license.

Sec. 5. That when the signatures of an actual majority of the whole number of legal voters have been obtained, to be determined as provided in the preceding section, the applicant shall at his own expense cause the said petition to be published for four consecutive weeks in any daily or weekly newspaper published in such county, together with notice of the day upon which he will apply to the county court for such license to sell spirituous, malt or vinous liquors; provided, that if there be no daily or weekly newspaper published in such county, then the petition and notice herein specified shall be plainly written and posted in three of the most public places in such precinct, and proof of such posting shall be made by the affidavit of one of the petitioners and two resident householders

of the precinct.

Sec. 6. On the applicant producing to the county court the receipt of the county treasurer for the payment of the sum hereinbefore prescribed, and proof of compliance of all the preceding provisions of this act, the county court shall give him a license of the character and for the term his receipt may call for.

Sec. 7. It is hereby made the duty of the prosecuting attorney, sheriffs, constables and justices of the peace, knowing of any violation of the provisions of this act, to make complaint thereof to the grand jury at the next term of the circuit court of the county in which the offense may have been committed, after said violation; and the moneys collected on such judgment, except taxable costs, shall be paid to the treasurer of the proper county, for the use of the common schools therein. It shall also be the duty of the county clerk to prosecute the bond given by such applicant, under the provisions of this act, for any violation of its conditions.

Sec. 8. Every county clerk, on the first day of the term of each circuit court, shall deliver to the grand jury an accurate list of all persons holding license under the provisions of this act, within the county, which list shall show the date and time of expiration of each license.

Sec. 9. It shall be the duty of the grand jury, at each and every term of the circuit court in any county of this state, to make a strict inquiry, and return bills of indictment against every person violating any of the provisions of this Act.

Sec. 10. That title 1 of chapter 31 of the miscellaneous laws of Oregon, and all other act and parts of acts inconsistent with this act are hereby repealed.

Oregon Commission of Mines.

Chicago, Feb. 16.—J. W. Virtue, Oregon Commissioner of Mines, is here on route to the New Orleans Exposition with an exhibit of the mining industries of Eastern Oregon. As the Legislature did not act on the project until January the exhibit, Mr. Virtue says, is not as full as it would otherwise have been, but as it is, will place over 3000 specimens on exhibition. On his table, scattered promiscuously about, was nearly \$10,000 worth of gold in quartz and nuggets, but the most valuable of the collection had been sent by express. Mr. Virtue believes that the trade of Eastern Oregon naturally belongs to Chicago and other Eastern cities rather than to towns on the Pacific slope, and his great object in making the best showing at the exhibition is to attract the attention of capitalists and business men to the resources of his region, which are not generally appreciated. Heavy gravel mines are but beginning to show their value, and the region of which Baker City is the distributing point is making rapid advances. If Eastern manufacturers and wholesale houses, he says, would reach out for its trade it would be an easy matter to secure it against Portland and San Francisco.

Explosion.

Pittsburg, Feb. 21.—A terrific explosion of natural gas occurred in a two story brick building occupied by Helsey Bros., cigar makers at Wellsburgh, West Virginia, at 1:30 this morning. The building, together with adjoining property, was entirely demolished. Six persons are reported killed. The body of Mrs. Hamilton, sister of Mrs. King, has been recovered. Four persons is all that were killed. The Kings were among the most fashionable and popular people of the city.

This is the difference between happiness and wisdom: That he that thinks himself the happiest man really is so; but he that thinks himself the wisest is generally the greatest fool.

Almost A Fatal Joke.

BALTIMORE (MD.), Feb. 6.—The mystery surrounding the shooting of Miss Eva De Coursey, aged 17 years, a popular young lady in Washington County, Maryland, a few days ago was solved to-day. It appears a young law student named Clarence Newell has been courting Miss De Coursey for two years past. About a week ago they quarreled, and neither would make any concession to the other looking to a reconciliation. On Sunday last Newell met Miss De Coursey as she was leaving church in company with another young man, and the quarrel was renewed. The next day he resolved upon a novel, yet as the sequel will show, an unfortunate plan, to effect a reconciliation. Knowing Miss De Coursey would pass his house Monday on her way to take music lessons, Newell persuaded two young men to watch for her, and immediately upon her reaching the pavement of his dwelling Newell discharged a pistol in to the fireplace. The young men rushed out of the house and exclaimed, "My God, Clarence has shot himself and is dying!"

Miss De Coursey rushed into the house and found young Newell lying upon the floor in the parlor, with a revolver by his side. A large spot of blood was upon his temple, and he was moaning as if in great pain. Miss De Coursey appeared crazed by the scene, and throwing her arms around the neck of the prostrate youth, exclaimed: "Oh, Clarence, why did you do this?"

Suddenly she caught sight of the revolver lying upon the floor, and picking it up she pointed the weapon at her breast, and with the remarks, "Clarence, I will die with you," she pulled the trigger and fell to the floor.

Young Newell, upon hearing the report of the pistol, realized what she had done, leaped to his feet and ran for assistance. Miss De Coursey was found to have been seriously hurt. The ball entered two inches below the heart, and she remained unconscious. Newell and the two young men who took part in the affair are deeply grieved at the result, and the feeling against them is very bitter.

The doctor attending Miss De Coursey says she is not yet out of danger. Newell stated to-day that she would not touch his pistol, even when unloaded, and hence he had no idea that she would shoot herself. Miss De Coursey's family will not allow Newell to visit the house again. The blood upon Newell's temple was from his nose, which he had forced to bleed for the occasion.

Loss of Life.

Philadelphia, Feb. 21.—Fire broke out between 6 and 7 o'clock this morning in the house of John A. King, 1539 Pine street. The flames made great progress and three dwellings were destroyed. The occupants of King's residence were asleep in the upper stories, and were disturbed by the heat and smoke, only to discover their usual means of egress cut off. They ran to the windows and most of them jumped out. King appeared at the fourth story window and was seen to make an effort to jump, but was overcome by the heat and fell into the flames. Three people who jumped to the ground, two female servants and a sister of Mrs. King, also lost their lives. Mrs. King appeared at a window crying for help. A mattress was held by firemen and she was told to drop her baby first and then jump herself. She did so and received severe, but not dangerous injuries. The baby was killed.

Science.

A girl who could spell Deuteronomy And had studied domestic economy, Went to skate at the rink. And as quick as a wink She sat down to study astronomy. Boston Courier.
