Table with 2 columns: Departure/Arrival times and destinations (Marshfield, Coquille City, Myrtle Point).

LOCAL ITEMS.

Additional locals on 2d page. The Good Templars meet tonight. For a clean and easy shave, go to McDonald.

Miss Lizzie Buzan returned to the bay last week. Miss Nellie Sackett returned from the bay last Friday.

Will Price came up from River-ton and spent Saturday with us. The excursionists to the beach last Sunday had a pleasant day.

More property changing hands—more business projects in view. Miss Noonie Hudson has gone to Bandon to live with Mrs. Capt. Lockwood.

Will Wilson carries himself at a parental gait and receives congratulations from all sides. Mrs. Marshall Way and little daughter, Lilly, made a visit to friends at Bandon last week.

Arthur Segway, formerly resident on the bay, returned from a trip to Portland Sunday and will hold a position at Beaver Hill. The schooner Long came into the river last Wednesday evening and was expected to load at Lyons' mill, but expectation slipped a cog.

If ever a man feels like "a poor worm of the dust," it is when he suffers from that tired feeling. Ayer's Sarsaparilla removes this discouraging physical condition and imparts the thrill of new life and energy to every nerve, tissue, muscle, and fibre of the whole body.

Prof. W. Wrenshall and brother Howard were up from Bandon yesterday, closing the transfer of their residence property here to Mr. Gray. The Wrenshall brothers, we understand, expect to return to England soon to take possession of an estate left to them on the death of their father, who was a prominent citizen.

The Herald is glad to record the acquisition of C. L. Gray, a prominent citizen and business man of Myrtle Point, and family, recently of Grants Pass, to citizenship in Coquille City. Mr. G. has purchased both business and residence property, and stands high in business and social circles, hence we are all the more pleased at gaining such citizens and neighbors.

The Miller "Monitor" Range, manufactured at Cincinnati, Ohio, is on exhibition at Lamb & Nosler's hardware store. If you want to see and invest in a range without a superior in strength and beauty of finish, in serviceable qualities for baking and cooking, and for use of either wood or coal, call at Lamb & Nosler's.

Mrs. Ada W. Unruh, national organizer of the W. C. T. U., will lecture at the Methodist church in this place at 2:30 p. m. Friday, to the ladies of the W. C. T. U., to ladies only Saturday afternoon at 3 o'clock, to the general public Saturday evening, to the children Sunday morning at 11 o'clock, and to the general public again Sunday night. The public is cordially invited to be present at these public lectures. Mrs. Unruh is a bright, eloquent and interesting platform lecturer, commended by leading citizens in all parts of this state and by the public press. Don't fail to hear her.

St. Jacobs Oil is made to cure RHEUMATISM

The shingle mill will begin operations soon. B. J. Harrison is ditching some for R. D. Sanford. The Empire nine will play a league game with the Coquille nine at this place next Sunday.

Morris Bro's are handling an immense number of logs, and to facilitate business are ironing their track from the camp to the mill. For a time, while milk is so low at the creamery, I will furnish it, delivered, at 10 cents a gallon.

R. M. Wieder has returned home to the bay. He has concluded that he likes Oregon the best and will abandon the idea of locating in California. "The flowers that bloom in the spring" are not more vigorous than are those persons who purify their blood with Ayer's Sarsaparilla.

Another trainload of 21 logs was taken over to the bay Saturday from Yoakam's camp, and another yesterday of about the same number of logs. Mrs. Elbert Dyer and little daughter, of Bandon, recently of Santa Clara county, Cal., have been visiting her aunt, Mrs. R. E. Buck, for several days.

Mrs. Beatty, of Minneapolis, niece of Mr. and Mrs. E. B. Price, is on a visit at River-ton. If she likes the location and surroundings she will be joined by her husband, who will start a hotel. Mr. E. B. Price and family, recently arrived at River-ton from Iowa, received a serenade from their local musicians, and other evidences of welcome by the good people of that place.

J. S. Schott and S. L. Jessup announced an exhibition of magic-lantern scenes at Masonic hall last Saturday night, but it failed. It was probably a good thing, but poorly advertised, very few knowing anything about it. West Oregonian: Grandpa Braden filed a homestead and proved up on it in 1880, but cannot get his patent. The Coos bay wagon-road company want to hold it. Mr. Braden settled on the land before that road was thought of.

A new 2-story business building is about to be put up on a lot of Mrs. Kronenberg's, on First street. It will be between Lorenz's store and the postoffice building, 25x65 feet, arranged for offices on second story and for merchandising below. Our Trombone band, acknowledged to be the best in southwest Oregon and equal to the best in the state, is still open for engagement for the 4th of July. It would be a drawing card in the community which secures its services on that day.

FOR SALE.—Nice residence property, new house and nicely and conveniently located for residence, on Hall street, one door south of HERALD office. For further information enquire of or address, S. L. LENEVE, 31-3m]. The presses and material of the West Oregonian office at Myrtle Point have been disposed of to the Bulletin at this place and are being moved down. The Bulletin will occupy new quarters in the Red Front building, on First street.

To the ladies of Coquille and vicinity.—I have decided to do dressmaking at my home on Cunninghamham. A share of your patronage is solicited. Will call and take orders, if so desired, but prefer the work at home. Will sew cheap for cash or trade. All work guaranteed. ang1 Mrs. BUSKIRK. The Bandon Recorder notes this feature of our court proceedings: Eight of the ten persons taken from here to Empire for jurors Wednesday last, in the C. B. Owens case, returned yesterday, only two, Alec Erickson and Mr. Jenkins, being called on to serve. The jury was selected from the first thirteen persons called. There was some thirty jurors called and as each one is entitled to one day's fees and mileage the selection of that jury alone will cost Coos county about \$280. By the time the bills are footed up for the criminal cases the taxpayers are punished worse than most of the parties who have been tried for wrong doing.

Weak, Irritable, Tired

"I Was No Good on Earth." Dr. Miles' Nervine strengthens the weak, builds up the broken down constitution, and permanently cures every kind of nervous disease. "About one year ago I was afflicted with nervousness, sleeplessness, creeping sensation in my legs, slight palpitation of my heart, distracting confusion of the mind, serious loss or lapse of memory. Weighted down with care and worry, I completely lost appetite and felt my vitality searing out. I was weak, irritable and tired. My weight was reduced to 100 lbs. In fact I was no good, on earth. A friend brought me Dr. Miles' book, 'Now and Starting Facts,' and I finally decided to try a bottle of Dr. Miles' Restorative Nervine. Before I had taken one bottle I could sleep as well as a 10-year-old boy. My appetite returned greatly increased. When I had taken the sixth bottle my weight increased to 170 lbs. The sensation in my legs was gone; my nerves steadied completely; my memory was fully restored. My brain seemed clearer than ever. I felt as good as any man on earth. Dr. Miles' Restorative Nervine is a great medicine, I assure you." August, Mo. WALTER R. BURBANK. Dr. Miles' Nervine is sold on a positive guarantee that the first bottle will benefit. All druggists sell it at \$1.00 per bottle, or it will be sent, prepaid, on receipt of price by Dr. Miles Medical Co., Elkhart, Ind.

Dr. Miles' Nervine Restores Health

Sudden and Sad Death. Yesterday morning our old friend and fellow townsman, Uncle John Rimmer, took the train for Myrtle Point, on his accustomed trip to consult his physician, Dr. Reader. The old gentleman was feeling very poorly, being much broken down with his complaint, Bright's disease, and had a pain in his side for some time preceding this trip. He reached his destination, and while setting in the hotel toward evening, holding converse with acquaintances and passing persons, he suddenly gave a gasp and sank in his chair. Capt. Leneve happened to step in only a moment before, spoke to Uncle John, and witnessed this occurrence. The captain at once telephoned to friends here. His remains will be brought here and the funeral take place tomorrow on the arrival of the steamers from the upper river, under the auspices of the Odd Fellows, of which order he was an old, faithful and respected member.

We have not much data in Uncle John Rimmer's life. He has been a resident in Coos county for many years, as far back as the early '70s, a quiet, peaceable and lovable citizen and neighbor. He was from Tennessee, and leaves two or three brothers in different states, a nephew, Geo. E. Rimmer, to whom he was much attached, living at Jensen, Sebastian county, Arkansas, and probably two or three other relatives in the Indian territory, not far from Fort Smith. We do not know his age, exactly, but it was probably 70. We shall all miss Uncle John Rimmer. Peace to his ashes.

All druggists guarantee Dr. Miles' Pain Expeller to stop Headache. "One cent a dose." Notice to Dairymen. Patrons not belonging to the Coquille Dairymen's Union will receive 11 cents per pound butterfat in milk delivered at Coquille Creamery from May 1st until further notice. Parties residing on the lower river and wishing to send their milk to Coquille Creamery can have the milk carried by steamer "Dispatch" at a rate of 5 cents per 100 lbs. to Coquille City from whence it will be taken by other conveyance.

If you don't think that Coquille does any business, be at our wharf at noon six days in each week and console yourself with the thought that all the goods being received and going out on three or four boats is being handled merely "for the fun of it."

Peter Loggie, Bandon's popular architect and contractor, passed through to the bay last Friday, having been captured for jury service at district court.

A tough at Bandon opened the spring athletic sports at that place late last week with one of the citizens there, getting worried, tackled one of our Coquille boys at the baseball game Sunday and got swiped, and later on the same day was taken in hand by another fellow-citizen at his home and had an ocular demonstration and a dental operation performed on his mug.

Any one who has ever had an attack of inflammatory rheumatism will rejoice with Mr. J. A. Stumm, 220 Boyle Heights, Los Angeles, over his fortunate escape from a siege of that distressing ailment. Mr. Stumm is foreman of Merriam's confectionery establishment. Some months ago, on leaving the heated workshop to run across the street on an errand, he was caught out in the rain. The result was that when ready to go home that night he was unable to walk, owing to inflammatory rheumatism. He was taken home, and on arrival was placed in front of a good fire and thoroughly rubbed with Chamberlain's Pain Balm. During the evening and night he was repeatedly bathed with this liniment, and by morning was relieved of all rheumatic pains. He now takes especial pleasure in praising Chamberlain's Pain Balm, and always keeps a bottle of it in the house. For sale by Dr. S. L. Leneve, druggist.

"Heavens, Marie! Was that photograph open during a cat fight?" "No; I turned it on last night when you were sleeping. Perhaps you will believe now that you snore."

Office of the PIONEER PRESS COMPANY, C. W. Hornick, Sept., St. Paul, Minn., Sept. 7, 1894. Bureka Chemical and Man'g Co., La Crosse, Wis.—Dear Sirs: I have been a tobacco fiend for many years, and during the past two years have smoked fifteen to twenty cigars regularly every day. My whole nervous system became affected, until my physician told me I must give up the use of tobacco, for the time being at least. I tried the so-called "Keeley Cure," "No-To-Bac," and various other remedies, but without success, until I accidentally learned of your "Baco-Curo." Three weeks ago today I commenced using your preparation, and today I consider myself completely cured; I am in perfect health, and the horrible craving for tobacco, which every inveterate smoker fully appreciates, has completely left me. I consider your "Baco-Curo" simply wonderful, and can fully recommend it. Yours very truly, C. W. HONICK.

DO NOT STOP TOBACCO IT'S INJURIOUS TO STOP SUDDENLY and don't be imposed upon by buying a remedy that requires you to do so, as it is nothing more than a substitute. In the sudden stoppage of tobacco you must have some stimulant, and in most all cases, the effect of the stimulant, be it opium, morphine, or other opiates, leaves a far worse habit contracted. Ask your druggist about BACO-CURO. It is purely vegetable. You do not have to stop using tobacco with BACO-CURO. It will notify you when to stop and your desire for tobacco will cease. Your system will be as free from nicotine as the day before you took your first chew or smoke. An iron-clad written guarantee to absolutely cure the tobacco habit in all its forms, or money refunded. Price \$1 per box, or 3 boxes (30 days treatment and guaranteed cure) \$2.50. For sale by all druggists or will be sent by mail upon receipt of price. SEND SIX TWO-CENT STAMPS FOR SAMPLE BOX. Booklets and proofs free. EUREKA CHEMICAL & MFG CO., La Crosse, Wis.
