"Be sure you get Ayer's" is an important caution to all in search of a thoroughly reliable blood-purifier, Ayer's Sarsaparilla being the one on which there can be no manner of doubt. It has stood the test of nearly half a century, and has long been considered the standard.

A spark from the passing locomotive yesterday set fire to dry grass on a vacant lot just west of the Red Front building, and close to it, which spread rapidly. The nearness of several persons prevented damage. Anderson Lamb, Ben Lawrence, Will Lyons, and probably another person or two, picked up evergreen boughs that lay near and fought it out.

Yaquina Bay News: Capt. Winant tells us that the people of Coquille and San Francisco intend building this season a first-class passenger and freight steamer, light draught, speedy and a good carrier. She will be 132 feet keel, and built especially to accommodate all the small harbors on the coast. Such a vessel has been needed a long time and will be a paying investment from the start. Success attend the enterprise.

THE FOURTH AT COQUILLE.

A Great Day—A Pleading Program and Large Crowd.

The 119th anniversary of American Independence passed off much to the enjoyment of our people and to the credit of our town, notwithstanding a partial "knock out" by the rain which set in the night before and continued at intervals throughout the day. But while we have a grove near at hand, superbly fitted for these jubilee occasions, unsurpassed for shade and beauty and comfort, and a program arranged to fill in the flitting hours with patriotic fervor, food and fun, our town is also well supplied with hall room, and the committees were not long about securing one for the literary exercises and another for spreading the tables at which the hosts were to be fed. Mr. Sherwood was president of the day, and W. S. Perry, marshal. At about 10:30, therefore, dispensing with the parade, Masonic hall was filled and the following pleasing program enacted:

Music by the band. Song by choir—"Freedom's Banner." Prayer by Rev. J. T. Thornton. Recitation by Miss Irene Leneve—"Mending the Old Flag." Salutation of the flag and song "America," by the school children. Song by the choir—"Patriotic Glee."

Reading of the Declaration of Independence by Prof. F. S. Bunch. Solo, "The Star Spangled Banner"—by Miss Helen V. Bowly, and chorus by the choir.

Oration by D. L. Watson, jr., of Marshfield. Song by the choir—"Hark, the Song of Jubilee." Selection by the band.

At this point dinner was announced and the large audience dispersed for that interesting exercise.

At Odd Fellows' hall immense tables were laden with an abundance of good things and the committee in charge spared no pains to be prompt, good-natured and hospitable in dispensing plenty to eat.

About 2 p. m. the showers had sufficiently dispersed to permit the sports, under charge of the committee, W. S. Perry, N. Lorenz, J. W. Leneve, R. S. Knowlton and Robert McCleary. After a successful balloon ascension came the "mule" race, in which the mules were to go north and the riders were to face south. Gus Alexson and Joe Lamy entered and started. It was very comical and entertained the crowd to a great degree. One of the riders fell off, but soon got his position again, and the mules, mule like, saw-sawed between going, standing still, turning back or aside, making a very laughable affair. No award was made.

The foot-races were held on B street, which is planked. The foot-race for boys between 12 and 20 years was won by Ned Lawrence, 1st prize; A. Mongrain, 2d.

The three-legged race was won by Ed Lorenz and Piper Johnson taking the 1st prize, and A. Mongrain and Miles Lamy the 2d. The old men's race was entered by J. B. Fox, Jack Wood, N. Lorenz, J. H. James, W. Notley, A. G. Aiken, Mr. Gabeler, J. H. Cecil and John Barker, and was a "stunner." It attracted much interest. J. H. Cecil took 1st prize and N. Lorenz 2d.

The race by girls under 12 was won by Susie Tuttle, and 2d prize by May Boyrie.

In the shoe race, free-for-all, Joe Hudson won 1st prize and Ed Lorenz 2d. A large crowd took part in this race.

The race for girls over 12 and under 20 was won by Georgia Hollenback—only one prize.

An Afro-American race was lively, the 1st prize being given to Pete Kelly, and 2d prize to Houston Wasson. Four colored men made the run, all from Beaver Hill.

The wheelbarrow race was won by Dave Collier.

The tug-of-war was dispensed with. The balance of the afternoon was given to firing cannon, fire crackers and social intercourse.

At 8 p. m. the fireworks committee, Dr. Culis, T. A. Walker and Mr. Krewson, attended to business. A better place however might have been selected for the display, but it was safe and passed off nicely. The balloon, however, was burned and therefore disappointed all.

The decorations by our citizens

were much more extensive and elaborate than usual, and flags and bunting were to be seen on every hand. Most of our business houses closed and the proprietors and employes took in the day.

The committees generally applied themselves to the work assigned them, except that the children were trained by Mrs. Strang, sr., Mrs. Strang, jr., and Mrs. George Leach, instead of the committee appointed therefor.

The choir was composed of Miss Marvin Lamb as organist; Mrs. Callie Leach, Mrs. D. P. Strang, sr., Miss H. V. Bowly and Mrs. Baskirk, sopranos; Miss Belle Rich and Mrs. D. P. Strang, jr., altos; A. A. Leach and Frank Strang, tenors; D. Morgan, Brette Clark and J. S. McEwen, basses.

This feature of the program was very pleasing, and with the fine selections by the band were a great attraction. The recitation by Miss Irene Leneve was well rendered and a patriotic and inspiring poem. The address, too, of Mr. Watson was able and eloquent, if we except his reference to Coxy's array.

All in all we had a pleasant time and must have been edified and strengthened in our duties as citizens, love of country and regard for the day and what it symbol.

Furnished a fitting close to our festivities, for it was a most brilliant affair, largely attended, social and highly enjoyable. The hall was crowded, but such good feeling prevailed no friction was perceptible at any time. Ten sets occupied the floor, and till daylight of the 5th successive quadrille, waltz and schottisch found their willing devotees. Leach's orchestra, assisted by Capt. Lockwood, furnished the choice music, and the midnight suppers, furnished by our hotels, were never better.

Coquille's fame in this line was not diminished by this grand, happy event. The band conducted the ball, and that fact was a guarantee of success.

BASEBALL GAME ON THE 3d. Our 4th of July festivities began on the afternoon of the 3d with a grand baseball contest between the Empire City and Coquille nines, for a purse of \$50. This was a great attraction and brought a good crowd. The day was fine and both teams were at their best. The result of the game was:

Table with 2 columns: Coquille, Empire. Rows for runs, hits, errors, etc.

The Coquille nine embraced C. Baxter, E. Norton, E. Reckner, D. Johnson, S. Norton, G. Baxter, C. Noster, B. Buzan and B. Noster.

The Empire nine was composed of Burgess, Tower, Clark, Saunders, Dougherty, Wren, Proctor, Hutchison and Smith.

Mr. Root is improving and gaining strength each day now.

HEART DISEASE, like

many other ailments when they have taken hold of the system, never gets better of its own accord, but constantly grows sorer. There are thousands who know they have a defective heart, but will not admit the fact. They don't want their friends to worry, and don't know what to take for it, as they have been told time and again that heart disease was incurable. Such was the case of Mr. Silas Farley of Dyesville, Ohio who writes June 19, 1894, as follows:

"I had heart disease for 23 years, my heart hurting me almost continually. The first 15 years I detested all the time, trying several physicians and remedies, until my last doctor told me it was only a question of time as I could not be cured. I gradually grew worse, very weak and completely discouraged, until I lived, propped half up in bed, because I couldn't lie down nor sit up. Thinking my time had come I told my family what I wanted done when I was gone. But on the first day of March on the recommendation of Mrs. Fannie Jones, of Anderson, Ind., I commenced taking Dr. Miles' New Cure for the Heart."

and wonderful to tell, in ten days I was working at light work and on March 15 commenced framing a barn, which is heavy work, and I haven't lost a day since. I am 56 years old, 6 ft. 4 in. tall and weigh 200 lbs. I believe I am fully cured, and I am now only anxious that everyone shall know of your wonderful remedies."

Dyesville, Ohio. SILAS FARLEY. Dr. Miles' Heart Cure is sold on a positive guarantee that the first bottle will benefit. If it does not, the money is refunded. It will be sent prepaid on receipt of price by the Dr. Miles Medical Co., Elkhart, Ind.

IT'S INJURIOUS TO STOP SUDDENLY and don't be imposed upon by buying a remedy that requires you to do so, as it is nothing more than a substitute. Hureka Chemical and Man'g Co., La Crosse, Wis.—Dear Sirs: I have been a tobacco fiend for many years, and during the past two years have smoked fifteen to twenty cigars regularly every day. My whole nervous system became affected, until my physician told me I must give up the use of tobacco, for the time being at least. I tried the so-called "Kreley Cure," "No-To-Bac," and various other remedies, but without success, until I accidentally learned of your "Baco-Curo." Three weeks ago today I commenced using your preparation, and today I consider myself completely cured! I am in perfect health, and the horrible craving for tobacco, which every inveterate smoker fully appreciates, has completely left me. I consider your "Baco-Curo" simply wonderful, and can fully recommend it. Yours very truly, C. W. HORNICK.
