The Hotel "Goes." As per call in last week's HERALD, a meeting of citizens was held in the little church last Wednesday evening. Judge Nosler was called to preside, and J. W. Leneve was made secretary. Judge Nosler stated the object of the meeting and the then status of the movement for a hotel, announcing the amounts of subscriptions as follows to date, on a partial canvass: Materials subscribed, \$1,135.00; Money, 530.00; Labor, 610.00. Total, \$2,275.00. Several citizens made informal propositions of building sites and prices of same for the hotel, a number agreeing also to take one-fourth, one-third or one-half of the amount in stock. Among these were J. A. Collier, D. P. Strang, sr., J. W. Leneve, H. Schweers, the Mrs. Taylor property, Mr. Messer and Mr. Harlocker. A formula of organization was then read, in accordance with the terms of subscriptions already made, including the title of the corporation, "The Coquille City Hotel Company," total capital stock, \$5000, of 500 shares at par value of \$10 each, which was on motion adopted, and the following committee on incorporation chosen: R. S. Knowlton, J. W. Leneve, J. H. Nosler, J. A. Collier and L. Harlocker. The committee was further instructed to receive propositions for building site in writing and report at a future meeting, to be called by the committee. The committee was further instructed to solicit and receive additional subscriptions to stock. On motion adjourned. Since the meeting, articles of incorporation have been drafted and filed and a charter asked, but until after the 4th the committee will hardly be able to do much business. Weak, Irritable, Tired. "I Was No Good on Earth." Dr. Miles' Nervine strengthens the weak, builds up the broken down constitution, and permanently cures every kind of nervous disease. "About one year ago I was afflicted with nervousness, sleeplessness, creeping sensations in my legs, slight palpitation of my heart, distressing confusion of the mind, nervous loss or lapse of memory. Weighted down with care and sorrow, I completely lost appetite and felt my vitality waning out. I was weak, irritable and tired, my weight was reduced to 130 lbs., in fact I was no good on earth. A friend brought me Dr. Miles' Nervine, and I finally decided to try a bottle of Dr. Miles' Nervine. Before I had taken one bottle I could sleep as well as a 12-year-old boy. My appetite returned greatly increased. When I had taken the sixth bottle my weight increased to 176 lbs. The sensations in my legs were gone; my nervousness abated completely; my memory was fully restored. My brain seemed clearer than ever. I felt as good as any man on earth. Dr. Miles' Nervine is sold on a positive guarantee that the first bottle will benefit. If it does not, the money is refunded. It is sold by all druggists, or by mail on receipt of price by the Dr. Miles Medical Co., Elkhart, Ind. Dr. Miles' Nervine Restores Health. Last Thursday evening, Miss Nora Weldon, about 16 years old, living with her stepfather Mr. Welch on the Kerrigan place, a short way above town, started in company with one of the Colvin girls to take something to Yoakani's camp, and had just started up the railroad, being yet but a little distance from the house when she slipped, falling through a trestle, breaking her left leg above the knee, and receiving some bruises. Dr. Culin was summoned and promptly put the patient on the highway to recovery again. Miss Weldon is improving satisfactorily, we learn. The HERALD force exceedingly regrets Miss Weldon's mishap, for she was a frequent visitor to the office and made friends of us all by her cheerful, happy disposition, and social manners. Miss W. only recently came to this place from Humboldt county, California, and this misfortune comes upon her as a hardship. Higher Education at Home. Office of THE PIONEER PRESS COMPANY, C. W. Hornick, Sept. 7, 1894. Baroka Chemical and Man'g Co., La. Crosse, Wis.—Dear Sirs: I have been a tobacco regular for many years, and during the past two years have smoked fifteen to twenty cigars regularly every day. My whole nervous system became affected, until my physician told me I must give up the use of tobacco, for the time being at least. I tried the so-called "Keeley Cure," "No-To-Bac," and various other remedies, but without success, until I accidentally learned of your "Bacco-Curo." Three weeks ago today I can record using your preparation, and today I consider myself completely cured; I am in perfect health, and the horrible craving for tobacco, which every inveterate smoker fully appreciates, has completely left me. I consider your "Bacco-Curo" simply wonderful, and can fully commend it. Yours very truly, C. W. HORNICK. Free to Our Subscribers.
