To the Dairymen's Union. The board of directors have decided that the meeting appointed to be held on the 1st Saturday in January—the 5th—had best be held on Friday, the 4th. CHRISTMAS EVE.

Santa Claus Visits Coquille in His Annual Round.

Masonic hall was crowded to over-full last evening, and all children and adults, seemed equally happy.

The Trombone Band took the matter in hand to furnish a public, free entertainment and distribution of gifts, and to this end most handsomely decorated the hall and stage. Upon the latter was arranged a "fish pond," which it seemed would never be exhausted of its treasures. While the musical and literary program was being enacted members of the band carried presents of candies, nuts and apples to every child and to most or nearly all grown persons.

The program was interesting. The band opened with a selection; then the curtain was raised and a full choir, with Mrs. Dr. Colin at the organ, rendered a Christmas anthem; prayer by Rev. J. T. Thornton; a recitation followed by Melville Stone—"The Yankee Still Ahead;" mandolin solo, by Miss Lizzie Buzan, accompanied by James Whetstone and Miss Pearl Baxter on guitars—encored; recitation by Mall Nichols—"How We Liked the Teacher;" comic song by W. S. Perry—"Clara Nolan's Ball"—encored, Mr. Perry rendering most comically, "I'm one of the Tickle Kind," violin duet, by the Misses Woodruff—encored; anthem by the choir, concluding these exercises.

Then followed the "fish-pond," into which good old Santa Claus dozed with all his store of presents, while rubbing his eyes and taking in the situation. A couple of clowns—colored gentlemen—fished out the presents, and these were distributed to the proper persons by members of the band, selected for the purpose.

About 10 o'clock the entertainment closed. It was one that will be long remembered, and did credit, in every respect, to our ever ready, never tired, good-natured, gentlemanly band boys, who spared neither time nor pains nor expense in preparing the feast. The citizens assisted in contributions.
