

REGULAR TRAINS

Table with 3 columns: Leave, Arrive, Station. Rows for Coquille City, Myrtle Point, Marshfield.

LOCAL ITEMS.

Good roads are at hand. Warm weather has set in. Read the Herald's new advertisements. Coquille City needs a village improvement association.

Miss Ray Collier came over from the bay yesterday and will remain at home. Miss Carrie Stauff of Marshfield visited several days in this place last week.

A sidetrack was started by the railroad company at our local station yesterday. Resolutions of the I. O. G. T. at Libby on the death of Mrs. McCormack are at hand and will appear next week.

Did you ever hear of the like—No. 8 copper wash-boilers only \$4 now, at Lamb & Nosler's hardware store; No 8 tin wash-boilers only \$2!

The city hall will be open for a public meeting, if the citizens so desire, tomorrow—Wednesday—

evening to nominate for city offices, or consult upon the subject. J. J. Lamb last week bought the Carothers property, on the west side, for which he paid \$2500.

Mr. L. having gone into business here will soon move his family to Coquille. Governor Lord and Justice Bean contemplate a visit to Coos county in a short while.

Of course, if they should honor Coquille City with a visit, arrangements should be made to make their stay as pleasant as possible. A communication from a coal miner, who came here from Kansas to work at the Beaver Hill mine,

giving Mr. Graham's letter of invitation to him to come and who then refused to give him employment, will appear next week.

R. O. Kirkpatrick made a visit from his Myrtle Point home last Saturday to see Mrs. K., who is stopping here with her daughter, Mrs. Al Balch. The latter's health is much improved since her visit and she is loth to leave again.

There are Sarsaparilla and Sarsaparilla; but if you are not careful in your purchase, the disease you wish to cure will only be intensified. Be sure you get Ayer's Sarsaparilla and no others. It is compounded from the Honduras root and highly concentrated alternatives.

A license for a new saloon has been petitioned for by Wm. Rose, Charley Hiecock and Henry Johnson, to be opened in the Mercantile & Shipping Association's building, which has been moved to the front of the lot and put in repair.

A remonstrance is being circulated also. The Trombone Band holds itself open for engagement for the 4th of July. The band is handsomely uniformed and thoroughly equipped with the finest music of the day, and holds its rank at the head of the profession as first-class in every particular.

...WHAT MORE IS NEEDED THAN A PERFECT CURE...

Miss Emma Lee Lammy bade good-bye to her friends and acquaintances yesterday, as she left for a summer's residence at Wm. Noble's, beyond Coaledo. Albert Betts was in town last Saturday and concluded the transfer of the Nichols property, in the Elliott addition of this city, to B. F. McDowell for a ranch on the North Fork.

The Odd Fellows' celebration of the 76th anniversary of that order's existence will take place Friday next. The excursion to Bandon and ball at this place in the evening will be very enjoyable.

A heavy shipment of freight came via the bay on yesterday's train. It included a large quantity of iron and new goods for the new hardware firm of Lamb & Nosler. J. W. Leneve, also, received new stock.

At the monthly covenant meeting of the Baptist denomination, held last Saturday, Jonathan Quick was elected to represent that church from this place at the annual association to be held at Riddle on May 30th, prox.

Word reaches us that the body of Glenn Cox, who was drowned near Empire City about four weeks ago, was found last Sunday on the beach close to the life-saving station, of course, much decomposed. His purse was found in his pocket and contained the sum of \$30.

Our friends at Fishtrap met as per notice in the Herald, on the 12th inst., and organized a People's party club. C. S. Paul was elected president; S. Rowan, vice-president; L. C. Paull, secretary; and Marshal Steel, treasurer.

The next meeting is set for Saturday night, April 27th. A good time is expected and everybody invited. The death of Mrs. M. W. McCormack at Newport, on the 11th inst., was very sudden and sad and followed closely that of her mother's.

She had been on a visit to this place only recently at the bedside of her cousin, Miss Susie Peterson, who was in excellent health, and hardly impressed us that she would so soon be called hence—in fact before her cousin who was so seriously ill. But, "we know not" who is to be next, and surprises will come to us.

Mrs. McCormack's death sadly bereft a loving husband and two children, who survive to mourn at the dread Reaper's relentless work, and neighbors and friends participate in the mournful event.

Nervous Shock. E. W. JOY COMPANY—Gentlemen: This is the first time I have attempted to write for three years. Have been so nervous and weak that I have laid in bed most of the time.

A friend who had taken your Sarsaparilla sent me two bottles. The second one is most gone, and I have gained twenty pounds, and am surely feel a new woman I was pale, thin, no ambition. Had given up, as I had tried so many remedies and doctors, but found no benefit. If you care to publish this you have my consent. (Signed) MRS. A. C. TILMAN, Alameda, Cal.

Headaches, Biliousness and Torpid Liver disappear when you take Joy's Vegetable Sarsaparilla. P. Peterson, a prominent stockman at Fort Bidwell, Modoc county, passed through this place for Roseburg yesterday, en route to his home from the city.

It was a pleasure and prospecting trip with him, as he is quite familiar with the coast from southern California to the sound country, except Coos county, and he had a great desire to make our acquaintance. He is a large rancher, his ranges extending into Melheur county, eastern Oregon. The prospective extension of the Coos Bay-Roseburg railroad eastward to transcontinental connection runs through his lands and in case it is extended he longed to become acquainted with his neighbors at this end of the line. He is a pleasant gentleman.

From LaGrippe.

How Dr. Miles' Nervine Restored One of Kentucky's Business Men to Health.

No disease has ever presented so many peculiarities as LaGrippe. No disease leaves its victims so debilitated, unless, perhaps, measles, or LaGrippe. Mr. D. W. Hilton, state agent of the Mutual Life Insurance Co., of Kentucky, says: "In 1893 and '94 I had two severe attacks of LaGrippe, the last one attacking my nervous system with such severity that my life was despaired of. I had not slept for more than two months except by the use of narcotics that stupefied me, but gave me no rest. I was only conscious of intense mental weakness, agonizing bodily pain and the fact that I was hourly growing weaker."

When in this condition I commenced using Dr. Miles' Restorative Nervine. In two days I began to improve and in one month's time I was cured, much to the surprise of all who knew of my condition. I have been in excellent health since and have recommended your remedies to many of my friends. Louisville, Jan. 22, 1895. D. W. HILTON. Dr. Miles' Nervine Restores Health.

County Superintendent Barklow announces a quarterly examination for teachers on Wednesday, May 8th, to be held at Myrtle Point. DON'T STOP TOBACCO

IT'S INJURIOUS TO STOP SUDDENLY and don't be imposed upon by buying a remedy that requires you to do so, as it is nothing more than a substitute. In the sudden stoppage of tobacco you must have some stimulant, and in most all cases, the effect of the stimulant, be it opium, morphine, or other opiates, leaves a far worse habit contracted. Ask your druggist about BACO-CURO. It is purely vegetable. You do not have to stop using tobacco with BACO-CURO. It will notify you when to stop and your desire for tobacco will cease. Your system will be as free from nicotine as the day before you took your first chew or smoke. An iron-clad written guarantee to absolutely cure the tobacco habit in all its forms or money refunded. Price \$1 per box, or 3 boxes (30 days treatment and guaranteed cure.) \$2.50 For sale by all druggists or will be sent by mail upon receipt of price. SEND SIX TWO-CENT STAMPS FOR SAMPLE BOX. Burska Chemical and Man'g Co., La Crosse, Wis.—Dear Sir: I have been tobacco fiend for many years, and during the past two years have smoked fifteen to twenty cigars regularly every day. My whole nervous system became affected, until my physician told me I must give up the use of tobacco, for the time being at least. I tried the so-called "Keeley Cure," "No-To-Bac," "Three Weeks Ago Today" I commenced using accidentally learned of your "Baco-Curo." Three weeks ago today I commenced using your preparation, and today I consider myself completely cured; I am in perfect health, and the horrible craving for tobacco, which every inveterate smoker fully appreciates, has completely left me. I consider your "Baco-Curo" simply wonderful, and can fully recommend it. Yours very truly, C. W. HORNICK.
