Proposals for the construction of the necessary buildings for the light station at the mouth of the Coquille river were opened at the office of Major Post, U. S. engineers, at Portland, on the 20th. In all, 38 proposals were submitted, 12 for the metal work, and 26 for the buildings. The lowest bidders for the metal work were the Russell Wheel & Foundry Co., of Detroit, Mich., their bid being \$1893. The lowest bid for the construction of the buildings was \$13,757, by F. H. Goss, of Tacoma. This is so much lower than the other bids that some of the bidders think Mr. Goss, who has not visited the site of the light station, will probably back out. The other 23 bids averaged about \$20,000, except one submitted by Walker & Weiman, for \$43,000.

"Matron of a Benevolent Home and knowing the good Dr. Miles' Nerve has done me, my wish to help others, overcomes my dislike for the publicity, this letter may give me. In Nov. and Dec, 1893, I became so debilitated and nervous from sleeplessness and the drafts made on my vitality, that it was a question if I could go on. A dear friend advised me to try Dr. Miles' Restorative Nervine. I took 2 bottles and am happy to say, I am in better health than ever. I still continue my occasional use as a nervous food, as my work is very trying. A letter addressed to Milwaukee, Wis., will reach me." June 6, 1894. MRS. LAURA C. PHOENIX.
