Happy days and restful nights result from using Ayer's Sarsaparilla. It so regulates all the bodily functions and strengthens the nervous system that worry and fatigue are comparatively unknown and life is truly enjoyed. It is certainly a most wonderful medicine.

Arrivals by Arago, last Tuesday: Miss Keane, Miss H. Bowlby, John Proctor, Harry Keane, Jack Flanagan, Mrs. Olson, Miss Hirst, Mrs. M. A. Swain, Miss S. Piper, N. Larsen, T. Rudee, J. A. Carpenter, L. Levy, Miss Larsen, Mrs. Balderree, C. T. Farris, C. F. Doe.

Some time ago I was taken sick with a cramp in the stomach, followed by diarrhoea. I took a couple of doses of Chamberlain's Colic, Cholera and Diarrhoea Remedy and was immediately relieved. I consider it the best medicine in the market for all such complaints. I have sold the remedy to others and every one who uses it speaks highly of it.—J. W. Strickler, Valley Center, Cal. For sale by Dr. S. L. Leneve, druggist.

Plaindealer: A few days ago Russell Dement, of Coos county, brought 80 head of beef cattle to Roseburg and sold them here at an average of \$37.50 per head, which cost him in Curry county \$18 a head. That was a pretty good advance for a few days' work gathering up and driving. They were shipped to Portland on the S. P. R. R. They were a fine lot of cattle fattened on the evergreen grass of Curry county, one of the best grazing counties in the state.

There is a fair prospect of our people organizing and taking the matter of putting up a hotel into their own hands, since other signs have failed. We think it would be a very proper thing to do; if the "capitalist" has to be subsidized to the extent of half or the full value of the enterprise to start the business, better a co-operative enterprise, in which the people will advance the interests of the town, and if there are any dividends pocket the cash themselves.

Catarrah. E. W. JOY COMPANY—Gentlemen: I have just completed the second bottle of your Vegetable Sarsaparilla. I have had catarrh for years which affected my eyes, hearing and stomach. Frequently would have dull headaches for days at a time. Since taking your remedy I have felt no disagreeable symptoms.

Trusting you will publish this as I want any one suffering from any of the above symptoms to be benefited. Kindly send me two more bottles by return express. (Signed) MR. FREDERICK DE RICHMOND, Seattle, Wash.

Every mail brings a new batch of testimonials for Joy's Vegetable Sarsaparilla.

A party at San Jose, Cal., recently advertised in the HERALD and other papers for information regarding one Anson White, who had left that section of California some years ago and been lost sight of. Jonathan Quick of our lower river, and an old settler in this valley, on reading the HERALD's notice was reminded of the death of an old man named White at Randolph, of consumption, at Persh-baker's hotel, 18 or 19 years ago—in 1875 or 1876—and he was from California. Mr. Quick could not recall the man's first name, but it impressed him that "Anson" was the name. The man White was quite well known to Adam Persh-baker and John Moore, now of Prosper, and to Col. Rosa and Charley Hermann of Bandon, who, if they would think back, might be able to give the friends of White the desired information—if this was Anson White, of whom Mr. Quick speaks. He died while sitting in a chair, and his remains were interred at Randolph.

GRAND CELEBRATION.

The 4th of July Will Be Properly Observed.

Arrangements are being made for a proper celebration of the 4th of July in Coquille City, and a general invitation goes out to all to come and take part with us. Posters will be issued at once announcing particular features, while the several committees of our citizens will do all in their power in the meantime to make a successful and entertaining celebration of our day of jubilee.

At the meeting held last Wednesday evening, the then existing committees reported good progress, and the following additional committees were appointed:

On sports—N. Lorenz, W. S. Perry, J. W. Leneve, R. S. Knowlton, Robert McCleary.

On vocal and instrumental music and to arrange exercises at the grove: J. S. McEwen, G. F. Boutell, Mrs. D. P. Strang, jr., Mrs. S. J. Tuttle, Mrs. G. F. Boutell, Miss Lilly Lyons.

On baskets: Mrs. J. W. Sugg, Mrs. C. D. Elliott, Mrs. L. P. Maury.

On table: B. Lawrence, C. James, C. Lorenz, S. Lyons, O. Sanford, S. Johnson, jr., F. Strang, Mrs. J. W. Leneve, Mrs. W. Draue, Mrs. Baxter, Mrs. Nichols, Mrs. Simmons and Mrs. J. T. Nosler.

There will certainly be a first-class baseball game, possibly on the afternoon of the 3d, a grand ball at night, and then a grand blow-out on the 4th. The Trombone band will be with us, a fact that insures enjoyment. And then there will probably be a baseball game on the 4th, also, together with many other entertaining sports, fireworks and a ball at night. The posters, or next issue of the HERALD will give the program.

Three of Mr. Root's brothers also came down from their upper-river homes to attend their brother. Mrs. S. Symons only learned of the accident at church at Marshfield Sunday and came on yesterday's train.

Testimonials for Lewis' Rheumatic Liniment.

W. T. LEWIS, Manufacturer of Lewis' Liniment, Myrtle Point, Oregon. Dear Sir: I have been troubled with sick headache for years, and have tried many remedies, but found no good result from anything until I tried your Great Liniment. I found permanent relief from one application and recommended it to the public for like troubles. I have often been in bed for 2 or 3 days with this dreadful disease and have suffered intensely, but I am happy to say that I have at last found a sure cure, and that cure is Lewis' Great Rheumatic and Neuralgic Liniment. Respectfully, MRS. G. W. STEWART.

"Matron of a Benevolent Home and knowing the good Dr. Miles' Nervine has done me, my wish to help others, overcomes my dislike for the publicity, this letter may give me. In Nov. and Dec, 1893, The Incurable had the 'La Grippe,' and I was one of the first. Resuming duty too soon, with the care of so many sick, I did not regain my health, and in a month I became so debilitated and nervous from sleeplessness and the drafts made on my vitality, that it was a question if I could go on. A dear friend advised me to try Dr. Miles' Restorative Nervine. I took 2 bottles and am happy to say, I am in better health than ever. I still continue to use it, and I can say, it is a most valuable medicine, as my work is very trying. A letter addressed to Milwaukee, Wis., will reach me." June 4, 1894. MRS. LAURA C. PHOENIX.

Dr. Miles' Nervine is sold on a positive guarantee that the first bottle will benefit. All druggists sell it at \$1.00 bottles for \$5, or by mail, prepaid, on receipt of price by the Dr. Miles Medical Co., Elkhart, Ind.

DON'T STOP TOBACCO

IT'S INJURIOUS TO STOP SUDDENLY and don't be imposed upon by buying a remedy that requires you to do so, as it is nothing more than a substitute. In the sudden stoppage of tobacco you must have some stimulant, and in most all cases, the effect of the stimulant, be it opium, morphine, or other opiates, leaves a far worse habit contracted.

Ask your druggist about BACO-CURO. It is purely vegetable. You do not have to stop using tobacco with BACO-CURO. It will notify you when to stop and your desire for tobacco will cease. Your system will be as free from nicotine as the day before you took your first chew or smoke.

An iron-clad written guarantee to absolutely cure the tobacco habit in all its forms, or money refunded. Price \$1 per box, or 3 boxes (30 days treatment and guaranteed cure) \$2.50. For sale by all druggists or will be sent by mail upon receipt of price. SEND SIX TWO-CENT STAMPS FOR SAMPLE BOX. Booklets and proofs free.

EUREKA CHEMICAL & Mfg Co., La Crosse, Wis.

Office of THE PIONEER PRESS COMPANY, C. W. Hornick, Supt., St. Paul, Minn., Sept. 7, 1894.

Eureka Chemical and Man'g Co., La Crosse, Wis.—Dear Sirs: I have been a tobacco fiend for many years, and during the past two years have smoked fifteen to twenty cigars regularly every day. My whole nervous system became affected, until my physician told me I must give up the use of tobacco, for the time being at least. I tried the so-called "Keeley Cure," "No-To-Bac," and various other remedies, but without success, until I accidentally learned of your "Baco-Curo." Three weeks ago today I commenced using your preparation, and today I consider myself completely cured; I am in perfect health, and the horrible craving for tobacco, which every inveterate smoker fully appreciates, has completely left me. I consider your "Baco-Curo" simply wonderful, and can fully commend it. Yours very truly, C. W. HORNICK.
