TUESDAY, DEC 3 1889.

LOCAL AND GENERAL.

James Brown of Roseburg made a visit to this part last week.

BORN.—At Morris Bro's mill Tuesday Nov. 26, to the wife of Alfred Morris, a son.

The News hears a report to the effect that the Arago is to be taken off her present route.

Mrs. Mollie Crawford nee Hall arrived from New York last week on a visit to her parents at Marshfield.

At the Sunday school entertainment Thursday night the people were profuse in encores for songs by Al Marsh and A. A. Leach.

Parties who have been soliciting for the Louisiana lottery are somewhat scared and well they may be, for prosecutions will follow.

Mr. Rackliff informs us that his grist mill only had a month's run this fall. This indicates that our people are giving up the raising of wheat.

MARRIED.—At Pueblo, Colorado November—1889, Mr. A. J. Dean and Miss L. Evadne Wilbur. A. J. is the youngest brother of Dean Bros. of this place. Shake, "Kid."

D. Fields returned from Portland Thursday, where he had been two weeks. He is very reticent as to what he was out there for but, then, "who can resist the darlings."

J. Ed. Taylor has purchased 100 feet front off the Carothers tract on east side of "C" street and has the lumber on the ground for a commodious dwelling. He paid \$1000 for the land.

Remember the Rebekah dance Saturday night. These ladies propose to make it the greatest event of the season, and will leave nothing undone to attain that end. Take your best girl and go.

You want to see M. W. Earl's bargains in albums. He is selling for a third less than San Francisco retail prices. A very small margin is all he wants and he gets his goods at the lowest prices obtainable.

Edison has a new invention, whereby you can see a man's face miles away, said Smith. Oh, how nice, said Mrs. Smith; James you will buy one, wont you? You can then stay in at nights, and still see the man.

You should by all means see J. J. Wilson's new goods. He has received a lot of jeweler's trays and with these in his new show cases show off his goods to fine advantage. He sells at the very lowest possible figures.

Burt Buzan has received a splendid slide trombone and "fined" the band. Coquille City may well feel proud of the Trombone boys who but miss no opportunity of improving their capacity for making good music. Burt is catching on very readily.

Gus Stillwell returned from Portland Friday where he has been attending the Portland Business college for a long time. That institution has been turning out a wonderful number of fine business men. Gus is now ready to fill any good position.

Mrs. Homespun—I'll tell you where you can find a job of sawing five cords of wood, poor man. Tramp—Where, mum? Just around the corner of the next street. Thank ye mum; much obliged; I might have run right into it, if it hadn't been for you.

Ward had a stock of harness and saddle's material on the Parkersburg, and when the shippers learned that the vessel had gone ashore they duplicated the order and shipped at once by the Coquille. Our saddler is doing a good business, the result of honesty and industry.

Mrs. Potts—When I was first married I thought it was solely for love that John had sought my hand but I know better now. I am firmly convinced that it was my money he was after. Miss Spite—Well, it must be considerable satisfaction to you to know that he is not such a fool as you took him to be.

Wrenshall Bros. are finishing up and beautifying their residence. Ed. Sherwood of Elliott was around buying beef cattle in this section last week.

Little attention was paid to Thanksgiving beyond church services and a few well rendered pieces by the Trombone band.

It is believed that the coming season will be a good one for the lumbering interests, and that Coos county will far exceed its last years out-put.

Justice Simon's court was occupied and patronized some the past week as well as that of the recorder. Fines are constantly being collected, yet some people will indulge in infractions of the law.

Mr. T. A. Deroven, merchant, Deroven, Louisiana, says: "The St. Patrick's Pills went like hot cakes." People who have once tried them are never satisfied with any other kind. Their gentle action and reliability as a cathartic is what makes them popular. For sale by J. H. Nosler, Coquille City, and W. L. Dixon, Myrtle Point.

The Sunday school entertainment in the Masonic hall Thursday night was well-attended and highly appreciated. These entertainments bring to light the aptness of the young folks in learning and acting. The expectations of the management were realized and they feel encouraged to go on in the good work.

Prof. M. V. Rork, canvassing for the new Union party, was in this place on December 6th at 7 o'clock p. m. All friends of sobriety and the laboring man are urgently requested to be present. The professor always draws a big crowd, but especially interesting was his theme Friday evening.

More and more it becomes apparent that we must plank or gravel our county roads. There is no road of any length in the county that can stand any considerable amount of travel during the rainy season. They soon get cut up and from this they grow worse till impassable. It would be the proper thing for the county to secure the services of T. C. Norris and his portable mill, and build a good wagon road the entire length of the county and through the most populous part of the county—i. e. from Empire to Myrtle Point.

The fancy prices Southern Oregon fruit has brought in the markets the last few years, has wiped out all doubts heretofore existing. Many land owners are making preparations to set out large orchards. It certainly will pay. Next spring if the citizens want apples it now looks like they will have to ship them in. And if they are fortunate enough to secure the same apples they are now shipping out, they will have choice fruit, but freights two ways will make them a luxury.

We are nearing a very important election in Oregon, and so far the political atmosphere is as mild and calm as a summer's day. But this is the quietness that usually precedes the storm, and in a few months there will be a perceptible change. Already there are indications of marshalling the forces on both sides, and when the contest commences it will be in dead earnest.

The New York World has started "Nellie Bly", its celebrated young woman sensational reporter, on a trip around the world to see how quick she can make the trip. She left New York Friday, November 15, with instructions to be back in New York on January 27—giving her seventy-five days to make the trip. This would beat Jules Verne's imaginary record five days. Without accident or delay, the trip within the time specified is quite possible.

Meet me on the corner to-night, he wrote, and dew not false. She answered him, there are no such word as false.

Experimenta doct; Mr. Young-husband—I'll bet my wife thinks I'm an awful liar sometimes. Mr. Oletymer: Mine knows that I am.

Look Here! Hereafter all shifts and boots left in the way at steamer landings, which are damaged by making landings, will not be paid for. CAPT. G. W. LUMBER.

See notice of M. W. Earl. If you need a fine album at bed-rock prices, you can do no better than to buy of the poor cripple man who lost all he had by fire a couple of months since. He is really a good man and should receive a fair trade.

Wait, Wait, Wait!

Before you buy an album for Christmas, I will call on you with samples of the best grade of albums in the market. Please give me your order and I will deliver in ample time for Christmas. Will sell at bottom prices. I will be on the Coquille soon—wait.

M. W. EARL.

Masons Take Notice. The members of Chadwick lodge No. 68, A. F. and A. M., hereby extend a general invitation to all brother Masons to be present at the public installation of officers in Coquille City, December 27th, 1889. T. R. WILLARD.

Wants Stock to Feed. W. P. Phillips has a lot of feed and the best pasture to be found on the Coquille river, and desires horses and cattle to winter. He offers the best of rates. Call on him at his ranch at Roland prairie or write to him at Myrtle Point.

Winter Cholera. A species of bowel complaint, known as "winter cholera," appeared in several cities in the Northwest last winter and is likely to be more general this season. Chamberlain's Colic, Cholera and Diarrhea Remedy is a certain cure for it. For Sale by J. H. Nosler, of Coquille City, and W. L. Dixon, of Myrtle Point.
