The rain which set in Tuesday night of last week has kept up at intervals since, and there has been a heavy fall. There is considerable grain still standing and some down, which may be damaged—particularly of the latter. Dairy men will be assured of fall and winter grass and stockmen of grazing, even without further rain or damage to grain and fruit.

The Adventist protracted meeting closed with last Sunday night's service, which was held at Masonic hall and very largely attended. Elder Healy preached a very learned and interesting discourse. The attendance at the former meetings, out at the academy, was not what had usually greeted these able ministers, partly owing to other meetings that were going on and partly to inclement weather.

A very pretty photograph of the wrecked and burning steamer Bawmore, on the beach below Bandon, is on exhibition at this place. The work is that of Hugh T. Barnard, landscape photographic artist of Bay City, which he sells at 50 cents each. It is the scene of a memorable event. The view was taken September 3, 1895, the sea was very calm and the view made at a most propitious time.

The tug Katie O'Neil, besides its service in towing and freighting, will also carry passengers to and from this river and Coos bay. Several went that way early last week, some to attend county court, and others on other business matters or pleasure. It is likely the name of the tug will be changed to suit the present ownership. Capt. Wheeler understands his business, is experienced and safe, and will manage the craft in all its details of the public service.

From the Mining Section. Uncle Jack Laird returned last Saturday from a prospecting hunt in the Johnson mountain section, where he and Prof. Kanematz had gone a few weeks ago. We are glad to learn of their success. They prospected in the neighborhood of the "Big Joe," and also near Ira Buzan's claim, and they are satisfied they have found the mother lode and a good claim—in fact Uncle Jack is already a gold-bug and shed his hay-seed associates from date. Prof. Kanematz, also, is elated with their find and will hardly return for some days. Ira Buzan is reported, also, to be in better spirits than ever before, and feels confident of a rich strike. Mr. Laird returns to the mines with provisions, etc., today.

Capt. Charles Goodall, senior of the firm of Goodall, Perkins & Co., San Francisco, and father of Edwin and Charles M., was quietly married in that city Saturday, Sept. 7, to Mrs. Carrie J. Hathaway, Rev. Dr. Hirst performing the ceremony. The affair took place at the home of the bride, at 28 Shotwell street, and besides being a prominent event of itself, was probably the last of the kind at which Rev. Dr. Hirst would officiate in that city prior to his departure for Chicago, whither he had accepted a call. The firm of Goodall, Perkins & Co. has large interests in this section, and several members are personally known and popular with many of our people.

Our friend E. B. Price, of River-ton, who a few months since reached this section from Iowa, was up at this place last Saturday and honored the HERALD with a call. Mr. P. is an old friend of the HERALD, having corresponded with it several years back in both prose and verse. He is a gentleman of culture and refinement, with a strong predilection for verse, and has written many pieces of merit. His health is improved in this climate, and that of his wife's also, and we hope they may find it convenient to remain among us. He is the uncle of the Price Bros., sawmill, men at River-ton.

Wilson, the slow jeweler of Roseburg, the heaviest man in southern Oregon, who will ride a Crescent." Three prizes are offered by Carl & Richardson.

A. C. Wilson, who has been mining in the Poverty Gulch neighborhood for some months past, returned to this place Friday and will winter here. He has had varied success in his prospecting, and has a good chance in eight, with a good hydraulic force near at hand. Mr. W. expects to engage at his trade, of blacksmithing here.

Edward Robison, son of Rock Robison, of near Willowdale neighborhood, who attended school in this place last winter, closed a term of school at Four-mile, below Bandon, Friday last. Ed is very young, but studious, enterprising and aspiring to fit himself for usefulness.

DR. PRICE'S CREAM BAKING POWDER. Most Perfect Made. 40 Years the Standard.

Mrs. J. P. Bell, Ossawatimie, Kas., wife of the editor of The Graphic, the leading local paper of Miami county, writes "It was treated with heart disease for six years, severe palpitations, shortness of breath, together with such extreme nervousness, that, at times I would walk the floor nearly all night. We consulted the best medical talent. They said there was no help for me, that I had organic disease of the heart for which there was no remedy. I had read your advertisement in The Graphic and a year ago, as a last resort, tried one bottle of Dr. Miles' New Cure for the Heart, which convinced me that there was truth in it. I took three bottles each of the Heart Cure and Restorative Nervine and it completely cured me. I sleep well at night, my heart beats regularly and I have no more smothering spells. I wish to say to all who are suffering as I did; there's relief untold for them if they will only give your remedies just one trial." Dr. Miles' Heart Cure is sold on a positive guarantee that the first bottle will benefit. All druggists sell it at 40¢ a bottle for 60¢, or it will be sent prepaid, on receipt of price by the Dr. Miles Medical Co., Elkhart, Ind.

Mrs. Sam Johnson of the South Fork, and her daughter-in-law, Mrs. Ed Johnson, were down during part of the Adventist's protracted meeting, returning home yesterday.

Sufferers from dyspepsia have only themselves to blame if they fail to test the wonderful curative qualities of Ayer's Sarsaparilla. In purifying the blood, this medicine strengthens every organ of the body, and even the most abused stomach is soon restored to healthy action.

Six schooners are now in the river loading, four having come in Sunday. The tug Triumph towed the Antelope to Lyons' wharf last evening, and the Coquille, Parkersburg and Long are on the lower river. These, with the Free Trade loading at River-ton, the Albion at Morras Bro's mill, and the tug Katie O'Neil and steamer Bandonville freighting and carrying passengers, this valley is beginning to show up to the outside world and is faring pretty well in the carrying line. What grand opportunities are developing for us.

Catarrh. E. W. JOY COMPANY—Gentlemen: I have just completed the second bottle of your Vegetable Sarsaparilla. I have had catarrh for years which affected my eyes, hearing and stomach. Frequently would have dull headaches for days at a time. Since taking your remedy I have felt no disagreeable symptoms.

Trusting you will publish this as I want any one suffering from any of the above symptoms to be benefited. Kindly send me two more bottles by return express. (Signed) MR. FREDERICK DE RICHMOND, Seattle, Wash.

BIG PROFITS ON Small Investments.

Returning prosperity will make many rich, but nowhere can they make so much within a short time as by successful speculation in Grain, Provisions and Stock. \$10.00 FOR EACH DOLLAR INVESTED CAN BE MADE BY OUR Systematic Plan of Speculation originated by us. All successful speculators operate on a regular system. It is a well-known fact that there are thousands of people in all parts of the United States who, by systematic trading through Chicago brokers, make large amounts every year, ranging from a few thousand dollars for the man who invests a hundred or two hundred dollars up to \$50,000 or \$100,000 or more by those who invest a few thousand. It is also a fact that those who make the largest profits from comparatively small investments on this plan are persons who live away from Chicago and invest through brokers who thoroughly understand systematic trading. Our plan does not risk the whole amount invested on any trade, but covers both sides, so that whether the market rises or falls it brings a steady profit that piles up enormously in a short time. WRITE FOR CONVINCING PROOFS, also our Manual on successful speculation and our Daily Market Report, full of money-making pointers. ALL FREE. Our Manual explains margin trading fully. The Baseball Field.

The Coos county baseball nine reached this place, the home of three of them, last Wednesday, returning with scalps from Grants Pass and Roseburg. They departed some three weeks before on invitations to be present and contest at the field-day sports at Grants Pass, and then to Roseburg for championship and purses. At Grants Pass they played the home team, which had defeated the Roseburg nine. The game resulted thus: SCORE BY INNINGS. 1 2 3 4 5 6 7 8 9 Empire... 6 7 18 1 2 1 0 4 8-39 Grants Pass... 0 1 0 4 1 1 2 0 1-23

Empire nine—Burgess, Reckner, Hutcheson, Clark, Wilson, Johnson, Baxter, Smith and Paustain. Grants Pass nine—Merritt, Dunbar, Bartlett, Cramer, Welch, Alfred, Davis, Warren and Stinson. AT ROSEBURG. The contest at Roseburg took place Sunday afternoon, 8th inst., the gate receipts being only \$30. The Roseburg Review says: "Loughary pitched a good game for Roseburg, and Hamlin did good work behind the bat, but the visitors played all around the home nine in team work. Clark, of the Empire club, distinguished himself by his excellent shortstop work, and by batting a ball squarely over the fence, bringing in three rallies." Maurice Abraham umpired. The game resulted as follows: SCORE BY INNINGS. 1 2 3 4 5 6 7 8 9 Empire City... 2 0 1 1 3 0 4 8-19 Roseburg... 0 1 0 2 0 3 2 0-9

Roseburg nine—Lawrence, Hamlin, Loughary, Wilkins, Kidder, Day, Rutherford, Houston, Cochran. Empire City—Burgess, Reckner, Hutcheson, Clark, Johnson, Baxter, Smith, Paustain, Reizenstein.

Our boys were royally treated at Grants Pass, by the home club at that place, but not so kindly at Roseburg. They got into this place in a drenching rain, but in good humor. Our Johnson and Baxter remained, but Reckner went to his former home, at Oregon City, for awhile at least. The bay boys continued their journey homeward, musing upon their generally pleasant trip and the easily won victories.

DON'T STOP TOBACCO. IT'S INJURIOUS TO STOP SUDDENLY and don't be imposed upon by buying a remedy that requires you to do so, as it is nothing more than a substitute. In the sudden stoppage of tobacco you must have some stimulant, and in most cases, the effect of the stimulant, be it opium, morphine, or other opiates, leaves a far worse habit contracted. Ask your druggist about BACO-CURO. It is purely vegetable. You do not have to stop using tobacco with BACO-CURO. It will notify you when to stop and your desire for tobacco will cease. Your system will be as free from nicotine as the day before you took your first chew or smoke. An iron-clad written guarantee to absolutely cure the tobacco habit in all its forms, or money refunded. Office of THE PIONEER PRESS COMPANY, C. W. Hornick, Supt. 81 Paul, Minn., Sept. 7, 1894. Haroko Chemical and Man'g Co., La Crosse, Wis.—Dear Sirs: I have been a tobacco fiend for many years, and during the past two years have smoked fifteen to twenty cigars regularly every day. My whole nervous system became affected, until my physician told me I must give up the use of tobacco, for the time being at least. I tried the so-called "Keeley Cure," "No-To-Bac," and various other remedies, but without success, until I accidentally found your "Baco-Curo." Three weeks ago today I commenced using your preparation, and today I consider myself completely cured. I am in perfect health, and the horrible craving for tobacco, which every inveterate smoker fully appreciates, has completely left me. I consider your "Baco-Curo" simply wonderful, and can fully recommend it. Yours very truly, C. W. HONICKER.
