### PART OF THE G. O. P. LOVE FEAST.

The Roseburg Review thinks that  
the contest for the nomination of  
congressman will be between Col.  
Alley, of Lane, and Binger Hermann.  
If the contest is narrowed down to  
a contest between these two, count  
us for Binger Hermann every time.  
If Alley went to congress he would  
probably have his wife sworn in as  
a clerk and a dozen other idlers lol-  
ling around and drawing pay for  
doing nothing. Alley is too expen-  
sive a man for this state. Besides,  
it would be no credit to Oregon to  
send a man to congress who was  
licked out of sight in his own town  
by a woman. Let us send the  
woman first.—Salem Post (Ind. Rep.)

We thank Hon. John H. Mitchell,  
U. S. senator from Oregon, for copy  
of his address—"Oregon: Its His-  
tory, Geography, and Resources,"  
as delivered before the National  
Geographic Society at Washington,  
March 29, 1895, and issued as the  
April number of the National Geo-  
graphic Magazine. It must of neces-  
sity be a brief history to be embraced  
in a lecture, but is no less compre-  
hensive and interesting as a syllabus  
of a great subject. Details are dis-  
pensed with, but the history and  
geography of the state are charm-  
ingly given from its discovery to the  
present time. We thank Mr.  
Mitchell for his kindness.

### Wrenshall Brothers will com- mence next week to finish up the St. John's church.

The steamer Bandorille brought  
up about 90 tons of freight this trip  
including 70 sacks of wool for the  
Bandon Woolen Mills Company.  
Our genial young friend Harry  
Erickson narrowly escaped serious  
injury Wednesday while working  
on the government pile-driver. A  
heavy iron rod fell, striking him on  
the side of the face, inflicting severe  
bruises.

George Lombard, of old Bandon,  
Ireland, arrived here Monday, and  
is looking around. He is a relative  
of the colony from old Bandon  
who settled here and at Marshfield,  
about 20 years ago, including the  
Bennetts, Williamses and Shines.  
He was only 12 days from Queens-  
town, Ireland, to San Francisco.

Superintendent Nickum has a  
force of men at tunneling Lookout  
Rock. They have been at work  
day and night, since last Saturday  
and have made very little progress.  
The tunnel is to be driven in 40  
feet for the purpose of putting in a  
huge blast. The rock is exceed-  
ingly hard and tough and the work  
is progressing correspondingly  
slow. The pile-driver is also  
being made ready for service.

Crescent City, Cal., is consider-  
ing the question of disincorporat-  
ing.

Bandon Recorder: Capt. V. N.  
Perry, who is employed on the  
Dispatch, tried to find the bottom  
of the river Tuesday by going down  
head first. Unlike McGinty, he  
came back.

West Oregonian: Mortgages  
are being foreclosed in Douglas  
county in a few cases, and farms  
that are incumbered for about one-  
fourth their actual value are selling  
for the face of the mortgages bid in  
by the creditors.

West Oregonian: There is quite  
a sensational story in the HERALD  
this week in regard to one Crouch,  
of Camas valley, leaving an old man  
by the name of Dice at or near  
Eden valley to starve to death. If  
the statement is true a just retribu-  
tion should overtake the man that  
would be guilty of such an inhu-  
man act, and the authorities should  
investigate the matter.

### Additional Locals.

Mrs. Pete Johnson is quite sick.  
The steamer Bandorille got out  
last Friday night.

No eastern paper mail reached  
this place this morning.

Mr. and Mrs. McCann are some  
better of an attack of la grippe.

The Coquille creamery received  
11,421 pounds of milk yesterday.

Largest and best assortment of  
candy in town at J. W. Leneve's  
store.

Mrs. Wes Nosler was out this  
morning after her long and severe  
sick spell.

Tom Walker can hardly man-  
ufacture his beehives fast enough  
for the demand.

Johnson Bros are now supply-  
ing fresh-browned peanuts of their  
own preparation.

Dr. Stockman came in alone  
Saturday and yesterday again and  
did a little shopping.

Mrs. Collier was improving for a  
fortnight past, until last week there  
was a change for the worse.

There are rumors of several  
businesses changing to other loca-  
tions by the 1st of next month.

Brette Clark came in from Ten-  
nille Sunday and remained over a  
day or two. Brette is now foreman  
on a 400-acre stock ranch for Wm.  
Noble.

James Cartwright, of Bandon, and  
bride visited in this place two or  
three days last week. The romance  
attending this wedding has not  
been published yet.

Mrs. J. W. Sagg will begin dress-  
making and plain and fancy sew-  
ing at Miss Nellie Figg's millinery  
parlors, and kindly solicits a share  
of the public patronage.

Smith Bailey, a prominent hotel  
keeper and horseman of Roseburg,  
was on our streets last Friday, after  
a long while. He is host of Hotel  
Van Houten at Roseburg and is  
widely known.

Lyons' mill received another or-  
der last week from southern Cali-  
fornia, from the Santa Fe, and be-  
gan shipping Friday by rail to the  
bay, where the large steam schooner  
Excelsior awaited the lumber.

The man Moyatt, who operated  
here in locating timber claims a  
brief while, about two years since,  
is again in jail at Portland indicted  
under two counts for fraudulent  
practices in entering government  
lands.

Marshal Johnson has condemned  
the sidewalk crossing the gulch on  
Elliott street, between the public  
school building and Uncle Billy  
Way's, and the steps leading down  
to the same, and warns the public  
of their danger.

C. Wilkins, our photographer,  
Ucle Provit Dean and Bert Dean  
left last Friday for mining opera-  
tions on the Middle Sixes. The  
two former are experienced pros-  
pectors and are very hopeful of  
successful operations.

J. H. Yager, the popular hard-  
ware merchant of Bandon, and wife  
were in town a short while last Sat-  
urday, on their return home from  
a visit to friends on the upper river.  
Mr. Y. had a slight attack of la  
grippe, but was feeling better.

If three or four or more of our  
woodworkers who are idle so much  
of the time would co-operate in  
establishing a furniture factory, they  
could undoubtedly find en-  
couragement from San Francisco  
and Portland firms, in addition to  
their home trade.

NOTICE.—A meeting of the board  
of directors of the Coos County  
Mercantile & Shipping Association  
is hereby called to be held in Co-  
quille City, Friday, May 24, 1895,  
at 2 o'clock p. m. By order of  
W. DRANE, Pres't.  
J. H. James, secretary.

Capt. Parker was taken suddenly  
sick Wednesday of last week and  
called Dr. Rendor of Myrtle Point,  
who took the steamer at this place  
and promptly responded. It was  
only a short while till a change  
for the better was announced.  
We learn that it was la grippe.

Justice of the Peace Cecil came  
near having a case last Saturday.  
A white man, brakeman on the train,  
sought to make complaint against  
a negro at Beaver Hill. The  
trouble grew out of a quarrel be-  
tween two negroes at Beaver Hill  
Friday night, and this white man  
kindly interfered to keep the peace,  
when this colored brother drew a  
pistol on him and threatened to do  
him up. But the case didn't come  
up, from some cause, and probably  
it is a saving to the county that it  
didn't.

The steamer Bandorille, when  
here last week, discharged among  
other freight 40 large steel ranges,  
which were placed in the ware-  
house. Ben P. Scott came in from  
Grants Pass and took charge of  
them, and last Saturday three ex-  
press wagons, each in charge of a  
driver, rached this place. Yester-  
day morning these agents each  
loaded up their wagon and started  
out in different directions to can-  
vass for the sale of these ranges.  
A reading notice of them, includ-  
ing the names of several promi-  
nent valley citizens giving endorse-  
ment of the ranges, appears today.

### District Court

Opened at Empire Monday, 6th  
inst., with a large attendance.  
Business was opened promptly by  
Judge Fullerton, as the docket was  
very large, and some very impor-  
tant civil and criminal cases were to  
be tried. J. B. Dully, of Samner,  
was appointed foreman of the  
grand-jury, which comprised the  
following citizens: J. D. Clinton,  
John Lester, L. C. Gibson, J. F.  
Mast, N. W. Leneve and J. H. Jones.

A true bill having been returned  
against Walter J. White, for lar-  
ceny from a dwelling, he pleaded  
guilty and was sentenced to impris-  
onment in the county jail for one  
month.

The Hatcher case was called and  
most of Tuesday was occupied in  
selecting a jury. This was com-  
pleted Wednesday, a session of the  
court having been held Tuesday  
night. District Attorney Brown is  
assisted by Gen. Siglin in the pro-  
secution, while Judge Watson and  
Judge Phillips conducted the de-  
fense. The jury consisted of W. M.  
Hite, C. E. Gilbert, C. I. Kima, W.  
F. Kight, Wm. Lawhorn, S. S.  
Eddicott, J. L. Randleman, Norris  
Jensen, William Deamer, B. F.  
Swaenring, James Wall and S. J.  
McCannell.

[Up to this, Tuesday, morning  
Judge Fullerton had not passed  
sentence upon Amos Hatcher. Ap-  
peal papers are ready to be filed,  
but all further action is held in  
abeyance awaiting that of the gov-  
ernor on the petitions for pardon.]

The case of the state vs. John  
Manning came up last Wednesday  
and was proceeding with Hon. A.  
M. Crawford, of Roseburg, defend-  
ing—appointed by the court and  
accepted by Manning, who at first  
intended to conduct his own de-  
fense. The case was well advanced,  
when W. Hite, of the Coquille, had  
to be excused on account of the  
serious sickness of his wife, and  
this necessitated a new jury and  
rehearing of the case. Manning  
also excused his counsel, having  
again concluded to manage his own  
defense.

City Council Meeting—New Board  
Sworn In.

The city fathers held their last  
and first meeting—the regular  
annual meeting—at the city hall  
yesterday, the 2d Monday in May.

The old board were all present—  
President Goodman, and Trustees  
Brown, Drane, Harrington and  
Perry; also Recorder Myers, Mar-  
shal Johnson, Treasurer Leneve  
and City Engineer Kanematz.

Minutes of last meeting were  
read and approved.

City Treasurer Leneve's report  
was accepted and filed.

The following bills were allowed:  
J. Whetstone, \$1.50; J. A. Lyons,  
\$15.40; S. L. Leneve, \$3; T. R. Wil-  
lard, \$3; G. W. Norton, \$3; J. P.  
Goodman, \$3; J. H. Cecil, \$3; S. L.  
Leneve, treasurer, \$27; D. H. John-  
son, marshal, \$28.

At this juncture the new board or-  
ganized, Trustee Harrington retir-  
ing. N. Lorenz, the newly-elected  
trustee, joined with Goodman,  
Brown, Drane and Perry, re-  
elected, and were sworn in.

J. P. Goodman was chosen pres-  
ident of the board; Dr. S. L. Len-  
eve was re-elected treasurer. City  
Recorder Myers and Marshal John-  
son each filed their bonds and  
qualified.

An account of \$11.50 was allowed  
to Recorder Myers, for extra ser-  
vices.

On motion of Perry, an order  
was made for property-owners of  
lots 5 and 6, block 4 (old plat), on  
First street, between B and C  
(known as Mrs. Robinson's and the  
Olive lots), to lower the sidewalks  
thereon to the grade of 12 inches  
above the street grade.

On motion, adjourned.

Our Kids went to Myrtle Point  
Sunday to play the Kids there in a  
game of baseball, and came home  
worsted. The score was 28 to 38.  
Our boys complain, however, that  
the Myrtle Point "kids" are full  
grown men, some of them good  
players, and also changed their  
pitcher, while the Coquille pitcher  
was tired out and they were not  
allowed to rest him.

Bandon vs. Empire City, the first  
of the league games, took place at  
Empire last Sunday, resulting in  
the defeat of the Bandon nine, 12  
to 10. The next league game will  
take place at Bandon next Sunday,  
between the Bandon and Coquille  
nines, for which the steamer Dis-  
patch will give an excursion.

The subscribers to the stock of  
the Clover-Leaf Creamery at Myrtle  
Point met Thursday of last week,  
but adjourned to meet later, after  
the appointment of a committee to  
prepare by-laws and dispose of six  
additional shares of stock.

Mrs. Rachael E. Babb, of San  
Francisco, arrived Saturday even-  
ing per steamer Arago and went up  
to Myrtle Point to visit her mother,  
Mrs. E. Hoffman, and brother, J.  
Hoffman.

It is now the intention to run a  
night train for the purpose of haul-  
ing logs from Yoakam's camp,  
above this place, to Dean & Co's  
mill on the bay.

The schooner Danielson has been  
loading at Price Bros' mill and is  
ready to sail for San Francisco.  
The schooner Berwick is looked  
for.

### Nervous

People should realize that the only  
true and permanent cure for their  
condition is to be found in having  
**Pure Blood**

Because the health of every organ and  
tissue of the body depends upon the  
purity of the blood. The whole world  
knows the standard blood purifier is

### Hood's Sarsaparilla

And therefore it is the only true and  
reliable medicine for nervous people.  
It makes the blood pure and healthy,  
and thus cures nervousness, makes  
the nerves firm and strong, gives sweet  
sleep, mental vigor, a good appetite,  
perfect digestion. It does all this, and  
cures Scrofula, Eczema, or Salt Rheum,  
and all other blood diseases, because it

THE BLUE AND THE GRAY.  
Denver, May 2.—Before the G. A.  
A. R. encampment of Colorado and  
Wyoming convened today, there  
was much discussion among the  
veterans in attendance on the re-  
commendation made by Depart-  
ment Commander Rollins for the  
appointment of a committee to  
prepare a memorial to the next  
national encampment in favor of  
extending financial aid to the Con-  
federate veterans. The suggestion  
was generally received with favor,  
and leading members expressed  
the opinion that the principal advo-  
cated by General Rollins will re-  
ceive the endorsement of the en-  
campment which resumed its secret  
session at 10 o'clock today.

The impression that has got  
abroad that General Rollins favored  
extending pensions to Confederate  
veterans is incorrect. What he  
proposed was the establishment of  
a home for indigent and suffering  
southern veterans.

THE QUEEN MAY ABDICATE.  
London, May 9.—Much gossip is  
heard with regard to the 76th birth-  
day anniversary on May 24. It is  
not so much the festivities which  
are to be connected with this event  
which form the subject of gossip  
as the fact that it is freely rumored  
that her majesty will abdicate on  
that day, and after that the Prince  
of Wales will reign as King Ed-  
ward VIII. It is learned that the  
queen expressed her desire to abdi-  
cate at a meeting not long ago, at  
which the Prince of Wales, Lord  
Roseberry and at least two members  
of the cabinet were present.

If her majesty surrenders the  
crown on that day she will have  
reigned 68 years, the longest reign  
of any monarch of the 19th century.

VICTIM OF THE BOARD OF TRADE.  
Eau Claire, Wis., May 8.—Judge  
Bailey today sentenced embezzler  
Harry B. McMasters to two years  
in prison with hard labor. He  
declared the only way to suppress  
such cases of embezzlement was to  
strike at the root of public gam-  
bling. The Chicago board of trade,  
he believed, had caused more mis-  
ery, ruined more men and wrecked  
more families than the civil war,  
yet it was endorsed by the public  
and when Senator Washburn raised  
his voice against it he was thrown  
out of office.

A CIVIL WAR IS FEARED.  
Gainesville, Tex., May 9.—The  
national courts convened yesterday  
at Tishomingo, the capital of the  
Chickasaw nation. A serious  
state of affairs exists which may  
precipitate civil war. There are  
two sets of officers throughout  
from judge down, and a clash seems  
inevitable, as both sides are obsti-  
nate and do not seem inclined to  
yield in the least. The factions  
are heavily armed. A single shot  
fired means a bloody feud. The  
governor's offers of mediation  
have been rejected.

EMBEZZLER SENTENCED  
San Francisco, May 10.—John W.  
Flood, ex-cashier of the Donohoe-  
Kelly bank, was sentenced to seven  
years at San Quentin. Flood is  
accused of embezzling \$167,000.

don't object to those games myself.

gentleman ought to be afforded an  
opportunity to learn the rudiments  
of poker.

trap in the dark last night.

### BEING ROBBED BY LAWYERS.

Senator Dolph Charges He and Ap-  
peals His Case Thereon.

Peudleton, May 6.—Chief Justice  
Bean and Associate Judges Moore  
and Wolverton opened the May  
term of the eastern Oregon su-  
preme court this morning with  
twenty-eight cases on the docket.  
The appeal from Union county in  
the case of the Oregon Gold Min-  
ing company, involving property  
worth half a million, was taken up.  
Ex-Senator Dolph appears for  
Smith, plaintiff, against the com-  
pany. A scene was enacted during  
the argument. The point at issue  
was that of allowing \$5500 attorney  
fees granted by the decree of the  
circuit court and from which Dolph  
appealed. He characterized the  
lower court officers and attorneys  
as acting in conspiracy to rob his  
client Smith. This was hotly re-  
sented by T. H. Crawford, oppos-  
ing counsel, who said he was sur-  
prised to hear such accusations  
from one of Mr. Dolph's standing.  
The affair caused considerable feel-  
ing among the attorneys.

### Nervous Prostration.

E. W. JOY COMPANY—Gentlemen:  
I have suffered from a nervous pro-  
stration from financial losses. Can  
say Joy's Vegetable Sarsaparilla has  
cured me. My liver, stomach and  
bowels have been very inactive, but  
since taking your remedy I am  
entirely well. All business men  
and women should use it. Please
