Bessie H. Bedloe, Burlington, Vt., had a disease of the scalp, causing her hair to become very harsh and dry, and to fall so freely that she scarcely dared to comb it. Ayer's Hair Vigor gave her a healthy scalp, removed the dandruff, and made the hair thick and glossy.

The shingle mill showed signs last week of nearing readiness to begin work. On Wednesday evening the engine sent out the first whistle, and this has been followed up each evening following, while other machinery is being arranged. We suppose we are to have the broomhandle factory. Now for a furniture factory.

P. Chartrang and wife, a couple of elderly people from southern California, came in on the train from the bay a few days since, and after visiting at Gold Beach and Port Orford during the storm, returned to this place last Thursday again. They have been looking for a small place that would suit them and seem to like Coquille and this section very much.

Our friends at Bandon were at the height of self-congratulations at the return of Judge Dyer and son to business relations with them, but it lasted quick, for they have disposed of their store and warehouse to Chris Long and R. H. Mast, who will serve them instead. And yet Bandon is to be congratulated, for Messrs. Long and Mast are first-rate citizens, good business men and popular.

Catarrh.

E. W. JOY COMPANY—Gentlemen: I have just completed the second bottle of your VegetableSarsaparilla. I have had catarrh for years which affected my eyes, hearing and stomach. Frequently would have dull headaches for days at a time. Since taking your remedy I have felt no disagreeable symptoms.

Trusting you will publish this as I want any one suffering from any of the above symptoms to be benefited. Kindly send me two more bottles by return express. (Signed)

E. B. Price, esq., and wife and little daughter, of Iowa, arrived here on a visit last Saturday near noon. Mr. P. is a brother of our Mr. Price, and uncle of the Price Bro's, the mill men at Riverton, and will be remembered by many of the HERALD readers in a literary way as having contributed several very readable and meritorious poems a few years ago. We hope their visit will be pleasant, and would even express the wish that they might see their way clear to locate with us.

Home Comfort Steel Ranges.

The Home Comfort Steel Range, manufactured by Wrought Iron Range Co. of St. Louis, Mo., is made of the best cold rolled steel and malleable iron. All flues are lined with asbestos, and it is warranted not to warp or break from heat or other cause. There are thousands of them in use in the state of Oregon. They give universal satisfaction and last a lifetime. Below we publish a testimonial signed by over 500 people who have used Home Comforts for over seven years.

To Whom it May Concern: We, each, having been using a Home Comfort Range purchased of Wrought Iron Range Co. for over seven years. We have found them perfect. They bake uniformly, consume very little fuel and heat up quickly. After seven years constant use, they are as good as new. Have never needed any repairs, and from present appearances will not need any for years to come. We cheerfully recommend the Home Comfort and the company selling it.

Mrs. J. P. Bell, Ossawatomie, Kan., wife of the editor of The Graphic, the leading local paper of Miami county, writes *"I was troubled with heart disease* for six years, severe palpitations, shortness of breath, together with such extreme nervousness, that, at times I would walk the floor nearly all night. We consulted the best medical talent. *They said there was no help for me,* that I had organic disease of the heart for which there was no remedy. I had read your advertisement in The Graphic and a year ago, as a last resort, tried one bottle of *Dr. Miles' New Cure for the Heart,* which convinced me that there was true merit in it. I took three bottles each of the Heart Cure and Restorative Nervine and *It completely cured me. I sleep* well at night, my heart beats regularly and I have no more smothering spells. I wish to say to all who are suffering as I did; there's relief untold for them if they will only give your remedies just one trial."

Dr. Miles Heart Cure is sold on a positive guarantee that the first bottle will benefit. All druggists sell it at $1, 6 bottles for $5, or it will be sent, prepaid, on receipt of price by the Dr. Miles Medical Co., Elkhart, Ind.

Johnson Bro's have placed a soda fountain in position at their market and can furnish all the delicious and refreshing summer drinks at all hours.

We have at this office on exhibition a model for a gold-saving machine, the invention of our townsman, J. C. Wilson, a skilled mechanic and with some experience in the mines. He refuses to patent the idea on account of its simplicity, hence it is open to all and for such improvements or modification as experience and genius may suggest. It is based on the old "washpan" idea, the correctness and successful operation of which no one disputes, but only that it was too slow. We have in this model five pans being operated by one person, thus increasing to that extent the one-man power. These are operated by crank, or can have water or other power attached. Moreover, in operating in sand the pans can be copper, or with copper plates and quicksilver, and the feeding is through a funnel into the upper pan, and what overflows goes into a lower, larger pan to the number that are in use and must save all the gold.

Notice.

Notice is hereby given that an ordinance will be submitted to the town board of councilmen on the 16th day of May, 1895, for final passage, changing the grade of sidewalks above street-plank on First street (old plat of Coquille City) between B street and C street to 12 inches where grading is required.

Any one who has ever had an attack of inflamatory rheumatism will rejoice with Mr. J. A Stumm, 220 Boyle Heights, Los Angeles, over his fortunate escape from a siege of that distressing ailment. Mr. Stumm is foreman of Merriam's confectionery establishment. Some months ago, on leaving the heated workroom to run across the street on an errand, he was caught out in the rain. The result was that when ready to go home that night he was unable to walk, owing to inflamatory rheumatism. He was taken home, and on arrival was placed in front of a good fire and thoroughly rubbed with Chamberlain's Pain Balm. During the evening and night he was repeatedly bathed with this liniment, and by morning was relieved of all rheumatic pains. He now takes especial pleasure in praising Chamberlain's Pain Balm, and always keeps a bottle of it in the house. For sale by Dr. S. L. Leneve, druggist.

TENTS MADE TO ORDER.
TENTING MATERIAL

The news of the conviction of Amos Hatcher for manslaughter in district court last Thursday had hardly reached us till petitions were presented for signatures asking the governor to issue a pardon before sentence was passed. The petition was headed by the jurors who returned a verdict of guilty, and is said to have had the endorsement of Judge Fullerton who would accompany the same with a personal letter in Hatcher's behalf. As for the letter, we do not know the fact, it reaches us as a rumor, but this instance goes far to show what a pretty pickle our court practice has come to, when the jury, with whom is "all power," is compelled to convict a man of crime whom they do not believe is guilty.

DON'T STOP TOBACCO

IT'S INJURIOUS TO STOP SUDDENLY and don't be imposed upon by buying a remedy that requires you to do so, as it is nothing more than a substitue. In the sudden stoppage of tobacco you must have some stimulant, and in most all cases, the effect of the stimulant, be it opium, morphine, or other opiates, leaves a far worse habit contractad. Ask your druggist about BACO-CURO. It is purely vegetable. You do not have to stop using tobacco with BA CO-CURO. It will notify you when to stop and your desire for tobacco will cease. Your system will be as free from nicotine as the day before you took your first chew or smoke. An iron-clad written guarantee to absolutely cure the tobacco habit in all its forms, or money refunded. Price $1 per box, or 3 boxes (30 days treatment and guaranteed cure,) $2.50 For sale by all druggists or will be sent by mail upon receipt of price. SEND SIX TWO-CENT STAMPS FOR SAMPLE BOX. Eureka Chemical and Man'f'g Co., La Crosse, Wis.—Dear Sirs: I have been a tobacco fiend for many years, and during the past two years have smoked fifteen to twenty cigars regularly every day. My whole nervous system became affected, until my physician told me I must give up the use of tobacco, for the time being at least. I tried the so-called "Keeley Cure," "No-To-Bac," and various other remedies, but without success, until I accidentally learned of your "Baco-Curo." Three weeks ago today I commenced using your preparation, and today I consider myself completely cured; I am in perfect health, and the horrible craving for tobacco, which every inveterate smoker fully appreciates, has completely left me. I consider your "Baco-Curo" simply wonderful, and can fully recommend it. Yours very truly,
C. W. HORNICK.
