Mrs. Olive will be here tomorrow and remain two days with a nice stock of millinery goods, and after the 23th to July 1st she will be at Myrtle Point. The ladies will be on the lookout.

Mr. and Mrs. J. B. Hunt of Bandon passed homeward yesterday from a visit in Brewster valley.

Mr. and Mrs. H. are old and respected citizens, being well known here and at other points in the county.

"It has cured others and it will cure you" is true only of Ayer's Sarsaparilla. The motto is: "What better assurance could you have that a remedy will cure you, than the fact that it has cured such multitudes of others?"

Jesse Beyers, of Sumner, and well known here, came to this place from the valley last week, in partnership with W. Hunt, a photographic artist, and established a tent for work in that line on a vacant lot on Front street. They will not be here long, hence any persons wishing work in their line should call soon.

Mrs. C. W. Olive, from Mrs. A. G. Aiken's millinery store, will be at Coquille City on June 26 and remain till Friday, June 28, and at Myrtle Point from June 28 to July 1st, with a choice stock of millinery. Ladies are invited to call and inspect goods. Mrs. Olive will be at Mrs. Aiken's residence at Coquille City, and at Myrtle Point Hotel at Myrtle Point.

Lee Tenneson was up from Beaver slough last Saturday and told us of the ravages of the army worm all over the bottom lands from that point this way a considerable distance. They had been seen there before, but never in such numbers nor so disastrously as this time. They have crossed the river this year at the old Lathrop place, and ruined the orchard for this season, taking the foliage and fruit clean, and leaving an appearance as if it had been burned with fire.

James Wall, an old and respected citizen of Myrtle Point, while driving near Coaledo last Sunday, came near a serious accident. It occurred at a place where the railroad has encroached upon the wagonroad to such an extent that the latter is very narrow and a steep bank crowds it. A vehicle coming from the opposite way reached the same point and they could not pass. Mr. Wall attempted to back to one side, when his conveyance turned over, throwing him and a child out. The latter received no special injury, but it was a narrow escape, while the vehicle was damaged slightly.

Catarrh.

E. W. JOY COMPANY—Gentlemen: I have just completed the second bottle of your Vegetable Sarsaparilla. I have had catarrh for years which affected my eyes, hearing and stomach. Frequently would have dull headaches for days at a time. Since taking your remedy I have felt no disagreeable symptoms.

Trusting you will publish this as I want any one suffering from any of the above symptoms to be benefited. Kindly send me two more bottles by return express. (Signed) Ma. FREDERICK DE RICHMOND, Seattle, Wash.

Every mail brings a new batch of testimonials for Joy's Vegetable Sarsaparilla.

SPRAINS and NEURALGIAS (CURE) ST. JACOBS OIL

Mrs. J. P. Bell, Osaucatoine, Kan., wife of the editor of The Graphic, the leading local paper in that county, writes: "I was troubled with heart disease for six years, severe palpitations, shortness of breath, together with such extreme nervousness, that at times I would walk the floor nearly all night. We consulted the best medical talent. They said there was no help for me, that I had organic disease of the heart for which there was no remedy. I had read your advertisement in The Graphic and, yearning for a cure, tried one bottle of Dr. Miles' New Cure for the Heart, which convinced me that there was truth in it. I took three bottles each of which sold for \$1.00. I feel better than I have for years. It completely cured me. I sleep well at night, my heart beats regularly and I have no more smothering spells. I wish to say to all who are suffering as I did, that there is hope for them if they will only give your remedy just one trial."

The ball at this place on the night of the 4th will be equal to anything ever given here—and Coquille is famous for the like.

By the next 4th of July Coquille will have one of the finest hotels in southern Oregon—a co-operative affair, the enterprise of her citizens.

Mr. Wilkins is resting fairly well as we go to press, though he still has fever. He refuses to have a physician, treating himself by a medical work he has confidence in and having good care at the hands of his family.

G. F. Boutell has the agency for the celebrated Imperial bicycle, and received two handsome machines by express yesterday. Frank knows a good wheel when he sees it, and any one purchasing from him will be satisfied.

To the ladies of Coquille and vicinity.—I have decided to do dressmaking at my home on Cunningham. A share of your patronage is solicited. Will call and take orders, if so desired, but prefer the work at home. Will sell cheap for cash or trade. All work guaranteed. aug1] MRS. BUSKIER.

DON'T STOP TOBACCO

IT'S INJURIOUS TO STOP SUDDENLY and don't be imposed upon by buying a remedy that requires you to do so, as it is nothing more than a substitute. Ask your druggist about BACO-CURO. It is purely vegetable. You do not have to stop using tobacco with BACO-CURO. It will notify you when to stop and your desire for tobacco will cease. Your system will be free from nicotine as the day before you took your first chew or smoke. An iron-clad written guarantee to absolutely cure the tobacco habit in all its forms, or money refunded. Price \$1 per box, or 3 boxes (30 days treatment) and guaranteed cure.) \$2.50 For sale by all druggists or will be sent by mail upon receipt of price. SEND SIX TWO-CENT STAMPS FOR SAMPLE BOX. Borek Chemical and Man'g Co., La Crosse, Wis.—Dear Sir: I have been a tobacco fiend for many years, and during the past two years have smoked fifteen to twenty cigars regularly every day. My whole nervous system became affected, until my physician told me I must give up the use of tobacco, for the time being at least. I tried the so-called "Kick Cure," "No-To-Bac," and various other remedies, but without success, until I accidentally learned of your "Baco-Curo." Three weeks ago today I commenced using your preparation, and today I consider myself completely cured! I am in perfect health, and the horrible craving for tobacco, which every inveterate smoker fully appreciates, has completely left me. I consider your "Baco-Curo" simply wonderful, and can fully commend it. Yours very truly, C. W. HORSICK.

The boys, Claud and Fred, arrived Saturday on their bicycles. All were warmly greeted by their many friends here, and they expressed themselves as being glad to get home.

The Day We Celebrate

Will be a great day at this place. Beyond a doubt it will equal, if not surpass, for pleasureableness anything which has preceded it, and yet Coquille is famous for celebrations and successful feast days.

The several committees have been very active, and spared no pains to arrange for a legitimate jubilee. The musical and literary program at the grove—a charming spot, unsurpassed for shade and comforts for such a day—will be entertaining, instructive and appropriate. An invocation will be offered by Rev. J. T. Thornton, then will follow the reading of that immortal document, the Declaration of Independence, by Prof. Frank Bunch; an oration by D. L. Watson, Jr., a brilliant young orator of our own county; a recitation by Irene Leneve—"Mending the Old Flag"; a recitation by Gus Alexson—"Ring, Father, Ring"; and these will be interspersed with patriotic, liberty breathing anthems and songs by the choir and airs by our unsurpassed Trombone band.

A free basket dinner and picnic will follow, and then a program of fun and good cheer.

Our friends and neighbors are sincerely invited to participate with us, and a good and happy time is promised.

The balloon ascensions and fireworks will be an attraction.

The ball at night on the 4th will be equal to anything ever given in Coquille City, and most of you know what that is.

The baseball game on the afternoon of the 3d will be an attraction. A purse of \$50 is up for the winning team, and the contest will be the best ever played in southwest Oregon.

A New Hotel.

Coquille City will certainly sport a new and nice hotel, and its enterprising citizen will have the honor which attaches to it, for they have moved in the enterprise themselves and will press it to completion.

A few days ago, after several interviews with fellow-citizens—first as to the practicability of such a movement, and next as to its popularity and the general sympathy it would receive—Judge Nosler drew up a form for soliciting subscriptions and passed it around, and from 4 o'clock p. m. to dark he had amounts subscribed footing up to \$1500. These subscriptions were liberal—not stinted and miserly—in money, material and labor, and were encouraging to a degree. Besides so little doubt and opposition manifested itself, and this encouraged the promoters of the scheme.

A few more solicitations have been made since, and the fund is increased to about \$2200, and this most hopeful outlook prompts the call for a meeting to be held at Masonic hall tomorrow (Wednesday) night to organize and put the movement in substantial form.

When the movement takes shape and receives a charter, a number of the present subscriptions will be liberally increased and many new ones follow till the amount aggregates \$5000 or \$6000.

The disposition to grant franchises and encourage with subsidies is past; the tenders were so oft toyed with and as frequently slighted, that the public will regard its own interests and look out for the general weal.

Attend the meeting at Masonic hall tomorrow (Wednesday) night.
