Temperance Notes.

[From the National W. C. T. U. Bulletin.]

White ribboners of Oklahoma helped defeat a bill favoring prize fighting.

Constitutional prohibition has been voted down by the Utah constitutional convention.

The amended temperance education bill has passed both branches of the New York legislature.

Forty-four countries of the world now have branches of the Woman's Christian Temperance Union.

The Anti-Saloon League of the District of Columbia has decided to issue a call for a national Anti-Saloon League.

Las Vegas W. C. T. U. has just purchased $70 worth of new books for the public library, which is under its management.

The National W. C. T. U. Convention, which begins October 18 in Baltimore, will be preceded by the National Purity Congress, October 14 to 16, and a Crittenton Mission conference on the 17th.

The bill raising the age of protection in New Hampshire to 16 years was vetoed by the governor; in happy contrast with this action the governor of Missouri vetoed the bill to legalize prostitution.

At the Southwestern Kansas M. E. conference resolutions were adopted condemning the present state administration for its complicity with the liquor trade, as shown in the character of the police commissioners recently appointed.

The old Crusade church in Hillsboro, Ohio, from which Mother Thompson led the first praying band, is to be torn down. White ribboners wishing souvenirs, pictures, bricks, gavels, etc., can address Miss Maria Stuart, Hillsboro, Ohio.

A lady who was present at a meeting of the state board of pardons of Colorado says she was impressed with the fact that drink was the primary cause of nearly every crime committed by those seeking pardon and it was universally admitted that temporary insanity will most surely follow the excessive use of intoxicants.

Christian Endeavor and Good Templar societies of Portland, Oregon, have influenced the police to close up the low saloons and houses of ill repute. The closing of these houses left two thousand women to be cared for by the Christian women who have nobly come to the rescue, the W. C. T. U. being a leading factor in the work.

The Philanthropist of May publishes a "Medical Declaration Concerning Chastity" with a large number of signatures of influential physician appended, affirming that a chaste life for both sexes is conducive to the best condition of physical, mental and moral health. It will be published in leaflet form and can be obtained by sending to the Philantbropist, United Charities Building, 4th avenue and 22d street, New York.

Two young physicians practicing in a hospital were much taken with Dr. Ainstie's theory of the food value of alcohol. In good faith they set about a personal demonstration, taking the doctor's "safe dose" instead of their usual rations of eatables three times a day. By the end of three days they were hardly able to crawl up and down stairs, they had each lost six pounds of flesh and they were altogether so miserable that they were glad to return to their usual diet and discard alcohol.

Graduating exercises of nurses' training school connected with the National Temperance Hospital, took place April 22d in the parlors of the hospital. Dr. Sarah Hackett Stevenson, president of the regular staff, was the leading speaker of the evening. Dr. John R. Boynton, president of the homeopathic staff, presented the diplomas to the four graduates, who received other gifts of books and flowers from the directors and patients. The program of the occasion was further enlivened with music, recitations and refreshments.

Having used Chamberlain's Cough Remedy in my family and found it to be a first class article, I take pleasure in recommending it to my friends. J. V. Foster, Westport, Cal. For sale by Dr. S. L. Leneve, druggist.

Prof. S. S. Darnell, of Myrtle Point, made a trip to the bay last week. He was to open a term of school in the "Brown" district yesterday—1st Monday in June—where he seems to have become a fixture and very popular.

THANKS.—The ladies of the W. R. C. desire to express their thanks to friends who assisted them and contributed in any way to make the Memorial Day exercises successful. The gifts of flowers were munificent, and with other assistance, in the way of literary and musical features, went to make an entertaining and edifying program.

Roseburg Review: A. E. Crouch, of Camas valley, was in town Saturday, and denounces the story that he left old Mr. Dise in the mountains unprovided for, as false in every particular. He claims that after snow came he made every effort to reach the ranch and finally did so, bringing Mr. Dise and the cattle, also, out to the valley. The old gentleman has been living at his place in the valley for two months or more, and is well and hearty.

Beware of Ointments for Catarrh that Contain Mercury.

As mercury will surely destroy the sense of smell and completely derange the whole system when entering it through the mucous surfaces. Such articles should never be used except on prescriptions from reputable physicians, as the damage they will do is ten fold to the good you can possibly derive from them. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, O., contains no mercury, and is taken internally, acting directly upon the blood and mucous surfaces of the system. In buying Hall's Catarrh Cure be sure you get the genuine. It is taken internally, and made in Toledo, Ohio, by F. J. Cheney & Co. Testimonials free.

☞ Sold by druggists, price 75c. per bottle.

A "Traveler" recently communicated to the Roseburg Review, among complaints as to the condition of the road between Camas valley and Roseburg, and the hardships and dangers attending travel over the road, this complimentary reference to George Laingor, "our George," the manager of the mail line at that point: "There cannot be too much praise given to George, the Coos bay stage driver, for he never leaves a bad mudhole until he counts around and sees that he has every passenger and Uncle Sam's mail bags safe through."

Nervous Shock.

E. W. JOY COMPANY—Gentlemen: This is the first time I have attempted so write for three years. Have been to nervous and weak that I have laid in bed most of the time.

A friend who had taken your Sarsaparilla sent me two bottles. The second one is most gone, and I have gained twenty pounds, and surely feel a new woman I was pale, thin, no ambition. Had given up, as I had tried so many remedies and doctors, but found no benefit. If you care to publish this you have my consent. (Signed)

MRS. A. C. TILLMAN,
Alemeda, Cal.

Headaches, Billiousness and Torpid Liver disappear when you take Joy's Vegetable Sarsaparilla.

Capt. Tennisson was up from Randolph last Friday.

Dan McPhail, who worked at Parkersburg the past year, is now head man on the edger in Joe Nay's mill at Maplewood, Curry county.

Mrs. E. E. Dickson of this place and Miss Susie Peterson of Riverton made this office a visit last Friday. The latter has been visiting friends here and is still gaining health from her late serious sickness.

George Hanson and John A. Hanson, prominent Humboldt county, Cal., ranchers, have been prospecting in this place and valley for some time. They are from Fortuna, and acquaintances of our newly acquired friends, Mr. and Mrs. Morgan and Mr. Jones.

Some time ago I was taken sick with a cramp in the stomach, followed by diarrhoea. I took a couple of doses of Chamberlain's Colic, Cholera and Diarrhoea Remedy and was immediately relieved. I consider it the best medicine in the market for all such complaints. I have sold the remedy to others and every one who uses it speaks highly of it.—J. W. Strickler, Valley Center, Cal. For sale by Dr. S. L. Leneve, druggist.

The Roseburg Review says Mr. Graham's proposition to the people of Roseburg is now for a subsidy of $50,000. The Review urges the acceptance, but the acquiescence of the citizens seems to be slow. Why isn't the proposition from their own fellow-citizen, Hon. T. R. Sheridan, president of the company, who holds the confidence of the citizens and would fulfill the conditions of the subscription? Or why do not the Spreckelses speak at first hands, in whom the people could base some confidence? The people there want the road, and our people are anxious for the extension.

There is a statute (Oregon Legislature, Feb. 11, 1891,) "for the protection of sea-gulls," making it a misdemeanor "to wilfully injure, kill or destroy any sea-gull," the penalty being a fine (85 to $25) and costs and imprisonment in default. Any justice of the peace has jurisdiction.

Our Native and Imported Song Birds.—The Legislature of Oregon has also enacted two statutes for the protection of song birds; the first, approved Feb. 20, 1891, protects useful singing birds imported from Germany and elsewhere, naming the nightingale, skylark, starling, redbreast, mocking bird, and others, and making it a misdemeanor to injure or kill them. The statute, approved in February 1895, protects native song birds and others, naming the yellow-breasted chat, meadowlark, robin, song sparrow, lark-finch, evarigated thrush, wood thrush, hermit thrush, American gold-finch, bluebird, snowbird, oriole, lazuli-finch, house and winter wren, pine linnet, California linnet, warblers, vireo, swallow, tanager, grosbeaks, kinglets or horned lark. Both these acts include interfering with their eggs. Penalty not less than $5, nor more than $100. This law was approved Feb. 23, 1895.—Oregon Humane Society.

Another Free Offer.

The long winter evenings can be very profitably devoted to reading, but there are some things that we must read the year round. One of these is a local paper: the best in the county is before you—the HERALD. Another is a good home paper of general circulation, such as "Womankind," for instance, which comes once a month filled with the best things for a busy housewife. We are able by special arrangements with the publishers, to oger "Womankind" free for a year to every paid-in-advance subscriber to our paper, and are glad to do so, for we are convinced that no home paper in America contains more of practical value to women. Bright stories, clever poems, the latest fashions, news of woman's work everywhere, articles on "Motherhood," "Cultivation of Flowers," a woman's parliament for the discussion of matters of interest, are a few of the bright features of "Womankind."

To the head of the house we offer on the same terms "Farm News," an agricultural paper, edited by a practical farmer (Miller Purvis, esq., late state lecturer of the Ohio Farmer's Alliance), and filled each month with suggestions from able correspondents, that make it an absolute necessity to every wide awake farmer. This paper is yours for the asking, provided you are a subscriber to our paper.

Remember every paid-in-advance subscriber to the HERALD is entitled to his choice in either of these papers. Tell your neighbors about this offer. A sample copy of both papers may be obtained by addressing the Hosterman Publishing Co., Springfield, Ohio.

Come in and pay a year in advance to the HERALD and get one of these attractive papers free.

M. Hammerly, a well-known business man of Hillsboro, Va., sends this testimony to the merits of Ayer's Sarsaparilla: "Several years ago, I hurt my leg, the injury leaving a sore which led to erysipelas. My sufferings were extreme, my leg, from the knee to the ankle, being a solid sore, which began to extend to other parts of the body. After trying various remedies, I began taking Ayer's Sarsaparilla, and, before I had finished the first bottle, I experienced great relief; the second bottle effected a complete cure."

G. A. R. NOTICE.

We take this opportunity of informing our subscribers that the new Commissioner of Pensions has been appointed. He is an old soldier, and we believe that soldiers and their heirs will receive justice at his hands. We do not anticipate that there will be any radical changes in the administration of pension affairs under the new regime.

We would advise, however, that U. S. soldiers, sailors, and their heirs, take steps to make application at once, if they have not already done so, in order to secure the benefit of the early filing of their claims in case there should be any future pension legislation. Such legislation is seldom retroactive. Therefore it is of great importance that applications be filed in the department at the earliest possible date.

If U. S. soldiers, sailors or their widows, children or parents, desire information in regard to pension matters, they should write to THE PRESS CLAIMS COMPANY, at Washington, D. C., and they will prepare and send the necessary application, if they find them entitled under the numerous laws enacted for their benefit. Address,

PATENTS

FOR INVENTIONS.

Equal with the interest of those having claims against the government is that of INVENTORS, who often lose the benefit of valuable inventions because of the incompetency or inattention of the attorneys employed to obtain their patents. Too much care cannot be exercised in employing competent and reliable solicitors to procure patents, for the value of a patent depends greatly, if not entirely, upon the care and skill of the attorney.

With the view of protecting inventors from worthless or careless attorneys, and of seeing that inventions are well protected by valid patents, we have retained counsel expert in patent practice, and therefore are prepared to

Obtain Patents in the United States and all Foreign Countries, Conduct Interferences, Make Special Examinations, Prosecute Rejected Cases, Register Trade-Marks and Copyrights, Render Opinions as to Scope and Validity of Patents, Prosecute and Defend Infringement Suits, Etc., Etc.

If you have an invention on hand send a sketch or photograph thereof, together with a brief description of the important features, and you will be at once advised as to the best course to pursue. Models are seldom necessary. If others are infringing on your rights, or if you are charged with infringement by others, submit the matter to us for a reliable OPINION before acting on the matter.

THE OHIO CHEMICAL CO.:
DEAR SIR:—I have been using your cure for tobacco habit, and found it would do what you claim for it. I used ten cents worth of the strongest chewing tobacco a day, and from one to five cigars; or I would smoke from ten to forty pipes of tobacco. Have chewed and smoked for twenty-five years, and two packages of your Tablets cured me so I have no desire for it.

DORRS FERRY, N. Y.

THE OHIO CHEMICAL CO.:—GENTLEMEN:—Some time ago I sent for $1.00 worth of your Tablets for Tobacco Habit. I received them all right and, although I was both a heavy smoker and chewer, they did the work in less than three days. I am cured.
Truly yours, MATHEW JOHNSON, P. O. Box 43.
PITTSBURGH, PA.

THE OHIO CHEMICAL CO.:—GENTLEMEN:—It gives me pleasure to speak a word of praise for your Tablets. My son was strongly addicted to the use of liquor, and through a friend, I was led to try your Tablets. He was a heavy and constant drinker, but after using your Tablets but three days he quit drinking, and will not touch liquor of any kind. I have waited four month before writing you, in order to know the cure was permanent. Yours truly,
MRS. HELEN MORRISON.
CINCINNATI, OHIO.

THE OHIO CHEMICAL CO:—GENTLEMEN:—Your Tablets have performed a miracle in my case. I have used morphine, hypodermically, for seven years, and have been cured by the use of two packages of your Tablets, and without any effort on my part. W. L. LOTEGAY.
