"Beauty" may be "only skin deep," but the secret of a beautiful skin is pure blood. Those coarse, rough, pimply complexions may, in most cases, be rendered soft, smooth and fair by the persevering and systematic use of Ayer's Sarsaparilla.

The editor thanks Hon. J. H. Schroeder for a liberal present of German prunes, of his own curing. They show conclusively that the best prunes in the market are those grown in this climate, and that with the intelligence and care in preparation expended on these, our farmers will reap reward from their culture and for the labor expended.

The steamer Bandorille met with a light accident as she departed from our wharf last Thursday afternoon, having had her mainmast and smokestack damaged by a fallen tree which extended out over the water from the bank and swept over the deck. A heavy wind prevailed from the south at the time and the boat had not yet gained the channel, it is said to have been the cause.

The Bulletin, our new contemporary, established in our midst on a subsidy and under bonds to be as "oil cast upon the troubled waters" of the discontented, didn't last well, but lasted quick, as Bro. Harrington puts it, and has passed into new hands. Anderson Lamb and Bennie Lawrence are the purchasers, and we are not yet informed as to its policy—whether it will be partisan, or still astraddle.

L. P. Marry put another beautiful myrtle-wood bracket on exhibition at J. W. Leneve's store last week. It is a combination of useful and ornamental handiwork. The bracket is in design like a German palace, and includes a small cabinet in the centre, the doors of which are given the form of massive doors to the palace, surrounded with enclosed fretwork porticoes, which are shelves for placing articles. A little drawer is also provided. The wood is of the prettiest and is skillfully polished and sawed.

W. C. T. U. Election.

At a regular meeting of the W. C. T. U., held last Friday, the following officers were elected: President, Mrs. McCann; corresponding and recording secretary, Mrs. Laura Boutell; treasurer, Mrs. N. J. Messer; vice-president from the Christian church, Mrs. Ora Maury; vice-president from the Presbyterian church, Mrs. Ida E. Rich; vice-president from the Baptist church, Mrs. Annie Knowlton; superintendent of press work and literature, Mrs. Annie Lawrence; superintendent of narcotics, Mrs. Jennie Simmons; superintendent of franchise, Mrs. Julia Barrows; superintendent of mothers' meetings, Mrs. Ida E. Rich; superintendent of domestic medical contests, Mrs. McCann; superintendent of Loyal Temperance Legion, Mrs. Messer; superintendent of flower mission, Mrs. McDonald.

Temperance Mass Meeting.

The ladies of the W. C. T. U. conducted their usual temperance mass meeting at the Methodist church last Sunday night, and like all others which have preceded it, it was a great success as to numbers in attendance, enthusiasm and attractive features.

Mrs. Boutell conducted the exercises, commencing the program as follows:

Song by the choir—Mansions are Prepared Above; song by the choir—Give the Cause Another Cheer; scripture reading by Mrs. Boutell; prayer by Rev. O. G. Quimby; song by the choir—Along the River of Time; address by Rev. Mr. Hollenbeck.

Mrs. Boutell added some pertinent remarks to the earnest words of the speaker of the evening, whose address was shortened by hoarseness and indisposition. He had replied to many objections given by men to the prohibition cause, and Mrs. Boutell referred specially to the training of the children, and the unanimity of the mothers of the community in opposition to saloons and other schools of vice, which nullify their efforts and ruin their boys. She referred, also, to the habit being indulged in by the girls of chewing cloves or other spices, and thus acquiring a very injurious vice.

A collection was then asked, while the choir sang, "Sound the Battle Cry." A beautiful song, solo and chorus, "As We've Sown, So Shall We Reap," concluded the services, when Rev. Quimby pronounced the benediction. A committee of young ladies attended at the door and distributed tracts to every auditor as they departed.

Mrs. J. P. Bell, Oconomowoc, Wis., wife of the editor of The Graphic, the leading local paper of Miami county, writes: "I was freed from my chronic disease for six years, severe palpitations, shortness of breath, together with such extreme nervousness, that at times I would walk the floor nearly all night. We consulted the best medical talent. They said there was no help for me, that I had organic disease of the heart for which I had no remedy. I had read your advertisement in The Graphic and thought, as a last resort, to order a bottle of Dr. Miles' Heart Cure for the Heart, which convinced me that there was true merit in it. I took three bottles each of the Heart Cure and Restorative Nervine and I am completely cured. I sleep well at night, my heart beats regular, I have no more smothering spells. I wish to say to all who are suffering as I did, there's relief untold for them if they will only give your remedies just one trial." Dr. Miles' Heart Cure is a positive medicine that the first bottle will benefit. All druggists sell it at 60 cents per bottle, or by mail, \$1.00 per bottle, in advance, by Dr. Miles Medical Co., Elkhart, Ind.

Office of THE PIONEER PRESS COMPANY, C. W. Hornick, Supr., Bureka Chemical and Man'g Co., La Crosse, Wis.—Dear Sir, I have been a tobacco fiend for many years, and during the past two years have smoked fifteen to twenty cigars regularly every day. My whole nervous system became affected, until my physician told me I must give up the use of tobacco, for the time being at least. I tried the so-called "Keeley Cure," "No-To-Bac," and various other remedies, but without success, until I accidentally learned of your "Baco-Curo." Three weeks ago today I commenced using your preparation, and today I consider myself completely cured; I am in perfect health, and the horrible craving for tobacco, which every investor to smokes fully appreciates, has completely left me. I consider your "Baco-Curo" simply wonderful, and can fully recommend it. Yours very truly, C. W. HORNICK.

An unusually large and bright "Jack-o'-lantern" hung over the elough on the northwest side of town last Friday evening. It was an attraction, being elongated in form and having a slow rising and falling motion within a certain space. No "ghost" was visible to the observers of the phenomenon, though it was thought it might prove some local disaffected Diogenes searching for a spot wherein he might establish a clean, non-partisan, non-committal, non-thinking, non-saying, unprinted white page newspaper.
