Capt. Winant made us a pleasant call last Saturday. The steamer Bandonville harbored at Coos bay early last week during a storm she encountered after leaving this river. He met there several other storm-staid vessels, including some three or four that were built on this river, which would like to return here and freight between the Coquille and San Francisco regularly.

To the ladies of Coquille and vicinity.—I have decided to dressmaking at my home on Cunningham. A share of your patronage is solicited. Will call and take orders, if so desired, but prefer the work at home. Will sew cheap for cash or trade. All work guaranteed. aug 1] MRS. BUSKIEK.

Some time ago I was taken sick with a cramp in the stomach, followed by diarrhoea. I took a couple of doses of Chamberlain's Colic, Cholera and Diarrhoea Remedy and was immediately relieved. I consider it the best medicine in the market for all such complaints. I have sold the remedy to others and every one who uses it speaks highly of it.—J. W. Strickler, Valley Center, Cal. For sale by Dr. S. L. Leneve, druggist.

Our old friend J. J. Birch of Sumner is canvassing for a valuable household help, the Phoenix Self-Wringing Mop. It is a great thing, saving the back, the hands, strength, labor and time, and is therefore well worth the cost. By a simple wrank arrangement the mop is wrung, without stopping or straining one's self, and the hands need not touch the water or washing compound. It is said 2,000,000 have already been sold. Don't fail to give him your order when he calls on you, or send to him at Sumner, Coos county, Oregon.

The Bandon Recorder publishes an article from the St. Paul (Minn.) Daily Globe of May 15th, of a suit instituted at St. Paul by H. L. Phillips et al. against Dr. Sawyer, Dr. Donald, Dr. McGraw, E. W. Schutte and others for some \$950 due on a gold-washing machine sold to defendants for blacksand mining at Randolph, in this county. Of course defendants demur, as the purchase was conditioned on certain service, which it failed to perform. The article then goes on to condemn the methods of Col. I. N. Muncy, who worked up the deal both for the mine and machinery, and concludes as follows: "Muncy is an old-timer at working mining deals. He will be remembered by not a few victims in the Twin Cities whom he enticed into the Nellie mine scheme in the Coeur d'Alene district some years ago.

Catarrh.

E. W. JOY COMPANY—Gentlemen: I have just completed the second bottle of your Vegetable Sarsaparilla. I have had catarrh for years which affected my eyes, hearing and stomach. Frequently would have dull headaches for days at a time. Since taking your remedy I have felt no disagreeable symptoms.

Trusting you will publish this as I want any one suffering from any of the above symptoms to be benefited. Kindly send me two more bottles for return express. (Signed) MR. FREDERICK DE RICHMOND, Seattle, Wash.

Every mail brings a new batch of testimonials for Joy's Vegetable Sarsaparilla.

Mr. Stephenson, of California, gave up a prospective purchase of a ranch above town and has since taken a portion of the Koon tract, about a mile below town, between J. A. Collier's place and Cedar Point. Thus we are to have another progressive citizen, and a new ranch improved and developed from among the idle acres that have been so long hindering the progress of our section. Welcome to Mr. Stephenson, and may his investment prove a bonanza to himself as he deserves for his public spirit.

Memorial Day. at this place was not what it should have been, except in the immediate arrangements and program made out by the G. A. R. and W. R. C. posts, and participated in by a few who comprehended the intent of the occasion to commemorate the heroism of those who shared in the trials and dangers of the late war, and to inculcate patriotism in the rising generations and an appreciation of what had been rescued from destruction and heritage to them in fact as a delivrance from their fathers. The orator of the day, Hon. W. Sinclair, referred briefly to the dereliction of business men and others on this occasion and then left the matter to their own consciences. The schools were also interfered with in some manner and hindered from hearty participation, out of 120 or 140 pupils not more than 40 taking part, though the teachers had instructed and prepared them for a place in the program. Except for these shortcomings the celebration was quite successful and edifying.

The procession formed on Front street promptly, under command of Post Commander John Morris. The Trombone band headed the procession, and this was followed by the veterans themselves, ladies of the Relief Corp, school children and citizens, who marched to the cemeteries to the sweet but solemn dirge of the band.

The literary exercises were conducted at Masonic hall, beginning at 2 p. m. Adjutant H. H. Nichols presided and a fair audience was present. The following was the PROGRAM.

Song by the choir—Today this Hallowed Place We Seek.

Prayer by Chaplain Jonathan Quick.

Song—We'll Strew Their Graves Again.

Dr. Dean Clark recited the following original poem, written for this occasion:

All honor to the Boys in Blue, Who were to flag and country true, Who, when they heard of war's alarms, Left all they loved and shouldered arms, And fought with valor true and brave To save our land and free the slave. They suffered more than words can tell On fields of battle where they fell. And on the march they suffered more, The hardships of a soldier's life, They bravely bore through four years' strife. They bore our flag where shot and shell Like storm of hail among them fell: In serried ranks they met the foe, Whose fiercer fire their blood did flow. As heroes true they fought and died, And few of them were left to live. They yielded not till war was done, They fought until the field was won; As conquering heroes they returned To see the land they had so earned. Returned, we said; not all, ah, no! For thousands were by death laid low! Four hundred thousand, it is said, Were numbered with the "dead." Such was the dreadful cost of life It took to end that awful strife! We need not name the names of men, Due tribute to "the dead" to pay 'Tis but the meed of honor just To deck with flowers their sacred dust. The income of these flowers shall be An offering to their spirits free, To prove that we have not forgot The noble deeds each hero wrought. We hope 'twill give their souls much cheer To know we yet their deeds revere. Their comrades who outlived the war, And form in ranks the G. A. R., Will hallow'd keep this hallowed day Till they, in turn, shall pass away. And when they too from earth shall rise To join the army of the skies, We'll pay the honor due to them With many a floral diadem, And generations yet to be Shall thus keep green their memory. God bless the soldiers, one and all, Who heeded quick their country's call. No matter where—in earth, or heaven—Great honors shall be given. They fought to keep our nation whole, And free from slavery's dread control. They saved our country in its need, And "friends in need are friends indeed." God bless them all, and may we say, While we with flowers our homage pay, Coquille City, Oregon, May 30, 1895.

A Remarkable Cure of Rheumatism.

Westminster, Cal., March 21, 1894.—Some time ago, on awakening one morning, I found that I had rheumatism in my knee so badly that, as I remarked to my wife, it would be impossible for me to attend to business that day. Remembering that I had some of Chamberlain's Pain Balm in my store I sent for a bottle, and rubbed the afflicted parts thoroughly with it, according to directions, and within an hour I was completely relieved. One application had done the business. It is the best liniment on the market, and I sell it under a positive guarantee.—R. T. Harris. For sale by Dr. S. L. Leneve, druggist.

From LaGrippe.

How Dr. Miles' Nervine Restored One of Kentucky's Business Men to Health.

No DISEASE has ever presented so many peculiarities as LaGrippe. No disease leaves its victims so debilitated, no disease, except, perhaps, as LaGrippe. Mr. D. W. Hilton, state agent of the Mutual Life Insurance Co., of Kentucky, says: "In 1893 and '94 I had two severe attacks of LaGrippe, the last one attacking my nervous system with such severity that my life was despaired of. I had not slept for more than two months except by the use of narcotics that stupefied me, but gave me no rest. I was only conscious of intense mental weakness, agonizing bodily pain and the fact that I was hourly growing weaker. When in this condition, I commenced using Dr. Miles' Restorative Nervine. In two days I began to improve and in one month's time I was cured, much to the surprise of all who knew my condition. I have been in excellent health since and have recommended your remedies to many of my friends." Louisville, Jan. 22, 1895. D. W. HILTON.

Jack Wood came down from his North Fork home yesterday and rustled with business today.

Mr. Barker, of the North Fork, came down last Friday to meet Mrs. B. on her return from a visit at Bandon. Mrs. Barker stopped with Mrs. Maury over night. Mrs. Barker taught the second school ever conducted on the Coquille, on Cunningham, a little north of this place, and Mrs. Maury had been a pupil—about 26 years ago.

J. F. Mast of Arago was down Saturday last. He had a rising in his head and had suffered intensely for a week, with no early prospect of a cessation of his suffering. He had expected to leave today for southern California to try a drier and warmer climate, but temporarily delays till partially recovered from this spell. We shall be sorry to lose Mr. Mast and family.

Judge and Mrs. Phillips of Myrtle Point were in town a brief spell last week, while passing through to and from Bandon. The judge conducted the defense in a case of assault with a deadly weapon before Esquire Morse at Bandon, the person so charged being Wid Taylor, and the prosecuting witness William Prewett. The jury disagreed and the case was re-set for Friday afternoon.

IT'S INJURIOUS TO STOP SUDDENLY and don't be imposed upon by buying a remedy that requires you to do so, as it is nothing more than a substitute. In the sudden stoppage of tobacco you must have some stimulant, and in most all cases, the effect of the stimulant, be it opium, morphine, or other opiates, leaves a far worse habit contracted. Ask your druggist about BACO-CURO. It is purely vegetable. You do not have to stop using tobacco with BACO-CURO. It will notify you when to stop and your desire for tobacco will cease. Your system will be as free from nicotine as the day before you took your first chew or smoke. An iron-clad written guarantee to absolutely cure the tobacco habit in all its forms, or money refunded. Price \$1 per box, or 3 boxes (30 days treatment and guaranteed cure), \$2.50. For sale by all druggists or will be sent by mail upon receipt of price. SEND SIX TWO-CENT STAMPS FOR SAMPLE BOX. Breakea Chemical and Man'g Co., La Crosse, Wis.—Dear Sir: I have been a tobacco fiend for many years, and during the past two years have smoked fifteen to twenty cigars regularly every day. My whole nervous system became affected, until my physician told me I must give up the use of tobacco, for the time being at least. I tried the so-called "Keely Cure," "No-To-Bac," and various other remedies, but without success, until I accidentally learned of your "Baco-Curo." Three weeks ago today I commenced using your preparation, and today I consider myself completely cured; I am in perfect health, and the horrible craving for tobacco, which every inveterate smoker fully appreciates, has completely left me. I consider your "Baco-Curo" simply wonderful, and can fully recommend it. Yours very truly, C. W. HORNICK.
