If our readers will clip the coupon offering premiums, in another column, they will find the promise carried out to the letter.

The Baptists will hold their regularly monthly meeting in this place next Saturday afternoon, at which a full attendance is urged.

Johnson Bro's want 1000 dozen chickens and all the hides you can furnish. Highest market price in cash or trade. Bring them along.

John Nasburg had been out several days the past week from his late rheumatic affliction, but is taken ill again and is suffering much from the complaint.

The value of a good name was well exemplified the other day, when a man asked one of our druggists for a bottle of Sarsaparilla. "Whose?" inquired the clerk. "Whose? why, Ayer's, of course. Ye don't suppose I'm going to run any risks with Hannah, do ye?"

Rev. C. P. Cone, the Christian minister who was expected here from California last Sunday, was unexpectedly hindered from reaching this appointment, but will certainly be here next Sunday, if nothing occurs to prevent.

The union campmeeting at Arago is a success. The congregation is said to be good, and last Sunday attracted a large attendance, Rev. Mr. Baldwin preached and is said to be able and eloquent. The meeting will continue till August 1st.

Clearance Sale.

Miss Nellie Figg has concluded to close out her stock of Japanese goods and millinery, and has instituted a clearance sale to that end and will dispose of these goods at cost. There are some very nice and useful Japanese goods, and new, latest style of millinery goods. Don't miss this chance of purchasing what you want at actual cost. Everything goes. Call at once and get your choice.

The bridge on South slough suddenly refused to do duty early last week, and Judge Schroeder consulted Commissioner Stitt regarding it. Supervisor Schetter telephoned the dangerous condition of the bridge, although the court had just adjourned a few days before. This bridge is one of two or three in the county that are specially troublesome and expensive. The toredo destroys the piling in a little while and the bridges are seldom reliable or continually needing repairs.

Superintendent Canning, of the county infirmary, was at the bay last week. His establishment will have an increase of several inmates, persons who had been kept by outside parties at heavy expense to the county. The county court is redeeming its pledge to have but one county farm, though the most important and expensive outside provision is that what is called the hospital on the bay, which will certainly not be contracted with in the future. We have on hand now the county court proceedings of July term, part of which appears today, in which the hospital received, "for care of divers persons, 110 days, $357.50."

Among the numerous persons who have been cured of rheumatism by Chamberlain's Pain Balm, mention should be made of Mrs. Emily Thorne, of Toledo, Wash., who says: "I have never been able to procure any medicine that would relieve me of rheumatism like Chamberlain's Pain Balm. I have also used it for lame back with great success. It is the best liniment I have ever used, and I take pleasure in recommending it to my friends." For sale by Dr. S. L. Leneve, druggist.

The editor thanks Mrs. Dr. Owen (nee Ida Kronenberg), of St. Louis, for a handsomely printed program of the "Grand Interstate Competitive Drill by the National Guard of the United States," held at the grand fair grounds at St. Louis July 1 to 7, 1895, at which $16,000 were given in prizes. The local "Branch Guards," of St. Louis, Capt. C. A. Sinclair, won first prize of $3500, and the National Competitive Drill Association's Champion Cup, valued at $1000.

The teachers' annual institute of Coos county this year will certainly be a success in numbers attending and in educational enthusiasm. It will be held at Marshfield Tuesday, Wednesday and Thursday—August 27th, 28th and 29th. County Superintendent Barklow will furnish further information from time to time as to the program and what leading educators will be present to take part in its proceedings. It is set at a time, too, when no schools are likely to be in operation, and the teachers and all interested are free to take part in it.

The blasting of Tupper rock at Bandon took place last Wednesday evening at 8 o'clock, and was conducted most successfully. The tunneling of the rock began May 4th last and had been kept up steadily since, three shifts of men being employed all the time at the work. Instead of 5 tons of powder being used, and instead of blowing this whole section into kingdom come, as some predicted, we are all right at Coquille, and not a pane of glass was broken nor the slightest damage done at Bandon—some of the citizens there hardly realizing that the event had passed. Every precaution was used by the contractor, Mr. Jacobson, to prevent any damage, and he is well pleased with the result. There is rock enough there for the government work throughout this season and possibly next, right at hand.

The early one gets the bargains at Miss Nellie Figg's cost sale.

Attorney J. M. Upton of Bandon has been appointed a notary public by Governor Lord.

The Nosler Bro's delivered lumber at Notley's place last week, for improvements there, chief among which is a new barn.

A good gentle team will find ready sale to C. and T. Anderson, at Henry Clemens' place, on Lampey creek. See notice.

Mrs. J. W. Krewson, mother of our J. W. Krewson, came over from her home at Drain last Saturday on a visit to her son.

The HERALD was honored with a call from Rev. and Mrs. Horsfall yesterday, who were on their way to his appointments on the lower coast.

A 10-acre lot of C. H. Merchant's, at Marshfield, yields this season to date 53½ tons of hay. It is reclaimed marshland, and gives some idea of what our bottom lands can do.

Mrs. Stone, mother of W. T. and Miss Maggie Stone and Mrs. John Simmons, came over from Empire last Wednesday on a visit. We are pleased to say that her health is improved.

LOST.—Tuesday, July 9th, on the road between Moulton's and Fred Schroeder's place, a small package of medicine, of value only to the owner. No name on package. Please leave at this office and receive suitable reward.

Uncle Joe Hudson started to the Sixes this morning, where he expects to meet the parties who have traded for the Hudson Bro's placer mines, a statement of which appears elsewhere from the West Oregonian. The trade was to be closed on the 25th.

Coquille's business should be improved, and some that had been driven away should be recalled. It is the custom of long years back to invite patronage by advertisements, and even new business forms have not dispensed with that feature to any advantage.

Giles & Son's brickyard at Myrtle Point is the leading industry at that place. They have a contract with the government to furnish brick for the lighthouse at Bandon, which is being filled now, and other orders which will take them well toward fall to supply. We are glad to hear it.

The West Oregonian mentions that M. C. Bingham of Roseburg was at that place last week to investigate the prospects of bee-culture in this section. It is a decided success, already well advanced and with promise of large increase in the near future. Our townsman, T. A. Walker, has taken the business intelligently in hand and is succeeding splendidly.

YEARS OF INTENSE PAIN.

Dr. J. H. Watts, druggist and physician, Humboldt, Neb., who suffered with heart disease for four years, trying every remedy and all treatments known to himself and fellow-practitioners; believes that heart disease is curable. He writes:

"I wish to tell what your valuable medicine has done for me. For four years I had heart disease of the very worst kind. Several physicians I consulted, said it was

Rheumatism of the Heart.

DR. J. H. WATTS.

It was almost unendurable; with shortness of breath, palpitations, severe pains, unable to sleep, especially on the left side. No pen can describe my sufferings, particularly during the last months of those four weary years. I finally tried

Dr. Miles' New Heart Cure,

and was surprised at the result. It put new life into and made a new man of me. I have not had a symptom of trouble since and I am satisfied your medicine has cured me for I have now enjoyed, since taking it

Three Years of Splendid Health.

I might add that I am a druggist and have sold and recommended your Heart Cure, for I know what it has done for me and only wish I could state more clearly my suffering then and the good health I now enjoy. Your Nervine and other remedies also give excellent satisfaction." J. H. WATTS.

The silk station is a busy place just now. The 10,000 little silk-spinners are about closing up their brief life and summer's work.

The board of school trustees has ordered a school meeting of the legal voters on school matters to consider the question of a new schoolhouse. It will be held August 17th.

Rev. Wm. Harrington and wife, an aged couple, came down to Bandon on last Bandorille and there joined their sons Asa and Charley, who have established homes at that place. The old gentleman celebrated his 78th anniversary on the Bondorille.

Mr. Root, who was so seriously hurt a few weeks since in the sawmill, having had his skull fractured, resulting in concussion of the brain and partial paralysis, has so far recovered as to be out and exercising some, and has quite recovered his speech. In the course of a few weeks Mr. R. and family will make a visit to the valley, camping out and resting up.

West Oregonian: John Aiken of Roseburg and Dr. Parish of Monmouth passed through this place with their families last Sunday on their way to the Sixes mines. These gentlemen are members of the company that purchased the Shad Hudson placer claim on Sixes and they will now commence work on a large scale. The first move will be to build a flume and ditch about three miles long and this brings sufficient water to place giants in convenient places to reduce the surface dirt very rapidly. All the members of the company will be on the grounds within a week or ten days and the work will be pushed as fast as possible.

EVERY DAY SOME WANT presents itself at the household and elsewhere if any activity in the locality. Keep your business or affairs alive and make them move. Cash is the right thing. Do not let any one get your name down as a debtor. Be free and independent to purchase where and what you please. If you have not the capital to run the ranch or the business get it on the best terms possible and pay for it at current rates, but do not pay two prices for goods for the sake of a few weeks credit. The League Game

Last Sunday, between the Bandon and Coquille nines, at this place, did not pass off as pleasantly as former games. The contest was close, but three or four balls struck the catcher or striker and temporarily suspended their playing. While nothing serious resulted, the effect seemed to be to cause ill temper and dissatisfaction, finally resulting in breaking up the game by the Bandon boys. The 8th inning was being played by the Coquille boys, when Gene Norton followed a ball to the first base, which the umpire, Hal Baxter, called a foul. This caused a dispute and the Bandon nine refused to play out the game. At this point the game stood:

	1	2	3	4	5	6	7	8	9	
Coquille	2	0	2	1	1	2	0	*	*	—8
Bandon	0	5	0	2	2	0	2	0	*	—11

Umpire called "time," but the game ceased and the umpire declared the game in favor of Coquille.

We understand that there is a rule of the league which provides that, after the decision of the umpire, a refusal of the nine to play out the game subjects the nine to a fine of $25, in default of which the nine is subject to expulsion from the league.

DON'T STOP TOBACCO

IT'S INJURIOUS TO STOP SUDDENLY and don't be imposed upon by buying a remedy that requires you to do so, as it is nothing more than a substitue. Ask your druggist about BACO-CURO. It is purely vegetable. You do not have to stop using tobacco with BACO-CURO. It will notify you when to stop and your desire for tobacco will cease. Your system will be as free from nicotine as the day before you took your first chew or smoke. An iron-clad written guarantee to absolutely cure the tobacco habit in all its forms, or money refunded. Price $1 per box, or 3 boxes (30 days treatment and guaranteed cure,) $2.50 For sale by all druggists or will be sent by mail upon receipt of price. SEND SIX TWO-CENT STAMPS FOR SAMPLE BOX. Eureka Chemical and Man'f'g Co., La Crosse, Wis.—Dear Sirs: I have been a tobacco fiend for many years, and during the past two years have smoked fifteen to twenty cigars regularly every day. My whole nervous system became affected, until my physician told me I must give up the use of tobacco, for the time being at least. I tried the so-called "Keeley Cure," "No-To-Bac," and various other remedies, but without success, until I accidentally learned of your "Baco-Curo." Three weeks ago today I commenced using your preparation, and today I consider myself completely cured; I am in perfect health, and the horrible craving for tobacco, which every inveterate smoker fully appreciates, has completely left me. I consider your "Baco-Curo" simply wonderful, and can fully recommend it. Yours very truly,
C. W. HORNICK.
