Many rise in the morning with a headache and no inclination for breakfast. This is due to torpidity of the liver, and a deranged condition of the stomach. To restore healthy action to these organs, nothing is so efficacious as an occasional dose of Ayer's Pills.

The congregation at the Methodist church Sunday was quite broken up by a fire alarm. A large number, however, returned on learning that all danger had passed and the services proceeded to a second benediction.

Several really good communications from various portions of the county appear today. With such letters the HERALD can be instrumental in helping those communities. These contain many items of local importance.

Judge Schroeder and County Commissioner Stitt returned from county court last Friday, after a term of eight days. Friday morning they "hoofed it" to the county poor farm—either from an impulse of economy, or because the walking would be better than the riding—and inventoried the county's property and inspected the condition of farm and wards prior to a transfer to the new superintendent, Mr. Canning.

The churches were handsomely decorated for the Easter services. The ladies showed excellent taste, and spared no pains to symbolize and impress the truths of the Easter festival occasion. Evergreens and flowers were profuse, while the soft, variegated moss served so well to impress the simplicity and naturalness of the worship. The daisies, pansies, violets, calla lilies, Easter flowers, etc., were entrancing in their variety and beauty and their perfume filled the air.

Mr. and Mrs. G. W. Canning arrived from the bay yesterday and moved to the county infirmary, where they take supervision for the ensuing year.

In our columns today will be found some original verses and a short prose essay on "Dreams" from the pen of Imogene Creyton, one of our upper-river friends.

A. H. Buckingham of the valley came in last week and joined his family at this place, where the latter have been spending the winter. They will leave for their home soon.

It would be worth while for the ladies to bear in mind that if they take a gentle course of Ayer's Sarsaparilla in the spring they will have no trouble with "prickly heat," "bites," "sties," "boils," or "black heads," when summer comes. Prevention is better than cure.

We had a pleasant visit last week from Hons. J. H. Schroeder and D. E. Stitt, members of our county court, on their return home from a session of that body. Always glad to see you, gentlemen.

Arbor Day came so suddenly on our newly organized school that no elaborate observance of the same could be arranged, hence Friday afternoon the scholars were given an outing in the woods at gathering wild flowers, lunching, etc.

Several boys were arrested last week for malicious mischief and taken before the city recorder. The youthfulness of the offenders saved them from going to the lock-up, and they were held on their promises of future good behavior.

The new butter expert at Arago, F. S. Wachs, resigned a few days since and the Union elected George Schroeder in his stead. This is a good selection, and we anticipate will result for the best interests of the Union, for George is industrious, capable and intelligent.

A new street lamp was placed at the HERALD office Saturday evening by Marshal Johnson and J. H. Sackett, and Sunday night lighted up the dark sidewalks in many directions to good advantage. Another lamp should be placed at this (south) end of the long bridge, and then the public would be pretty well served with street lights.

About noon Sunday a blaze broke out on the roof of C. Wilkins' photograph gallery and residence, but it was soon observed and extinguished. A high wind was blowing at the time, and considerable excitement prevailed for fear of disaster, but the promptness of Thad Gillham and Jesse Simmons to ascend to the roof and others to furnish water made short work of the fire. The damage is very light—not over \$5.

The marriage at Bandon, or in that neighborhood, some weeks since, of Comrade James West and Mrs. Kate Taylor (formerly of this place) has leaked out, and being a secret no longer we whisper it to our readers. It is something of a surprise, but all the more so that the Recorder fighting editor was either bought off or bluffed by the new benedict and failed to make the announcement. Well, here's to the health of the bride and groom, anyway.

Our Odd Fellows are arranging to celebrate their 76th anniversary of the parent organization on the 26th inst. They will have an excursion to Bandon beach, and returning conclude the festivities of the day with a grand ball and supper that night. Most Perfect Made. A pure Grape Cream of Tartar Powder. Free from Ammonia, Alum or any other adulterant. 40 YEARS THE STANDARD.

HEART DISEASE, like many other ailments when they have taken hold of the system, never gets better of its own accord, but constantly grows worse. There are thousands who know they have a defective heart, but will not admit the fact. They don't want their friends to worry, and don't know what to take for it, as they have been told time and again that heart disease was incurable. Such was the case of Mr. Silas Farley of Dyeaville, Ohio, who writes June 19, 1894, as follows: "I had heart disease for 23 years, my heart hurting me almost continually. The first 15 years I doctored all the time, trying several physicians and remedies, until my last doctor told me it was only a question of time as I could not be cured. I gradually grew worse, very weak, and completely discouraged, until I lived, propped half up in bed, because I couldn't lie down nor sit up. Thinking my time had come I told my family what I wanted done when I was gone. But on the first day of March on the recommendation of Mrs. Fannie Jones, Dr. Miles' Heart Cure for the Heart and wonderful to tell, in ten days I was working at light work and on March 19 commenced framing a barn, which is a heavy work, and I haven't had a day since. I am 55 years old, 6 ft. 4 1/2 inches and weigh 220 lbs. I believe I am fully cured, and I am now only anxious that everyone should know of your wonderful remedy." Dyeaville, Ohio. SILAS FARLEY.

Dr. Miles' Heart Cure is sold on a positive guarantee that the first bottle will benefit. All druggists sell it at 6 bottles for \$5 or less, together with a copy of the book, "The Heart Disease," by Dr. Miles Medical Co., Elkhart, Ind.

Our River Steamer Service.

The steamer Dispatch will not be withdrawn from our river service, we are pleased to state. Capt. Cornwall disposed of his interests in the same to Judge Dyer, who at once placed Alvy Lee in command, with Vale Perry as assistant. This will be very acceptable to the public all around. Judge Dyer's long residence in this section and abiding interest in its prosperity guarantees his efforts in the public's behalf, and with such efficient, popular and intelligent agents as Captains Lee and Perry, the steamer will serve the public and the public support the steamer.

The steamer Alert at the same time we learn passed into the hands of Chris Long. What service she will be put to, we are not yet informed, though it is hoped to get her service for the creameries, if the passenger steamers cannot arrange to do so.

NEURALGIA cured by Dr. Miles' PAIN EXPELLER. "One cent a dose. At all druggists."

Tim Seely will move his family to the bay when the storm ceases.

Graedna Stone took the tram for the bay last Friday, to her daughter's—Mrs. F. E. Dean.

Mr. Hoyt, contractor for the jetty work at Bandon, passed through this place to Bandon last Friday.

The Benice Goodrich Company gave two pleasing entertainments in this city Friday and Saturday nights of last week. Both were well patronized and gave good satisfaction. The company includes artists in comedy, and drama. "Pottle's Baby" is a prodigy and startled our playgoers in her charming rendition of comedy and song. Benice Goodrich herself was immense, and became a favorite with us as she is elsewhere, and her supporters did splendidly.
