Held Up and Shot.

The Roseburg Daily Plaindealer of 28th gives the following item of the "hold up" on the Coos bay-Roseburg stage-road: Tuesday evening between 8 and 9 o'clock, about one mile south of Jephtha Green's, two masked highwaymen held up Wm. Peart, a footman on his way to this city from Beaver Hill, Coos county, where he had been at work in the coal mines, and robbed him of what money they found on his person.

YEARS OF INTENSE PAIN.

Dr. J. H. Watts, druggist and physician, Humboldt, Neb., who suffered with heart disease for four years, trying every remedy and all treatments known to himself and fellow-practitioners, believes that heart disease is curable. He writes: "I wish to tell what your valuable medicine has done for me. For four years I had heart disease of the very worst kind. Several physicians I consulted, said it was Rheumatism of the Heart. It was almost unendurable; with shortness of breath, palpitations, severe pains, unable to sleep, especially on the left side. No pen can describe my sufferings, particularly during the last months of those four weary years. I finally tried Dr. Miles' New Heart Cure, and was surprised at the result. It put new life into me and made a new man of me. I have not had a symptom of trouble since and I am satisfied your medicine has cured me. I have now enjoyed, since taking it, Three Years of Splendid Health. I might add that I am a druggist and have sold and recommended your Heart Cure, for I know what it has done for me and only wish I could state more clearly my sufferings then and the good health I now enjoy. Your Nervine and other remedies also give excellent satisfaction." J. H. WATTS, Humboldt, Neb., May 9, '94.

BIG PROFITS ON Small Investments.

Returning prosperity will make many rich, but nowhere can they make so much within a short time as by successful speculation in Grain, Provisions and Stock. \$10.00 FOR EACH DOLLAR INVESTED CAN BE MADE BY OUR Systematic Plan of Speculation originated by us. All successful speculators operate on a regular system. It is a well-known fact that there are thousands of people in all parts of the United States who, by systematic trading through Chicago brokers, make large amounts every year, ranging from a few thousand dollars for the man who invests a hundred or two hundred dollars up to \$50,000 or \$100,000 or more by those who invest a few thousand. It is also a fact that those who make the largest profits from comparatively small investments on this plan are persons who live away from Chicago and invest through brokers who thoroughly understand systematic trading. Our plan does not risk the whole amount invested in any trade, but covers both sides, so that whether the market rises or falls it brings a steady profit that piles up enormously in a short time. WRITE FOR CONVINCING PROOFS, also our Manual on successful speculation and our Daily Market Report, full of money-making pointers. L. F. KEE, Our Manual explains margin trading fully. Highest references in regard to our standing and success. For further information address THOMAS & CO., Bankers & Brokers, febl 96] 241-242 Rialto Building, CHICAGO, ILL.

DON'T STOP TOBACCO. IT'S INJURIOUS TO STOP SUDDENLY and don't be imposed upon by buying a remedy that requires you to do so, as it is nothing more than a substitute. In the sudden stoppage of tobacco you must have some stimulant, and in most cases, the effect of the stimulant, be it opium, morphine, or other opiates, leaves a far worse habit contracted. Ask your druggist about BACO-CURO. It is purely vegetable. You do not have to stop using tobacco with BACO-CURO. It will notify you when to stop and your desire for tobacco will cease. Your system will be as free from nicotine as the day before you took your first chew or smoke. An iron-clad written guarantee to absolutely cure the tobacco habit in all its forms, or money refunded. Price \$1 per box, or 3 boxes (30 days treatment and guaranteed cure), \$2.50. For sale by all druggists or will be sent by mail upon receipt of price. SEND SIX TWO-CENT STAMPS FOR SAMPLE BOX. Booklets and proofs free. BREWER & CHEMICAL & MFG CO., La Crosse, Wis. Office of THE PIONEER PRESS COMPANY, C. W. Hornick, Sup., St. Paul, Minn., Sept. 7, 1894. Bureka Chemical and Man'g Co., La Crosse, Wis.—Dear Sir:—I have been a tobacco user for many years, and during the past two years have smoked fifteen to twenty cigars regularly every day. My whole nervous system became affected, until my physician told me I must give up the use of tobacco, for the time being at least. I tried the so-called "Kewley Cure," "No-To-Bac," and various other remedies, but without success, until I accidentally learned of your "Baco-Curo." Three weeks ago today I commenced using your preparation, and today I consider myself completely cured; I am in perfect health, and the horrible craving for tobacco, which every inveterate smoker fully appreciates, has completely left me. I consider your "Baco-Curo" simply wonderful, and can fully recommend it. Yours very truly, C. W. HORNICK.

Dr. Strange, dentist, will be in Myrtle Point from tomorrow (Wednesday) till next Monday. Mr. Wilkins is again at work in his gallery and anxious to make photographs for farm produce. An auction sale of notes and accounts, and final settlement "ad.," of assignee of Rackleff assigned estate, appear today.

If our readers will clip the coupon offering premiums, in another column, they will find the promise carried out to the letter. Arthur Flynn attended the teachers' institute last week and then spent several days in this place. More Chinamen are due for work at the canneries on the lower river. They come on the tug Roberts, from Astoria. A total eclipse of the moon is due tonight. It begins early in the evening, and is full about 9 o'clock. If the weather permits the exhibition will be worth seeing.

Ayer's Sarsaparilla is one of the few remedies which are recommended by every school of medicine. Its strength, purity, and efficacy are too well established to admit of doubt as to superiority over all other blood-purifiers whatever. Ayer's Sarsaparilla leads all. The following passengers arrived on the Arago last week: John Norman, Elijah Smith, P. A. Buel, Mr. Lucy, Capt. Larsen, Miss Clements, Mrs. Hunter, H. Fennell, Miss Valino, and five in the steerage. Mr. Wilkins has so far recovered from his late severe sickness that he is improving his gallery and preparing for photographic work again. He is exhibiting some handsome views of our water-front.

J. N. Fielder's family—Mrs. F. and daughters and granddaughters—came in last Saturday from Merlin, Jackson county, camping along the way. Mr. F. is mining successfully at or near his home. Shall we make any exhibit at the Oregon Industrial Exposition at Portland, which opens October 5 and closes November 5? Certainly our mercantile association and board of trade will not let this opportunity pass.

J. P. Cone, who has been visiting in this section from Humboldt county, Cal., for a few weeks, has included, besides his church work, some out-door recuperation and he has hooked several fine salmon, ranging from 15 to 36 pounds each. Mrs. G. F. Bottell of this place, Misses Alice, Joey and Millie Beyers of Sumner, Misses Lula and Ethel Boone of Sumner, and Misses Flora and May Boyrie of this place, returned last Saturday from camping on the beach. Jesse Beyers was also along. They had a pleasant time, and were rested and recuperated for business again.

A host of people, several of whom were former residents and well known here, have about taken their departure from Washington for this place and may be looked for in a few days. Of the crowd we note Mr. and Mrs. Alva Fellows (nee Nannie Stone), Mr. and Mrs. Henry Gohlmann (nee Ruby Stone), Will Miller and family, Aunt Beckie Cardwell, Tom Cardwell and family, Alex Cardwell, and a Mr. Buck and family, and probably others. H. A. W. Henderson and family of Myrtle creek, Douglas county, were in this place last Friday, on their return home from camping on the beach. Mr. H. is a cripple from an accident, and otherwise afflicted, and recently moved to southern Oregon on account of the HERALD, occasional copies of which fell into his hands through a subscriber at Star, Idaho. There were with him, on an outing, Tom Russell and family, and old Mr. Russell and wife and sons, from Myrtle creek, and all were much pleased with their visit to Coos county. Mr. H. is such a friend of the HERALD that he desires its weekly visits.

Board of Equalization. Notice is hereby given that the County Board of Equalization for Coos county, State of Oregon, will meet at the office of the County Clerk of said county on the 16th day of September, A. D. 1895, at the hour of 9 o'clock a. m., and publicly examine the assessment roll, and correct all errors in valuation, description, or qualities of lands, lots or other property. K. H. HANSEN, County Assessor.

The dedicatory services of the Christian church at this place last Sunday passed off very pleasantly and agreeably to those who participated, the attendance being smaller than was expected owing to rains which set in Saturday night and kept up in a menacing manner throughout the day. The basket dinner was spread at the church, after the service, instead of at the grove, as had been intended and prepared for. A goodly number were fed and provisions were abundant. The religious program, however, was carried out in an edifying manner, the sermon being able and eloquent and the music appropriate and attractive. The amount still due against the church was very small, and this would be fully met from the sum realized or pledged at the opening of the service. The service at night was also well attended and the minister, Rev. C. P. Cone, impressed his hearers deeply with his parting words.

Tom Stillwell was down from Morris Bro's camp last Saturday for the first since a fortnight ago, when an accident happened to him. He had had one of his legs badly bruised by a log which swung around and caught him against another log, painfully, though not seriously, injuring him. He is recovering satisfactorily. Dr. and Mrs. Strange left for Marshfield yesterday, and will return on tomorrow's train to Myrtle Point, where he will remain for dental practice till next Monday. The doctor will then revisit this place for a few days, to finish up work in hand, and then for a few days at Bandon.

Many people, not aware of the dangers of constipation, neglect the proper remedy till the habit becomes chronic, or inflammation or stoppage results. A dose or two of Ayer's Pills in the beginning would have prevented all this. Miss Enallie Tyrrell reached this place last Friday from the bay, was the guest of Mr. and Mrs. A. L. Noser till Saturday noon, and then she took the boat for Bandon where she will be associated with Prof. Hodgkin in the school at that place.

Awarded Highest Honors—World's Fair, Gold Medal, Midwinter Fair. DR. PRICE'S CREAM BAKING POWDER. E. W. JOY COMPANY—Gentlemen: I have just completed the second bottle of your Vegetable Sarsaparilla. I have had catarrh for years which affected my eyes, hearing and stomach. Frequently would have dull headaches for days at a time. Since taking your remedy I have felt no disagreeable symptoms. Trusting you will publish this as I want any one suffering from any of the above symptoms to be benefited. Kindly send me two more bottles by return express. (Signed) MR. FREDERICK DE RICHMOND, Seattle, Wash.

Every mail brings a new batch of testimonials for Joy's Vegetable Sarsaparilla. Geo. Moulton again accepts the agency of the Pacific nursery at Tangent, Oregon, and will canvass Coos county. This is a reliable firm and already known as such to Coos county patrons, while George is also well known and deals fairly with our citizens. If you want fruit trees of any kind, true to name and at fair prices, give George Moulton your order.

Rev. C. P. Cone of California, who has been on an evangelistic mission of the Christian church to this place for about a month past, besides conducting very successful meetings nightly for more than two weeks, has delivered three lectures to the general public on subjects other than church or religious lines. Thursday night of last week, by request, he introduced the subject of the A. P. A. and the principles and necessity of the order as a political factor. He had a large audience and was frequently applauded. As he could barely introduce the subject in one lecture, he was prevailed upon to resume the subject the following Monday night—last night—at Masonic hall. It was a decided hit and largely attended. Elder Cone also lectured last Saturday night on "Manners—not yours, but the other fellow's." The attendance was not what it should have been, but this did not detract from the merits of the lecture. The Rev. Mr. Cone's mission has not been fruitless in our community, but has succeeded in stirring up some thought, at least, on important, living issues, and the result must be to enlarge our social life.

The new record blackboard at the Christian Sunday-school, of which we made mention recently, was a gift to the school, E. P. Chazy doing the carpenter work and Noah Leneve the painting and finishing, which services they kindly donated. NOTICE is hereby given to subscribers to stock of the Coquille City Hotel Co. that work having been begun on the construction of the building, the first one-third of each share of cash subscriptions, in full and payable to J. W. Lewis, secretary. J. H. NOSLER, Pres. Coquille City Hotel Co.

The Eel River Advance of a recent date says: "If they do not change their minds, G. W. Williams of the mercantile firm of Swartzel & Williams, J. H. Loring hardware and tinware dealer, R. R. Smith ex-principal of Fortuna public schools, Frank Dutton proprietor of the Fortuna fruit evaporator, and H. I. Gushaw proprietor of one of Fortuna's drug stores, will leave this place today en route overland for Coquille City, Oregon. They will camp out, fish and hunt and have a general good time. We advise the editors of the Crescent City Record and News, and the Coquille City Herald and Bulletin to keep an eye on them when they arrive as they are young and handsome and very susceptible to the winning ways of the fair sex, and it is hardly right to Humboldt county beauties to have the captivating Oregon girls steal the gentlemen's hearts away. Should any of the party get stranded while there please tag, and ship C. O. D. on board the steamer Alice Blanchard at Coos Bay for Fortuna, N. B.—Keep chicken houses locked."

ALL Persons who will clip this coupon from the columns of the HERALD and send it with their order to Smith's Cash Store, 414 to 418 Front street, San Francisco, Cal., will receive premiums, as follows: On orders \$1 to \$10, a child's book, Dolly Dimple Series; order \$10 to \$25, one year's subscription, free, to any of the following PAPERS: SCATTERED SEEDS, Philadelphia, Pa. ORCHARD AND FARM, San Francisco. HOME MAGAZINE, Washington, D. C. FARM JOURNAL, Philadelphia, Pa. Only one coupon honored with each order. (Sugar purchases not included in the above offer.) Books from our 25 cent list may be chosen in place of papers if preferred.

This is a reliable firm and already known as such to Coos county patrons, while George is also well known and deals fairly with our citizens. If you want fruit trees of any kind, true to name and at fair prices, give George Moulton your order.
