The man who called sarsaparilla a fraud, had good reason for his gut hold of a worthless mixture at "reduced rates." He changed his opinion, however, when he began to take Ayer's Sarsaparilla. It pays to be careful when buying medicines.

Catarrh.

E. W. JOY COMPANY—Gentlemen: I have just completed the second bottle of your Vegetable Sarsaparilla. I have had catarrh for years which affected my eyes, hearing and stomach. Frequently would have dull headaches for days at a time. Since taking your remedy I have felt no disagreeable symptoms.

Trusting you will publish this as I want any one suffering from any of the above symptoms to be benefited. Kindly send me two more bottles by return express. (Signed) MR. FREDERICK DE RICHMOND, Seattle, Wash.

Every mail brings a new batch of testimonials for Joy's Vegetable Sarsaparilla.

We are reliably informed that the new black and gold-saving machine recently brought to our beach by a St. Paul miner—another one expected there is King's, from San Francisco—has lately been tested, and from one ton of sand, just as they found it lying on the beach, they took out \$30. All the beach sand for some distance north of the mouth of the Coquille river, and south all the way down to and including Gold Beach, is more or less impregnated with fine gold, and nuggets are occasionally found, but the difficulty up to the present has been to secure the fine gold; however, as scientific knowledge and skill increase the difficulty will be, and is now in fact being almost overcome.

DEATH FROM STARVATION.

A Case Demanding Inquiry, But as Yet Receiving None. The Herald is informed that sometime in November, 1894, Albert Crouch of Camas Valley took an old man named Johnson Dice, who had been living with him three or four years, out to an isolated place near Eden, between Camas Valley and Rogue River, close to the headwaters of the South Fork of the Coquille, and about 30 miles south of Camas Valley, and left him there to hold a squatter's claim for him. Mr. Dice was about 65 or 70 years old and nearly blind, hence hardly a proper person to place in such a position. Mr. Crouch left his agent, however, with only about 15 pounds of flour, intending to return in about ten days with additional provisions and necessities. About six weeks afterward W. W. Shields, John Appleton, Earl Banning, Sylvester Shields, John Shields and James Osborn were out searching in that section. They found old man Dice out of provisions and unable to get any, and W. W. Shields gave him some venison, and offered to leave more, but the old man said Crouch expected to return and so refused further assistance. We are told Crouch started to take out provisions and to drive his cattle out, but his cattle scattered on the way and he then returned and never went out. Sometime later another party went out into that section and found Dice's remains in a state of decomposition, having been dead about a month, and evidently from starvation. We have no particulars of what was done with the body of the deceased, and it appears no inquiry had been made by the authorities. The parties named above are familiar with many of the facts stated above, and Johnny Behea, of Rock creek, is also cognizant of the affair. The Herald has no interest in it beyond demanding that the proper officials inquire into the case, which they seem to have been criminally neglectful of; neither do we know nor have we any prejudice against Mr. Crouch—he is a stranger to us—but he should be purged of any imputation against him in the case, if no guilt attaches to him, or be convicted of a crime if he is guilty in any degree.

The band has some fine new music. The A. P. A. got a foothold at this place last week. Of course no one knows anything about it. Judge Schroeder was on our streets last Wednesday, and was feeling badly from a gripple. For a time, while milk is so low at the creamery, I will furnish it, delivered, at 10 cents a gallon. R. D. SANFORD.

Harvey James had a finger amputated at Russell Pauter's place last Friday. He was handling some wood, and a helper, who had an ax in his hand, fell, and the edge of the ax lopped off Harvey's finger. Ansel White, who left Santa Cruz early in 1866, is wanted. Any tangible information concerning him will be liberally paid for. Address E. H. O'HARA, No. 469 S. Seventh street, San Jose, California.

The Herald extends sincere congratulations to Mr. and Mrs. Frank Flint (nee Miss Katie Goble) Port Kenyon, Cal. Miss Katie is well known and has many friends here who will wish her happiness. The wedding cake came duly to hand.

"A wolf in sheep's clothing"—the substitute offered by the "center" as being just as good as Ayer's Sarsaparilla. If you don't want to be bitten, insist upon having Ayer's Sarsaparilla, even if it is a little dearer. Depend on it, it will be cheaper for you in the end.

Last Thursday afternoon the Grand Army post at this place and the W. R. C. held a joint meeting and completed arrangements for the observance of Memorial Day. The program will be given later. Comrade Harrington informs us that it is desired to have the schools and civic societies observe the day and attend at the memorial exercises.

To the ladies of Coquille and vicinity.—I have decided to do dressmaking at my home on Cunningham. A share of your patronage is solicited. Will call and take orders, if so desired, but prefer the work at home. Will sew cheap for cash or trade. All work guaranteed. ang] Mrs. BUSKIN.

G. W. James, Holts Davidson, Loren Bidwell and John Doty, prominent citizens of Monmouth, have been visiting and prospecting in this section for some days. Somewhere a storm has been on ever since they came here, and this fact has not presented our capabilities to the best advantage. Mr. James is a comrade of the late war, having served in the 77th Illinois infantry.

"Crucible" is ridiculous and oozed out some gray matter as an editorial in the Coast Mail of last week. He hasn't heard of the whereabouts of Prof. Rork, of late, and therefore feels safe to challenge him, or pet words in his mouth to misrepresent him. Look here, now, bushwacker, by the time the state convention of Republican clubs speaks—within ten days—you will wish you had never come out of your hole and mentioned the free silver question or any other.

"Matron of a Benevolent Home and knowing the good Dr. Miles' Nervine has done me, my wish to help others, overcomes my diffidence for the publicity, this letter may give me. In Nov. and Dec., 1892, The inmates had the 'LaGrippe,' and I was one of the first. Resuming duty soon, with the care of so many sick, I did not regain my health, and in a month I became so debilitated and nervous from sleeplessness and the drafts made on my vitality, that it was a question if I could go on. A dear friend advised me to try Dr. Miles' Restorative Nervine. I took 2 bottles and am happy to say, I am in better health than ever. I still continue its occasional use, as a nerve food, as my work is very trying. A letter addressed to Milwaukee, Wis., will reach me. June 6, 1894. Mrs. LAURA C. PHOENIX.

Dr. Miles' Nervine is sold on a positive guarantee that the first bottle will benefit. All druggists sell it as 25¢ a bottle for 50¢, or it will be sent prepaid, on receipt of price by the Dr. Miles Medical Co., Elkhart, Ind.

The subscribers to the stock of the Clover-Leaf Creamery at Myrtle Point held a meeting last Saturday and organized under their charter.

The Herald gives a startling story today, furnished by responsible parties so far as the known facts are concerned, under the heading, "Death from Starvation." Of course as to the culpability of the party whose name appears as most closely associated with it we are not informed and only official investigation will reveal the fact. And it should be investigated.

State Organizer J. P. Fenster established Sugarloaf Camp, Woodmen of the World, at Myrtle Point last Wednesday. There were 17 charter members, and the following officers were chosen and installed: L. A. Roberts, consul commander; A. J. Walker, adviser; lieutenant; W. L. Dixon, clerk; W. H. Brown, banker; C. J. Smith, escort; J. A. Lehnerr, watchman; E. A. Dodge, sentry. Other officers will be filled at next meeting.

Any one who has ever had an attack of inflammatory rheumatism will rejoice with Mr. J. A. Stumm, 220 Boyle Heights, Los Angeles, over his fortunate escape from a siege of that distressing ailment. Mr. Stumm is foreman of Merriam's confectionery establishment. Some months ago, on leaving the heated workroom to run across the street on an errand, he was caught out in the rain. The result was that when ready to go home that night he was unable to walk, owing to inflammatory rheumatism. He was taken home, and on arrival was placed in front of a good fire and thoroughly rubbed with Chamberlain's Pain Balm. During the evening and night he was repeatedly bathed with this liniment, and by morning was relieved of all rheumatic pains. He now takes especial pleasure in praising Chamberlain's Pain Balm, and always keeps a bottle of it in the house. For sale by Dr. S. L. Leneve, druggist.

Bureau Chemical and Man'g Co., La Crosse, Wis.—Dear Sir: I have been a tobacco fiend for many years, and during the past two years have smoked fifteen to twenty cigars regularly every day. My whole nervous system became affected, until my physician told me I must give up the use of tobacco, for the time being at least. I tried the so-called "Keeley Cure," "No-To-Bac," and various other remedies, but without success, until I accidentally learned of your "Baco-Curo." Three weeks ago today I commenced using your preparation, and today I consider myself completely cured; I am in perfect health, and the horrible craving for tobacco, which every inveterate smoker fully appreciates, has completely left me. I consider your "Baco-Curo" simply wonderful, and can fully recommend it. Yours very truly, C. W. HOSKINS.
