TUESDAY, AUGUST 27, 1889.

LOCAL AND GENERAL.

Mrs. Fouts' new house is nearly completed and looms up nicely.

Burt McDuffee returned home Tuesday from a six month's stay in Josephine county. He looks hale and hearty.

Gil Coon started for Roseburg Monday with Mr. and Mrs. Smith, Mrs. Wickham and child and Chas. Elliott.

We are in receipt of a season ticket for the Coos county fair to be held at Arago, commencing September 9th.

We acknowledge the receipt of a complimentary ticket to the state fair to be held at Salem commencing September 16, 1889.

The steamer Dolphin arrived here on Tuesday to load broom sticks and pickets at Lyons' mill for a cargo on her return trip to Astoria.

O. P. Higginbothom who lately started in the butcher business in the Hunnewell building has closed out. It seems there is not enough trade for two markets.

G. T. Moulton is agent for M. J. Keller, of Oakland, Cal., and will measure you for a suit quicker than greased lightning. He takes orders for all manner of gents' furnishings.

The campmeeting above Myrtle Point is progressing finely and great interest is being manifested. Rev. Swafford called Tuesday and informed us that the attendance was very large.

$3000 wanted on good improved real property, namely 237 acres of the best of Coos county lands. Also 25 cows, six head of horses and other stock for sale. Apply at this office. n41 tf

Frank Randall has commenced work on a new front for the post-office at Nosler's drug store. The entire front will be glass thus affording plenty of light for the work inside.

Prof. Brinegar received word that a recent flood in Nebraska had swept a greater portion of his father's property away. In Lincoln there were 2500 homeless people the day following the storm.

The street commissioners or town board are gentlemen. They have fixed the sidewalk to the wharf and are putting spikes in the planking on the streets. Thank, you, gentlemen. Now keep it up till all the rest are fixed and you will have our support for re-election.

NINETEEN POUNDS OF BOY:—Innis E. Rose of East Coquille is the happy father of two bouncing baby boys who made their appearance at his house on Sunday August 11th. Their weights were respectively nine and a half and ten pounds, and we learn that their names are Binger and Hermann.

The editor of the Colusa Herald went to Sissons as a "bold soger boy." He left one printer to hold the office down and to get out part of the paper. On Wednesday the poor printer received the following telegram: "In guard house: can't get home Tuesday. Do best you can about getting out paper."

Capt. Harry Lockwood of the bay is doing the river for the Cottage Organ. This is one of the finest and best organs made and every body should have one. Several parties in town have them and they all say that they are the best organ that they have ever seen. If you want an organ you should give him your order because when you do you can rest assured that you will get a good one.

Capt. Caughell, of the steamer Thistle, informs the Del Norte Record that since the settlement of the country there has never been so many salmon in Rogue river as now. Even the oldest inhabitant never saw the like. He says that the river is black with fish, and with all the facilities Hume's cannery has for curing and canning fish, the catch is so great that it is impossible to take care of them. Mr. M. Riley, of Arcata, who has been spending a few weeks on the Klamath, reports salmon rather scarce in that stream.

Mr. Carothers after a run out to the interior of the state, returned home Thursday.

W. W. Whittington, a new comer and nephew of Uncle Mel Whittington, has bought a place on South Coquille and will become a permanent settler.

The Coaledo base-ball boys are coming over Saturday to whitewash the best nine they can find in Coquille City. Teey will have no trouble in doing it we will warrant.

Capt. Hannah, of the steamer Pomona, reports seeing a huge turtle, fully seven feet long, off Point Reyes on this last trip up. It is the first one he ever saw this side of San Francisco.

Mr. O. S. Coleman has two splendid young stallion colts at his place on North Coquille which he offers at a very great bargain. They are both sorrels and are of the Suffolk Punch and French Bolange. They should be kept for breeding purposes. Easy terms, with security, can be had.

The editor of the Oregon Blade, at Baker City, Oregon, has been appointed special pension inspector, with a salary of $1400 a year.

Mrs. F. M. Baxter, of this place, returned Thursday from an extended visit to Polk county, where she and her daughters, Misses May and Pearl, and son Hallie, have spent several weeks with relatives and friends. Mrs. B. was agreeably surprised to find her mother, though eighty-nine years of age, enjoying the best of health, and as spry as a girl. Their many friends were pleased to see them return.

Let us give the readers of the HERALD a little timely advice. Hot weather is coming and with it colic, cholera morbus, dysentery and diarrhoea. The only safe way to combat these diseases, is to keep some reliable remedy at hand, and all who have tried Chamberlain's Colic, Cholera and Diarrhoea Remedy will admit that it is the most prompt, reliable and successful medicine known for these complaints. It costs but 25 or 50 cents, and may be the means of saving you or your family much suffering, if not life itself, before the summer is over. For sale by J. H. Nosler, Coquille City, and W. L. Dixon, Myrtle Point, Oregon.

WOMEN AND MICE.

The reason why a woman is afraid of a mouse is a profound mystery—indeed, it has never been very clearly proven that she is. But some women are constantly in such a nervous, irritable condition that the slightest thing annoys and startles them. The cause of this unfortunate state of affairs is usually some functional derangement; some distressing or painful irregularity, some debilitating ailment or peculiar weakness incident to her sex; or, it may be due to inflammation, ulceration or displacement, of some of the pelvic viscera, or to other organic lesions peculiar to her sex. From whatever cause it may arise, Dr. Pierce's Favorite Prescription is a positive remedy, so certain in its curative results that its manufacturers refund it, through druggists, under a guarantee of its giving satisfaction in every case, or money paid for it will be promptly refunded. As a soothing and strengthening nervine, "Favorite Prescription" is unequaled and is invaluable in allaying and subduing nervous excitability, irritability, exhaustion, prostration, hysteria, spasms and other distressing, nervous symptoms commonly attending upon functional and organic disease of the womb. It induces refreshing sleep and relieves mental anxiety and despondency.
