Travel over the roads has been immense during the past two or three weeks. A stage will be besieged after it has on every soul that can be got in, on and about, it by a crowd anxious to go. Another stage is then brought out and it is quickly filled and then another, etc. It is almost beyond question to get one's luggage carried with him.
Petitions are being circulated urging the coming legislature to pass a law inaugurating the so-called Australian ballot system, but really the copy-righted invention of G. W. Smith, a German jeweler at Rolla, Mo. Also one urging that the state print the school books for use in our public schools at cost. Both are badly needed and no sensible person would object. Let it be so.

Capt. Donaldson of the Oregon Coal and Navigation Company's steamer Ajax which was lost on the 18th inst. off Shelter Cove, was yesterday presented by Messrs. Parrott & Co., agents of the Canton Insurance Co., with a valuable gold watch accompanied by a check of \$200, in appreciation of the services he rendered at the time of the wreck. It is very probable that Capt. Donaldson will be given command of the Wilmington.

Coos bay is moving in the matter of establishing a fruit cannery, and East Marshfield promises a site free of charge—just the place for it, at the junction of Coos bay, Coos river, Catching and Isthmus sloughs. This is the most sensible move yet made. All those hills that have been logged off are the finest fruit lands in the west, and the people here only to know that a good price can always be had to convert these otherwise nearly worthless hills into magnificent orchards.

Our customers all speak highly in praise of St. Patrick's Pills. They are the best.—Perry Bros. Carroll, Nebraska. For sale by R. S. Knowlton and S. L. Leneve, druggists, Coquille City, Oregon.
Mr. McArthur returned home from Portland whither he went to help organize a state board of trade, Wednesday morning. He reports a good attendance and a lively interest. A good board was duly organized.

The "Star of Bethlehem" is now visible in the northwest. It is very bright and can be seen at its best at about 8 p. m. The newspapers were full of the discovery about a year ago. It is seen from the earth over 315 years. You look at it now as in all probability you will not be here when it appears again.
The Snow boys and Clark Miller have returned from their late find on the Takou, having done some development work already. They are highly elated over the property which shows up finely. There are indications that the owners will take out dead "lodes" of silver next season.—Juneau (Alaska) Mining Record.

Hibbard's Rheumatic and Liver Pills.
These pills are scientifically compounded, and uniform in action. No gripping pain so commonly following the use of pills. They are adapted to both adults and children with perfect safety. We guarantee they have no equal in the cure of sick headache, constipation, dyspepsia and biliousness; and, as an appetizer, they excel any other preparation.
STRAYED.—A small bay mare white spot on forehead, also a white triangular mark on left buttock like this V, about 2 1/2 inches the longest way; short tail, small limbs—would weigh probably 700 lbs. Also a yearling colt of a darkish color with a mixture of gray; will probably be an iron gray when it has its permanent coat. Finder will be paid for his trouble and expenses. Address Walter Oldland, Libby, Coos Co. Or.

A Fragment.
While on board a Coos bay steamer the other day I heard a man say that labor organizations claimed their membership from the lowest classes of humanity; that they were all conducive of degeneration and freighted with jackobin principles. Now, sir, I did not stop to argue with you but this is what I thought: You were deaf to your own everlastig interest; that you cannot hear the still small voice of reason; that you cannot or will not hear the thunderous pean that is vibrating through the political air; you cannot see in your fellowmen the bold spirit that is destined to keep watch and word et rnalny over your destiny; over my destiny; and over the destiny of generations yet to be. If I believe as you do I would ask you who would raise the banner of liberty?

Mr. John Keown, the worthy postmaster at Keown, Alleghany county, Penn., says: "Chamberlain's Cough Remedy sells better than any other." The reason of this is because it can always be depended upon. Let any one troubled with a severe cold give it a trial and they will find that the first dose will relieve the lungs and make breathing easier, and that its continued use will free the system of all symptoms of the cold. The promptness and certainty of this remedy in the relief and cure of colds, has won for it many sincere friends and I made it very popular. For sale by R. S. Knowlton and S. L. Leneve, druggists, Coquille City, Oregon.

A Miracle of the Nineteenth Century.
Quine to a bad state of the blood. I have been afflicted with rheumatism for twenty years, and have used crutches for ten years. I have expended large sums of money for remedies recommended to me, and from using powerful liniments to get a little sleep my hip and knee had lost nearly all strength. When I commenced to take Hibbard's Rheumatic Syrup I could not take one step without the aid of a cane, or turn myself in bed without assistance. I can now move with perfect ease and walk without my cane from my house to my office every day. I am relieved from a terrible affliction, and I wish I might herald to all afflicted with rheumatism and other blood diseases, the merits of this wonderful medicine.
