Uriah Root met with an accident at Lyons' mill last Thursday morning, whereby he came near losing his right eye. A cinder from a piece of hot iron struck him on the eyeball, and lodged there; Dr. Culin ministered to him, and it may yet be all right, though he has suffered much from it.

Resolutions of Condolence.

Whereas, Her sudden departure from this life has been a severe shock to her sorrowing husband and two motherless children, also to her father who had intended making his home in this life with her, having but lately been bereft of his wife also by death; and

Whereas, Her absence long shall be felt in our lodge room, she having been an earnest and enthusiastic worker in the cause of temperance since our lodge began, taking great interest in the literary work, for which she was well adapted, being especially good in elocution, and having a mind well stored with choice selections and ever ready when called upon to respond, and

Resolved, While we bow in submission to the will of our Heavenly Father, who sendeth the rain and sunshine alike upon the just and the unjust, and who doeth all things well, that we extend to the bereaved husband and family our sincere and heartfelt sympathy at this their hour of sore affliction, and may they find that peace and comfort to their wounded hearts that is so freely given to those that put their trust in the Lord. Be it also

Resolved, That our lodge, which has just emerged from grief, be again in mourning and our charter draped for the space of 30 days.

\$100—Reward—\$100. The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers, that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials. Address: F. J. CHENEY & CO., Toledo, Ohio.

"We take pleasure in recommending Chamberlain's Cough Remedy because it is praised by all who try it," says J. W. Cox & Son, druggists, Marshfield, Oregon. No one afflicted with a throat or lung trouble can use this remedy without praising it. It always gives prompt relief. It is especially valuable for colds as it relieves the lungs, makes breathing easier and aids expectoration. A cold will never result in pneumonia when this remedy is taken and reasonable care exercised. For sale by Dr. S. L. Leneve, druggist.

(Coos Bay News.) R. M. Weider has gone to California, and it is said, will move his family there, if he finds a suitable location.

Miss Bronte is only 13 years old, and her parents feel justly proud of her.

West Oregonian (Rep.): We believe that justice requires that party influence should be laid aside in speaking of the acts of public officers, and one visiting the county court cannot help noticing that matters are handled by that body with fairness, and a careful examination of every subject that comes up is had, and thus the affairs of the county are looked after with a great deal of caution.

Another Free Offer.

The long winter evenings can be very profitably devoted to reading, but there are some things that we must read the year round. One of these is a local paper: the best in the county is before you—the Herald. Another is a good home paper of general circulation, such as "Womankind," for instance, which comes once a month filled with the best things for a busy housewife. We are able by special arrangements with the publishers, to offer "Womankind" free for a year to every paid-in-advance subscriber to our paper, and are glad to do so, for we are convinced that no home paper in America contains more of practical value to women.

Resolved, That our lodge, which has just emerged from grief, be again in mourning and our charter draped for the space of 30 days.

Remember every paid-in-advance subscriber to the Herald is entitled to his choice in either of these papers. Tell your neighbors about this offer. A sample copy of both papers may be obtained by addressing the Hosterman Publishing Co., Springfield, Ohio.

When asked how our hair has retained its color and fullness, we reply, 'By the use of Ayer's Hair Vigor—nothing else.'" "In 1868, my affianced wife was nearly bald, and the hair kept falling out every day. I induced her to use Ayer's Hair Vigor, and very soon, it not only checked any further loss of hair, but produced an entirely new growth, which has remained luxuriant and glossy to this day. I can recommend this preparation to all in need of a genuine hair-restorer. It is all that it is claimed to be."—Antonio Alarum, Hastroop, Tex.
