W. Olive met with an accident at Dean & Co's mill, on the bay, Saturday. A piece of plank struck him on the hip and side, and while no bones appear to have been broken, nor any apparently serious injury inflicted, yet it has been painful and laid him up for the time being.

Some time ago I was taken sick with a cramp in the stomach, followed by diarrhoea. I took a couple of doses of Chamberlain's Colic, Cholera and Diarrhoea Remedy and was immediately relieved. I consider it the best medicine in the market for all such complaints. I have sold the remedy to others and every one who uses it speaks highly of it.—J. W. Strickler, Valley Center, Cal. For sale by Dr. S. L. Leneve, druggist.

A small blaze occurred about 11 o'clock yesterday morning at the property occupied by L. P. Maury, next to the Methodist church. Mrs. Maury was about to prepare for dinner, when cinders from the flue lit on the roof and were just starting to blaze when Mrs. Thornton observed it from the parsonage and raised an alarm. Our office force soon learned of the trouble and hurried to the scene. Mrs. Maury had bravely mounted to the roof with water, when Robert Dean, Aaron Wilson and the editor sought points of vantage and soon had the danger past. The pecuniary damage is small—a hole in the roof to repair. The property belongs to Uncle Tom Smith of Randolph, and the insurance had just expired.

BANDON VS. COQUILLE

The League Game Last Sunday. Great Time and Much Sport.

The fifth of the series of league games came off at this place last Sunday between the Bandon and Coquille nines. The game was looked forward to with unusual interest, for at the last contest the Bandon boys worsted the opposing side and were and had reason to be jubilant over it—but the Coquille team boys sprang up and refused to cry "enough."

At an early hour horsemen, wheelmen, vehicles and footmen from every direction began to reach town, the upper-river steamer Myrtle brought many persons, and the boat from Bandon, the steamer Dispatch, arrived about 11 o'clock with a full allowance from that and intervening points, including the new band. Coquille hadn't shown as much life for many a day.

At about 1 o'clock the "kid" or Junior nines of Bandon and Coquille took the field to determine old scores, closing with the third inning, and resulting as follows:

Score table showing runs, hits, errors for Bandon and Coquille.

The players were: Coquille—M. Anderson, Ed Lorenz, H. Benjamin, N. Lawrence, Aaron Wilson, J. Benham, J. Johnson, F. Boyer, O. Sanford.

Bandon—Walker, Littlefield, F. Gross, Felter, Hastings, G. Gross, Swift, Maccetti, Stitt.

THE LEAGUE GAME  
Was then called, with the Coquille nine at the bat. George Robinson was umpire, and he filled the position with great credit. His judgments were "short, sharp and decisive," but acceded to readily.

Up to and including the fourth inning, when the Bandon boys were ahead, the interest was very great and considerable excitement prevailed. But here the tide changed, and on the sixth inning the Coquille boys ran in fifteen tallies and became jubilant and confident. Some good plays were made on both sides, though the game lagged. Considerable geying was carried on, but players and all took it in good part and rather enjoyed it than otherwise.

The full nine innings were played and resulted thus:

Score table showing runs, hits, errors for Bandon and Coquille.

The Coquille nine was composed of C. Baxter, E. Norton, E. Recker, D. Johnson, Nonda Anderson, S. Norton, B. Bazon, G. Baxter, B. Nosler.

Bandon—F. Burkhardt, J. Emmitt, Williams, F. Mehl, Perham, A. Livingstone, G. Lester, C. Frederick, Smeer.

A large crowd attended the departing excursionists to the boat. The band rendered a piece or two and several greetings of cheer passed between the departing guests and friends on shore. A very good feeling prevailed throughout the day, and nothing passed to mar the pleasures. It is said some money changed hands on the result of the game.

The next game comes off at Empire next Sunday between the Empire and Coquille nines.

A married daughter of H. M. Fish from Nebraska has just arrived at her father's home near Arago on a visit.

Celebrate in Coquille? Why, of course—did you ever know the glorious day to pass without a big time?

DR. J. H. WATTS, druggist and physician, Humboldt, Neb., who suffered with heart disease for four years, trying every remedy and all treatments known to himself and fellow-practitioners, believes that heart disease is curable. He writes: "I wish to tell what your valuable medicine has done for me. For four years I had heart disease of the very worst kind. Several physicians I consulted, and it was Rheumatism of the heart."

It was almost unendurable, with shortness of breath, palpitations, severe pains, unable to sleep, especially on the left side. No pen can describe my sufferings, particularly during the last months of those four weary years. I finally tried Dr. J. H. Watts' New Heart Cure, and was surprised at the result. It put new life into me and made a new man of me. I have not had a symptom of trouble since and I am satisfied your medicine has cured me for I have now enjoyed, since taking it, a day.
