A regular steamer between this city and San Francisco would do a fair amount of business, and the prospective early establishment of such enterprise is taking shape.

The Christian church will observe Easter with a program of appropriate songs and religious literary exercises, next Sunday morning, at 11 o'clock. All are invited.

The county court has extended the time for payment of taxes to the latter part of June, before becoming delinquent. We are glad it has been able to do so, for the stress on our people is very hard.

The confidence that people have in Ayer's Sarsaparilla as a blood medicine is the legitimate and natural growth of many years. It has been handed down from parent to child, and is the favorite family medicine in thousands of households.

Capt. Cornwall has been on this river in the interest of his steamer ownership. The people would regret exceedingly to lose the Dispatch from service on this river, but the management has not been such as to win the good will of the general public.

Fred Mehl returned last week to his home at this place. Fred has been several years a member of the life-saving crew at Bandon, in which he has served honorably and faithfully, and whose departure from among the crew causes many regrets. William Bingaman takes Mr. Mehl's place in the life-saving crew.

Mr. and Mrs. R. O. Kirkpatrick came down from Myrtle Point last Friday on a visit to their daughter, Mrs. Al Balch. Will Mansell departed with his family to California last Saturday. He has been back and forth several times, and the path is becoming known to him, hence he may be looked for again.

"Six days shalt thou labor," says the great lawgiver. To do good work, man must be at his best. This condition is attained by the use of Ayer's Sarsaparilla. It overcomes that tired feeling, quickens the appetite, improves digestion, and makes the weak strong.

The Coos Bay News says: "John Nasburg, of Coquille, was in town last week. He says that the report that he was about to build an hotel at Coquille is a mistake." The "report" was correct enough, but like that from a gun, was caused by the rush of wind to fill the vacuum of promise.

The new hardware firm, J. J. Lamb and A. L. Nosler, took hold of the business at the date stated in last week's HERALD, and have found a kindly responsive feeling from the public. While both are good business men, who will be conservative and safe, yet they will doubtless conduct the same on business principles, sans greed, sans selfishness, and win the patronage of the public whom they have concluded to serve.

Mrs. J. H. Sackett received a painful hurt on her head one day last week, from which she has about recovered, however. She was getting about at her household duties, when suddenly she struck her head against the end of a board that was nearly her hight from the ground. She fell to the ground, being stunned, and her head was cut and bled profusely, making appear as if she was seriously hurt. But, while the stroke was painful at first, it did not result seriously.

"About one year ago I was afflicted with nervousness, sleeplessness, Creeping sensation in my legs, Slight palpitation of my heart, Distracting confusion of the mind, Serious loss or lapse of memory. Weight 1 down with care and worry. I completely lost appetite And felt my vitality wearing out, I was weak, irritable and tired, My weight was reduced to 160 lbs., In fact I was no good, on earth.

A Splendid Historical Work.

"Harper's Pictorial History of the War," is being canvassed for in this and Curry counties by James E. Baldwin of Roseburg. The work is large, over 850 pages 16x11¼ inches in size, with over 1000 beautiful illustrations and maps from original plats. So far as correctness is concerned this firm has had superior advantages, and artists and literary colaborators unsurpassed, while the letter-press and mechanical work are superb and artistic. The portraits of generals and leading figures during the war are very fine, while many of the views of battlefields were taken on the spot at that time. The writer of this is a witness to the correctness of many of the illustrations, scenes of engagements, forts, gunboats, batteries, etc., as also of many of the portraits, and believes the work should be in every household and school library. Mr. Baldwin will canvass Bandon this week.

DON'T STOP TOBACCO

IT'S INJURIOUS TO STOP SUDDENLY and don't be imposed upon by buying a remedy that requires you to do so, as it is nothing more than a substitue. In the sudden stoppage of tobacco you must have some stimulant, and in most all cases, the effect of the stimulant, be it opium, morphine, or other opiates, leaves a far worse habit contractad. Ask your druggist about BACO-CURO. It is purely vegetable. You do not have to stop using tobacco with BA CO-CURO. It will notify you when to stop and your desire for tobacco will cease. Your system will be as free from nicotine as the day before you took your first chew or smoke. An iron-clad written guarantee to absolutely cure the tobacco habit in all its forms, or money refunded. Price $1 per box, or 3 boxes (30 days treatment and guaranteed cure,) $2.50 For sale by all druggists or will be sent by mail upon receipt of price. SEND SIX TWO-CENT STAMPS FOR SAMPLE BOX. Office of THE PIONEER PRESS COMPANY, C. W. Hornick, Supt., St. Paul, Minn., Sept. 7, 1894.

Eureka Chemical and Man'f'g Co., La Crosse, Wis.—Dear Sirs: I have been a tobacco fiend for many years, and during the past two years have smoked fifteen to twenty cigars regularly every day. My whole nervous system became affected, until my physician told me I must give up the use of tobacco, for the time being at least. I tried the so-called "Keeley Cure," "No-To-Bac," and various other remedies, but without success, until I accidentally learned of your "Baco-Curo." Three weeks ago today I commenced using your preparation, and today I consider myself completely cured; I am in perfect health, and the horrible craving for tobacco, which every inveterate smoker fully appreciates, has completely left me. I consider your "Baco-Curo" simply wonderful, and can fully recommend it. Yours very truly, C. W. HORNICK.
