Rev. Mr. Sanderlin closed his series of religious meetings with the service of last Sunday night. He will preach at the Christian church the first Sunday of next month, his regular appointment.

L. P. Maury raffled off the handsomest piece of myrtle wood work last week that has been seen here. It was a fancy bracket, quite architectural in design, which he termed an "elevated railroad station," with stairways connecting the several platforms, all neatly finished and making an unique piece of furniture. Andrew Perkins was the winner.

I. T. Weekly, a prominent North Fork citizen, was down from his home at Gravel Ford last week on business. He informs us that the Populist club organized at that place and Dora promise success. The aim is to educate the public in political economics. These neighborhoods have stepped to the front promptly and in advance of any other in this county.

Robert and Jess Smith, two well known and clever young men from Coos river, returned home yesterday after a visit of several day's in this valley. They enjoyedt themselves very much while here, though St. Valentine officiated in a tender matter for at least one of them, and he returns home with a kind of longing to come again at brief intervals and worship at the shrine.

Mr. Peterson and sons attended the burial of Mrs. Gammill, while Mrs. P. remained here with her daughter. Mrs. Gammill was born in Pennsylvania, and was 47 years old last Christmas.

The new schoolhouse at Bandon has been completed and turned over to the authorities. Chas. H. Burggraf of Salem was the architect and is highly complimented in his skill and artistic taste in the handsome structure now sheltering the youth of the community while their minds are trained for usefulness and good citizenship. A nice new bell also calls out from the tower in mellow tones the assembly for study, and all join to show that our wide-awake neighbors appreciate the utility of public educational facilities as factors both of advantage and economy.

There is no claim made for Ayer's Sarsaparilla which cannot be endorsed by scores of testimonials. This fact plainly proves that the blood is the source of most disorders and that Ayer's Sarsaparilla is the best of blood purifiers. Try it this month.

Walter Colvin last week turned and shipped an order of several dozen myrtle napkin rings for the San Francisco market. They were very pretty. "Great oaks from little acorns grow." So large enterprises, also, from small beginnings.

A baseball league is proposed in this county, for which a convention of representatives of ball teams at Bandon, Empire, Marshfield, Myrtle Point and this place (and possibly from other communities) will meet in this place March 4th next for the purpose of effecting such organization. The masquerade at Arago last Saturday night was a splendid affair and very enjoyable. The attendance was very large, as both the upper and lower river neighborhoods furnished large representations, and the pleasures of the evening were complete. Misses Irma Lukins and Julia Drane went on a visit to Halls creek neighborhood today.

Coquille valley is all right, and will prosper at the hands of her intelligent and thrifty citizens with or without a whip in the hands of some self-imposed masters.

Congressman Hermann has secured a restoration of the mail service between Elliott and Langlois, which had been discontinued some while since. The new service will begin March 1st.

The schooner Long arrived at Lyons' mill today The schooner Joseph & Henry is at the mouth of the river for Morras Bro's mill, and the schooner Antelope left San Francisco last Saturday.

The religious wave has reached the Catching creek neighborhood, and at services conducted there by Rev. Mr. Black the past few weeks, a large number have professed while twenty persons have joined the church, and the interest increases.

E. J. Golden, a prominent shipping agent at San Francisco, visited Morras Bro's last week to investigate trade prospects and possibilities with that firm the coming season, and returns to the city with much confidence, based on personal information andinvestigation, that Morras Bro's are quite able to manage their own business and comply with their contracts.

The city election of Myrtle Point passed off quietly last week, resulting in the re-election of E. Bender as recorder, N. G. W. Perkins treasurer, re-elected, and Jos. F. Noyes, marshal. The following were chosen councilmen: M. R. Lee (re-elected), C. T. Riley (re-elected), W. T. Lehnherr (re-elected), L. A. Roberts and K. A. Leep. The vote is not given.

Many rumors and speculations are among our people regarding G. W. Williams' dealings with an eastern syndicate in the transfer of realty and business enterprises in this valley. His store at Bandon is said to have been transferred to one J. A. Ford at San Francisco, and is temporarily in charge of J. H. Rupert. We do not know Mr. Ford, nor any conditions of this transfer, nor have we any reliable information as to whether a legitimate trade has been made to the syndicate or not, and must await developments—or devil-opments, we do not now know which.

Miss Sarah Miller, who attended the teachers' examination last week from Marshfield and was the guest of Miss Lizzie Buzan, returned to her home Monday. Miss Agnes Rogers, too, who has attended school here the past winter, returned home on the same train, and Miss Lizzie Buzan accompanied to Marshfield, where she goes to keep house for her brother Bert. A farewell dance was given in honor of these young ladies at Masonic hall last Saturday night, by friends and admirers, which was largely attended and a very pleasant affair.

The little bay steamer, Cumtux, was brought over on the train today and delivered to Wall & Son at Myrtle Point.

At a meeting of the baseball boys last Sunday, Bird Nosler was elected Captain, T. A. White manager, and Gene Norton secretary and treasurer.

Capt. T. S. Samuels, of J. D. Spreckels & Bro's Co. of San Francisco, is inspecting their interests here. The HERALD hopes he may be convinced of the necessity of a change in local managers to one who is a citizen of this country and in sympathy with good citizenship.

The following persons were chosen a board of directors to incorporate and manage the affairs the present year: W. C. Bullard, Alex Stauff, Jos. Radabaugh, Capt. C. H. Butler and Geo. Wimer, sr.

The St. Valentine's Ball

Passed off grandly and much to the credit of our baseball nine. The attendance was very large, the music by the Misses Woodruff being very fine and a great attraction. The postmaster, about Midnight, did a rushing business, and many tender missives were sent out through that agency.

The eldest of three little chaps was sternly reproved by his mother for his bad behavior. "You are the oldest, Cyrus," she said, "and you ought to be an example to Homer and Jack." "Well, I'll be an example to Homer," said Cyrus, "but I won't be an example to both of 'em, Homer's got to be it for Jack."

HEART DISEASE 30 YEARS.

GRAND ISLAND, NEB., April 8th, 1892.
Dr. Miles Medical Co., Elkhart, Ind.

GENTLEMEN: I had been troubled with HEART DISEASE FOR THE LAST 30 YEARS, and although I was treated by able physicians and tried many remedies, I grew steadily worse until I WAS COMPLETELY PROSTRATED AND CONFINED TO MY BED WITHOUT ANY HOPE OF RECOVERY. I would have very bad sinking spells, when my pulse would stop beating altogether, and it was with the greatest difficulty that my circulation could be started which would bring me back to consciousness again. While in this condition I tried your NEW HEART CURE, and began to improve from the first, and now I am able to do a good day's work for a man 68 years of age. I give DR. MILES' NEW HEART CURE all the credit for my recovery. It is over six months since I have taken any, although I keep a bottle in the house in case I should need it. I have also used your NERVE AND LIVER PILLS, and think a great deal of them. Z. AVERY.

WHAT YOUR THUMB TELLS.
Square Type.

Conical. Artistic. Philosophic. Feminine.

The thumb is an unfailing index of character. The Square Type indicates a strong will, great energy and firmness. Closely allied is the Spatulated Type, the thumb of those of advanced ideas and business ability. Both of these types belong to the busy man or woman; and Demorest's Family Magazine prepares especially for such persons a whole volume of new ideas, condensed in a small space, so that the record of the whole world's work for a month may be read in half an hour. The Conical Type indicates refinement, culture, and a love of music, poetry, and fiction. A person with this type of thumb will thoroughly enjoy the literary attractions of Demorest's Magazine. The Artistic Type indicates a love of beauty and art, which will find rare pleasure in the magnificent oil-picture of roses, 16½ x 24 inches, reproduced from the original painting by De Longpré, the most celebrated of living flower-painters, which will be given to every subscriber to Demorest's Magazine for 1895. The cost of this superb work of art was $250.00; and the reproduction cannot be distinguished from the original. Besides this, an exquisite oil or water-color picture is published in each number of the Magazine, and the articles are so profusely and superbly illustrated that the Magazine is, in reality, a portfolio of art works of the highest order. The Philosophic Type is the thumb of the thinker and inventor of ideas, who will be deeply interested in those developed monthly in Demorest's Magazine. In every one of its numerous departments, which cover the entire artistic and scientific field, chronicling every fact, fancy, and fad of the day. Demorest's is simply a perfect Family Magazine, and was long ago crowned Queen of the Monthlies. Send in your subscription; it will cost only $2.00, and you will have a dozen Magazines in one. Address W. JENNINGS DEMOREST, Publisher, 15 East 14th Street, New York. Though not a fashion magazine, its perfect fashion pages, and its articles on family and domestic matters, will be of superlative interest to those possessing the Feminine Type of Thumb, which indicates in its small size, slenderness, soft nail, and smooth, rounded tip, those traits which belong essentially to the gentler sex, every one of whom should subscribe to Demorest's Magazine. If you are unacquainted with its merits, send for a specimen copy (free), and you will admit that seeing these THUMBS has put you in the way of saving money by finding in one Magazine everything to satisfy the literary wants of the whole family.

DON'T STOP TOBACCO

IT'S INJURIOUS TO STOP SUDDENLY and don't be imposed upon by buying a remedy that requires you to do so, as it is nothing more than a substitue. In the sudden stoppage of tobacco you must have some stimulant, and in most all cases, the effect of the stimulant, be it opium, morphine, or other opiates, leaves a far worse habit contractad. Ask your druggist about BACO-CURO. It is purely vegetable. You do not have to stop using tobacco with BA CO-CURO. It will notify you when to stop and your desire for tobacco will cease. Your system will be as free from nicotine as the day before you took your first chew or smoke. An iron-clad written guarantee to absolutely cure the tobacco habit in all its forms, or money refunded. Price $1 per box, or 3 boxes (30 days treatment and guaranteed cure,) $2.50 For sale by all druggists or will be sent by mail upon receipt of price. SEND SIX TWO-CENT STAMPS FOR SAMPLE BOX. Office of THE PIONEER PRESS COMPANY, C. W. Hornick, Supt.,
St. Paul, Minn., Sept. 7, 1894.

Eureka Chemical and Man'f'g Co., La Crosse, Wis.—Dear Sirs: I have been a tobacco fiend for many years, and during the past two years have smoked fifteen to twenty cigars regularly every day. My whole nervous system became affected, until my physician told me I must give up the use of tobacco, for the time being at least. I tried the so-called "Keeley Cure," "No-To-Bac," and various other remedies, but without success, until I accidentally learned of your "Baco-Curo." Three weeks ago today I commenced using your preparation, and today I consider myself completely cured; I am in perfect health, and the horrible craving for tobacco, which every inveterate smoker fully appreciates, has completely left me. I consider your "Baco-Curo" simply wonderful, and can fully recommend it. Yours very truly, C. W. HORNICK.
