IT IS INJURIOUS TO STOP SUDDENLY and don't be imposed upon by buying a remedy that requires you to do so, as it is nothing more than a substitute. In the sudden stoppage of tobacco you must have some stimulant, and in most all cases, the effect of the stimulant, be it opium, morphine, or other opiates, leaves a far worse habit contracted. Ask your druggist about BACCO-CURO. It is purely vegetable. You do not have to stop using tobacco with BACCO-CURO. It will notify you when to stop and your desire for tobacco will cease.

Office of THE PIONEER PRESS COMPANY, C. W. Hornick, Supt., St. Paul, Minn., Sept. 7, 1894. Dear Sirs: I have been a tobacco user for many years, and during the past two years have smoked fifteen to twenty cigars daily. My whole nervous system became affected, until my physician told me I must give up the use of tobacco, for the time being at least. I tried the so-called "Keely Cure," "No-To-Bac," and various other remedies, but without success, until I accidentally learned of your "Bacco-Curo." Three weeks ago today I commenced using your preparation, and today I consider myself completely cured. I am in perfect health, and the horrible craving for tobacco, which every inveterate smoker fully appreciates, has completely left me. I consider your "Bacco-Curo" simply wonderful, and can fully recommend it. Yours very truly, C. W. HORNICK.
