Denmark and Langlois.
Mr. Ed Sypher is threshing his
oats. It is pretty hard work isn't
it, Ed?

Mr. Walker had a pick party
the other night. Wonder who got
locked out?

Mr. Black returned from Ellens-
burg the other day.

Mr. Richardson's school will be
out next week.

Mrs. Leneve, of Coquille City, is
visiting her father, relatives and
friends at Denmark. Everybody
was glad to see her.

Mr. Lewis, of California, is visit-
ing Mr. Thompson. Mr. Thomp-
son has returned from California.
L. was glad to see him come back.

Miss Jennie Malehorn is visiting
Mrs. Shoemaker of Knob Hill.

Mr. Walter Shoemaker killed
three deer the other day.

Mrs. Carey is sick, and Mr. Car-
ey is down to see her.

Mrs. Blackerby has been very
ill.

Mr. Chadd has returned from
California. He says everything
looks nice down there.

T. S. was seen going up the creek
the other morning in a hurry.
Wonder what's up? Tell us T.

Wonder why the little man of
Bandon doesn't go to Denmark any
more. The women of Denmark
says their girls cannot get married
if the men don't sign papers reliev-
ing them of the duty of washing.
Boys, sign the paper at once.

000 feet.

Bro's camp Monday, which broke
his leg.

Wm. Smith cut a severe gash in
his right foot Monday, which will
lay him up for a while.

E. Cronmon was struck by a log
last Tuesday in Gronholm's camp
and severely hurt. It seems he
was running away when the log
jumped the chute, striking him and
rolling clear over him.

The steamer Bertha arrived here
at ten o'clock a. m. from Marshfield
Sunday and having on board a
large crowd of people from Marsh-
field and the lower river. On ar-
riving at the grove, C. B. Reynolds
the noted liberal speaker, delivered
a lecture; after which a sumptuous
repast was served by the ladies.
In the afternoon Mr. Reynolds de-
livered another very able lecture.

B. H. Haskins, of North Co-
quille, called on us Thursday.

Mr. Moore, the saddler of Rose-
burg, has been in the county sev-
eral days, taking in the Bandon
beach, etc.

Willie Schroeder, the Arago
merchant and postmaster was in
town Thursday and Friday. Wil-
lie was a compositor on the HER-
ALD, and never fails to call on the
printers.

Gold Beach Gazette.

The mail service between Port
Orford and Myrtle Point via Eck-
ley has been renewed, through the
efforts of Congressman Hermann
and Senator Dolph. This will be
a great accommodation to a large
number of settlers in the country
east of Port Orford.

On last Sunday the steamer This-
tle in attempting to enter the river
on her return from the Klamath,
struck on the bar and losing her
headway was thrown on the north
spit, where she lay until Wednes-
day afternoon when she was hauled
into the river. She was slightly,
but not seriously damaged.

A through wagon road from Coos
Bay to Humboldt is among the pos-
sibilities of the near future. Del
Norte county is already taking an
active interest in the construction
of a road in the direction of Hum-
boldt, and if Curry can get state aid
to the extent of a few thousand, we
will make short work of building
a road through the county, which
will connect Coos and Del Norte
counties.

Battle With Desperadoes.

Kansas City, Sep. 2.—A special
from Paladora, in the public land
strip, says the farmers and herd-
men of that section, who had lost
many horses and cattle recently,
suspected a band of campers, who
claimed to be catching wild horses,
and finding evidence of guilt, forty
well armed vigilantes surrounded
the camp and sent in a committee
of six men to demand the surrender
of the thieves. The reply of the
desperadoes was a volley which
wounded one man and two horses.
This angered the vigilantes, and
firing was at once begun and the
outlaws shot down without mercy.
They fought desperately and no
quarter was asked or given. In
twelve minutes firing ceased and
seventeen outlaws were found to
have been killed. The vigilantes
had three men killed and nine
wounded. Two horses also were
killed and seven wounded. Six-
teen stolen horses were recovered.
Not one outlaw escaped alive.

1881 on crutches, his

left knee bent for two

months and could not

straighten. He gave

him St. Jacobs Oil to rub

in selling lands, but work for ac-

pay instead of glory they can se-
cure bargains that beat them all,
as we handle lands and other prop-
