Capt. Alex Smith is a "goldbug," but, then, he has cause to be. He was down last Friday exhibiting more specimens from his mine, and to say that he has a "bonanza" is putting it mildly. If it pans out a small proportion of the indications, it will be ahead of southern Oregon's best efforts.

HEART DISEASE, like many other ailments when they have taken hold of the system, never gets better of its own accord, but *Constantly grows worse.* There are thousands who know they have a defective heart, but will not admit the fact. They don't want their friends to worry, and *Don't know what to take for it,* as they have been told time and again that heart disease was incurable. Such was the case of Mr. Silas Farley of Dyesville, Ohio who writes June 19, 1894, as follows:

"I had heart disease for 23 years, my heart hurting me almost continually. The first 15 years I doctored all the time, trying several physicians and remedies, until my last doctor told me it was only a question of time as I could not be cured. I gradually grew worse, very weak, and completely discouraged, until I lived, propped half up in bed, because I *couldn't lie down* nor sit up. Thinking my time had come I told my family what I wanted done when I was gone. But on the first day of March on the recommendation of Mrs. Fannie Jones, of Anderson, Ind., I commenced taking *Dr. Miles' New Cure for the Heart* and wonderful to tell, in ten days I was working at light work and on March 19 commenced framing a barn, which is heavy work, and I hav'nt lost a day since. I am 56 years old, 6 ft. 4½ inches and weigh 250lbs. *I believe I am fully cured,* and I am now only anxious that everyone shall know of your wonderful remedies."

Dyesville, Ohio. SILAS FARLEY.

Dr. Miles Heart Cure is sold on a positive guarantee that the first bottle will benefit. All druggists sell it at $1, 6 bottles for $5 or it will be sent, prepaid, on receipt of price by the Dr. Miles Medical Co., Elkhart, Ind.

Testimonials for Lewis' Rheumatic Liniment.

W. T. Lewis, Manufacturer Lewis' Liniment, Myrtle Point, Oregon:
DEAR SIR: I have been troubled with Rheumatism in my shoulders, neck and back for many years, and have been trying numerous remedies, but have found no good result from their use. I was advised by a friend to try Lewis' Great Rheumatic Liniment, and I tried an application which cost me nothing, and I was so greatly benefited that I came back and tried it again and have been greatly benefited, to such an extent that I have now been trying it for ten days and have been relieved of all pain in my shoulders and neck, and I firmly believe I will be permanently cured by the use of your liniment. I can recommend it to the public. I am 62 years old.
Yours truly, JOHN BARTELL,
Farmer.

DEAR SIR: I had my hand severely sprained and it swelled to twice its natural size, and I was advised to try a bottle of Lewis' Great Rheumatic Liniment and Pain Eradicator and I have tried it. I was greatly relieved of pain from first application, and haven't used a bottle, and my hand is reduced to its natural size and is now free from pain.
I recommend it to anyone with like trouble. I also recommend it for rheumatism, having seen it tried on a young man stopping with of me. It gave relief from one application. Yours respectfully,
JOSEPH F. NOYES,
City Marshal.

Any one who has ever had an attack of inflamatory rheumatism will rejoice with Mr. J. A Stumm, 220 Boyle Heights, Los Angeles, over his fortunate escape from a siege of that distressing ailment. Mr. Stumm is foreman of Merriam's confectionery establishment. Some months ago, on leaving the heated workroom to run across the street on an errand, he was caught out in the rain. The result was that when ready to go home that night he was unable to walk, owing to inflamatory rheumatism. He was taken home, and on arrival was placed in front of a good fire and thoroughly rubbed with Chamberlain's Pain Balm. During the evening and night he was repeatedly bathed with this liniment, and by morning was relieved of all rheumatic pains. He now takes especial pleasure in praising Chamberlain's Pain Balm, and always keeps a bottle of it in the house. For sale by Dr. S. L. Leneve, druggist.

DON'T STOP TOBACCO

IT'S INJURIOUS TO STOP SUDDENLY and don't be imposed upon by buying a remedy that requires you to do so, as it is nothing more than a substitue. In the sudden stoppage of tobacco you must have some stimulant, and in most all cases, the effect of the stimulant, be it opium, morphine, or other opiates, leaves a far worse habit contractad. Ask your druggist about BACO-CURO. It is purely vegetable. You do not have to stop using tobacco with BA CO-CURO. It will notify you when to stop and your desire for tobacco will cease. Your system will be as free from nicotine as the day before you took your first chew or smoke. An iron-clad written guarantee to absolutely cure the tobacco habit in all its forms, or money refunded. Price $1 per box, or 3 boxes (30 days treatment and guaranteed cure,) $2.50 For sale by all druggists or will be sent by mail upon receipt of price. SEND SIX TWO-CENT STAMPS FOR SAMPLE BOX. Office of THE PIONEER PRESS COMPANY, C. W. Hornick, Supt., St. Paul, Minn., Sept. 7, 1894.
Eureka Chemical and Man'f'g Co., La Crosse, Wis.—Dear Sirs: I have been a tobacco fiend for many years, and during the past two years have smoked fifteen to twenty cigars regularly every day. My whole nervous system became affected, until my physician told me I must give up the use of tobacco, for the time being at least. I tried the so-called "Keeley Cure," "No-To-Bac," and various other remedies, but without success, until I accidentally learned of your "Baco-Curo." Three weeks ago today I commenced using your preparation, and today I consider myself completely cured; I am in perfect health, and the horrible craving for tobacco, which every inveterate smoker fully appreciates, has completely left me. I consider your "Baco-Curo" simply wonderful, and can fully recommend it. Yours very truly,
C. W. HORNICK.
