

Devoted to the material and social up building of the Coquille Valley particularly and of Coos County generally.

TUESDAY, SEPT. 3, 1895.

Do It. THE GOLDBUG MICROBE is instantly killed by sending a 2-cent stamp to the American Bimetallic League, Washington, D. C., and asking for free literature.

Additional Locals. Mrs. J. T. Noser is on the sick list.

W. R. Hayter of Arago was down yesterday on business.

Our friend J. W. Sugg furnishes us a good report of the Y. P. S. C. W. Convention at Willowsdale.

Miss Salie Mast, assistant in our city school, arrived last Sunday and is boarding at Allen Collier's.

Prof. Kinnient, principal of our city school, moved into the Methodist parsonage for residence this winter.

Noah Leneve is papering, painting and finishing anew the Jones property, now A. L. Noser's, for occupancy by Hon. W. Sinclair.

The great over 300-horse-power engine, for use in hoisting coal cars at the Beaver Hill mines, was received per steamer Homer last week. The engine weighs 16,000.

Last August while working in the harvest field I became overheated, was suddenly attacked with cramps and was nearly dead.

The new tug reached this place about 2 p. m. yesterday, four days out from San Francisco.

Godfrey, the "Wizard of the Air," gave another entertainment in this city last Saturday night to a good audience.

Major Post and Major Brownlie, of Portland, Oregon, arrived here last evening to inspect the work on the lighthouse.

Bandon is still forging ahead and new buildings are going up while more are in prospect.

Five or six of the men got a ducking in the other evening while coming over from where they are working on the lighthouse.

Piling has been driven out 200 feet this season at the jetty and the work of dumping rock is going on at the rate of over 200 tons a day on an average.

Major J. B. Brockenbrough, U. S. timber land inspector, and John Givens, made a business trip to Port Orford.

This is the heart of civilization: In the English house of commons, Friday, during the debate on the queen's speech, Timothy Harrington declared that the liberal party had fled from home rule.

Dr. Tanner shouted out "Lie!" and confusion reigned for a time.

Prof. Golden again took up the subject of grammar, there having been some questions on that subject placed in the question box.

He said: If I ask questions, I want the teachers to answer from their actual experience, and not from theory.

The time and manner of beginning the study in the public school was the prominent topic for discussion.

AFTERNOON SESSION, 28TH. Prof. W. H. Bunch resumed the subject of Arithmetic.

Prof. E. E. Balcomb continued the subject of Physiology, giving us the classification of tissues, of foods, and the process of digestion.

Prof. W. D. Reedy continued the subject of Orthography and advised written spelling as nearly as possible; oral only occasionally to help to create an enthusiasm.

Prof. H. M. Coke, according to appointment, introducing the subject of History, said he believed that the present text book on history does not meet all the needs of the teacher, and advised the use of supplementary work, and outlines for each lesson for the class.

The church was crowded full to the brim for the entertainment. Music was furnished by Miss Smith, Miss Anderson and Mrs. C. W. Tower.

The following-named teachers attended the institute: F. G. Kelly, James L. Coke, Alfred A. Johnson, Samuel J. Sleep, Edward Robison, W. J. Patterson, Louis Strong, C. D. Roberts, Lelia Sumner, Mars McDonald, Libbie Gabeler, Agnes Rogers, Joeey Beyers, W. H. Bunch, Nellie Dent, E. Jenkins, Nellie Sackett, H. M. Coke, Tillie Gamble, F. S. Bunch, Millie Diez, J. H. Leek, Daisy Gies, Pearl Fetter, Inez Lusk, G. W. Johnson, Annie Carl, Edith King, Lulu Walker, W. D. Reedy, Flora McCloskey, W. J. Moon, Estelle Robertson, D. L. Road, Sarah G. Miller, Chas. Flynn, Emma Stauff, C. F. Waterman, Wm. Cavanaugh, C. F. Waterman, J. B. Sneadon, B. F. Savage.

Dr. Price's Cream Baking Powder. World's Fair Highest Medal and Diploma. Steamer Bawmore a Wreck.

The tank steamer Bawmore, a British tramp steamer chartered by Grace & Co. of San Francisco, ran ashore last Wednesday evening about 5 o'clock, at Floras Lake, a few miles below Bandon.

There are various statements as to the cause of the wreck, the most probable being that the bearings were lost through the influence of the electrical machinery aboard.

All efforts to lighten and float her proved useless. The powerful tug Monarch left San Francisco and is now due, and may succeed in saving the vessel.

The boat took fire inside last Sunday, from barrels of lime that had got wet and caused the conflagration, but water was turned in on it, and it is thought to be about extinguished.

Superintendent Canning of the county farm has a bright 8-year-old boy to put on trial, or for adoption to the proper person.

Mr. and Mrs. Caddie Lockwood came down from Myrtle Point together on their bicycles last Friday morning and rolled on through to Marshfield.

NOTICE TO STOCKHOLDERS.—The annual meeting of the stockholders of the Coos County Mercantile and Shipping Association will be held at Herald Hall (over the Herald office) in Coquille City, Oregon, on Friday, September 6, 1895, at 2 o'clock p. m.

Jim Whetstone has moved to Uncle Bird Vowell's property, near the schoolhouse.

That Lysching at Yreka. The fact of the recent wholesale hanging at Yreka, Cal., being pretty well known, the HERALD will be content to herewith give the verdict of the coroner's jury, and leave the justice of the act of the vigilantes to their own consciences.

Y. P. S. C. W. at Willowsdale. The bi-county association of young people's societies of Christian workers, such as the Sunday-schools, leagues and endeavors, met as per call at Fishtrap (now Willowsdale) last Wednesday afternoon.

Christian Endeavor of Willowsdale for the fine accommodations and splendid entertainment provided for us during our meeting; and to the officers of the Presbyterian church for the use of their church edifice.

Whereas, It has pleased the All-wise Providence, who controls all earthly things, to remove from our midst Sister Lizzie Perkins; and Whereas, We bow with resignation to His will "who doeth all things well," though we do not understand; and Whereas, We shall miss our departed sister from our chapter, but we hope to be reunited with her (whose absence we mourn) in the Grand Chapter which shall meet—beyond Death; therefore, be it Resolved, That we, members of Beulah Chapter, No. 6, of the Eastern Star of the State of Oregon, hereby express our sorrow at the removal from our midst of our sister, Lizzie Perkins, whom we loved and shall always cherish in social memory; and Resolved, That we sympathize with her dear father and mother, and with her sister and brothers and all her relatives, and pray that they with us may keep green her memory by emulating the noble traits of her honored character; and Resolved, That a copy of these resolutions be furnished to Mr. and Mrs. J. M. Perkins, and that said resolutions be spread upon the minutes of this chapter, and also a copy be furnished each of the Coquille City papers for publication.

J. B. Fox and T. S. Everden have completed the bridge on the Middle Fork in good style, and to such satisfaction that the former gets three or four more bridges to put in repair in other parts of the county.

Comrade Ed Nichols was with the Draue-Goodman-Buzan hunting party mentioned last week, but we had not learned the fact till since last issue.

Prof. Kanematz is up in the mines, making surveys of claims, platting the Dyllibuss Co's claims, and assaying.

IMPROVED FARM OF 160 ACRES good fruit and grain land in Rogue River Valley, for exchange for a small place near a town in Coos county, or suburban property. J. LINDSLEY, 463 1/2 B. Beagle, Jackson county, Oregon.

THE RANDON SCHOOL, offers for the year 1895-'96, Scientific and Classical courses preparatory for home duties, the professions, or for college. Responsible Teachers. A fine new school building, work thorough and systematic and under the direction of a post-graduate of Stanford University. FALL TERM begins September 2, 1895. For circular, or other information, address JOSEPH S. HEDDING, Bandon, Oregon.

M. C. Miller made a general report of Sunday-schools; reading minutes of last convention followed. Mrs. Brouillette read a paper—How can we best help the church. This was discussed by members. Miss Kalona Scott read a paper—What kind of company shall we keep? Rev. Mr. Scott addressed the children. A Committee on "the good of the order" was appointed—Mr. Scott, Mrs. Disher and Mrs. Simmons.

Afternoon session.—Devotions and prayer by Y. P. S. by Miss Zettie Messer. Another prayer and general report were made by Miss Millie Brouillette of Myrtle Point; secretary, Miss Annie Fisher of Marshfield; treasurer, Miss Phoebe Lamb of Willowsdale.

The time of meeting was then changed to once a year, and to meet at Marshfield one year from this date.

Evening session.—Song by the choir. Devotions. Who speaks? The Lord thy Redeemer, by Miss Nettie Greer. Address, The Nation's Curse, by Miss Millie Brouillette. Minister's half hour was led by Rev. Hollenbeck. Short discussion by ministers present on various subjects. Social life—what constitutes a good time? was dealt with ably by Mrs. Morgan, which was followed by several speeches by members of the convention. Song by the Coquille Society of Christian Endeavor, by special request. Closing song by Willowsdale C. E. Recitation by Miss Millie Brouillette. Closing address by vice-president, Miss Nettie Greer. Song—God be with you, till we meet again, by the congregation.

The committee on resolutions then reported these RESOLUTIONS OF THANKS. Resolved, That the thanks of the Y. P. S. C. W., now met in convention at Willowsdale, are hereby extended to the steamboat companies for the favor of reduced rates to delegates to this convention; to the people of Willowsdale for the splendid and hearty reception accorded to us; to the society of

subject of grammar, there having been some questions on that subject placed in the question box. He said: If I ask questions, I want the teachers to answer from their actual experience, and not from theory. The time and manner of beginning the study in the public school was the prominent topic for discussion.

AFTERNOON SESSION, 28TH. Prof. W. H. Bunch resumed the subject of Arithmetic. As the subject of primary arithmetic had been discussed the previous day, the time was spent in the study of methods of teaching advanced arithmetic.

Prof. E. E. Balcomb continued the subject of Physiology, giving us the classification of tissues, of foods, and the process of digestion.

Prof. W. D. Reedy continued the subject of Orthography and advised written spelling as nearly as possible; oral only occasionally to help to create an enthusiasm.
