A masquerade ball will be given at this place next Saturday night a week, we learn. Rev. Mr. Wells, Baptist, will preach at the Bear creek school-house next Sunday morning.

Al Wilson gave a pronographic exhibition at Gravel Ford last Saturday night, to a fair house. The lumber for the new school-house at Marshfield is being furnished by Lyons' mill at this place.

Pete Nichols is well on with his new house, in the Spurgeon addition, and it will be ready for occupancy soon. S. Whetstone and Will Rose caught 40 fine salmon up to 11 o'clock last Friday night, and 32 Sunday night.

The salmon catch for the canneries on this river last Tuesday, says the Bandon Recorder, was in the neighborhood of 2500. The dance at Gilman's hall last Saturday night was well attended and very enjoyable. A large number attended from here.

We learn that Price Bro's have disposed of their sawmill at River-ton, which has passed into the hands of A. D. Walcott and Frank Lowe. Grandma Stone came over from the bay yesterday and will stop with her daughter, Mrs. Simmons. She had been very poorly while on the bay.

Johnson Bro's have received a large stock of new goods, and are prepared to serve the public with fresh groceries, spices, flavoring extracts, etc., better than ever before. The Good Templars are called to meet at Masonic hall next Friday night, 27th inst., for the purpose of starting in for the winter's campaign. There should be a full attendance.

Ayer's Sarsaparilla does what no other blood medicine in existence can do. It searches out all the impurities in the system and expels them harmlessly through the proper channels. This is why Ayer's Sarsaparilla is so pre-eminently effective as a remedy for rheumatism.

Prof. Kanematz informs us that Bro. B. J. Harrison and sons are doing well in their South Six mines. They are well, in excellent spirits and have bright prospects, besides the present profitable working.

Prof. Hodgins' school at Bandon is progressing well, and the attendance is the largest already, thus early, for a private term that he has had, with quite a number more to go yet. The enrollment now is about 80.

The Sun was reduced to \$1.50 per annum under Mr. Vanderburg's management, but Mr. Luse, who has been placed at the helm by Judge Fallerton's action in dissolving the injunction, has restored the rate to \$2.

Florence West: It was the intention of Capt. Winant, commander of the Banderilla, to go to Yaquina and Portland before stopping in at this port to have some repairs done on his vessel. But when off the Suislaw bar something about the shaft was broken, the propeller injured, and, in consequence, the vessel leaked badly, so he put in at this port Monday and will beach the Banderilla here until the needed repairs can be made.

County court was to reconvene yesterday. The county board of equalization concluded its work without much friction last week.

James Brown of Myrtle Point, and family, are down visiting his father, G. A. Brown. The equinoctial storm spent its force in several days of rain, with some intervening pleasant weather. There was but little wind.

Miss Pollock, who has been visiting her sister Mrs. Dickson the past summer in this place, left for her home at Grants Pass last Saturday.

C. L. Gray's handsome new business house is now being painted. Noah Leneve is the artist, and the building will show up beautifully when completed.

The tug Kate O'Neil came from the bay Saturday evening and discharged a large quantity of freight at our wharf. Capt. Wheeler begins to look familiarly on our streets.

Beyers & Hunt, photographers, received their package of freight which got strayed on the way up from the city, and so they say that they will have all orders taken before the 15th ready for delivery on Thursday, 26th.

The auction sale of notes and accounts and judgments, belonging to the W. E. Rackleff assigned estate, will take place at 1 o'clock p. m. tomorrow, at the law office of Judge Phillips, in Myrtle Point.

As a general rule, it is best not to correct costiveness by the use of saline or drastic medicines. When a purgative is needed, the most prompt, effective and beneficial is Ayer's Pills. Their tendency is to restore, and not weaken the normal action of the bowels.

The bridge at Rookards, up the Middle Fork, is about completed. Mr. Fox came down last Saturday for some additional spikes and spent Sunday with his family. The bridge is 35 feet high and 160 feet long.

The steamer Antelope for several days past had been serving the fishermen and canneries, but will soon be put on its old run again—leaving this place in the morning, returning at night. This will be a most acceptable service.

Our charming young lady friend and neighbor, Miss Ora Sheppard, celebrated her birthday anniversary last Friday and received congratulations and presents. Of course this was her "sweet sixteenth" anniversary, emphasized for the fourth time.

A boarding hall will be connected with the Coquille academy this term, to be run on the co-operative plan and presided over by one of the teachers. This will afford an opportunity for pupils to furnish their own provisions and board at the lowest possible cost, while the management will exercise proper discipline and supervision, and have one or more of the teachers present during studies.

Our Justice of the Peace J. H. Cecil met with an accident early last week that came near seriously hurting him. He was baling hay, and while the rope was taut and on full strain it broke, precipitating him to the ground with great force while not confined to his house, yet he has been suffering greatly, and thinks among other damage he has fractured a rib. He has many aches and pains on his person and his face is much swollen.

Most Perfect Made. 40 Years the Standard. Florence West: It was the intention of Capt. Winant, commander of the Banderilla, to go to Yaquina and Portland before stopping in at this port to have some repairs done on his vessel. But when off the Suislaw bar something about the shaft was broken, the propeller injured, and, in consequence, the vessel leaked badly, so he put in at this port Monday and will beach the Banderilla here until the needed repairs can be made.

Weak, Irritable, Tired

"I Was No Good on Earth." Dr. Miles' Nervine strengthens the weak, builds up the broken down constitution, and permanently cures every kind of nervous disease. "About one year ago I was afflicted with nervousness, sleeplessness, creeping sensations in my legs, slight palpitation of my heart, distracting confusion of the mind, serious loss or lapse of memory. Weighted down with care and worry, I completely lost appetite and felt my vitality wearing out. I was weak, irritable and tired, my weight was reduced to 100 lbs. In fact I was no good, on earth. A friend brought me Dr. Miles' book, 'New and Startling Facts,' and I finally decided to try a bottle of Dr. Miles' Nervine. Before I had taken one bottle I could sleep as well as a baby, my appetite returned and greatly increased. When I had taken the sixth bottle my weight increased to 170 lbs., the sensation in my legs was gone; my nervous system completely restored; my memory was fully restored. My brain seemed clearer than ever. I felt as good as any man on earth. Dr. Miles' Nervine is sold on a positive guarantee that the first bottle will benefit. All druggists sell it at 4 bottles for \$5, or it will be sent prepaid, on receipt of price by the Dr. Miles Medical Co., Elkhart, Ind."

Dr. Miles' Nervine Restores Health. Dr. J. P. Easter, formerly of this County, has located at Ashland. J. F. Mast of Arago delivered some nice home-cured bacon in town last week. Several negroes passed through this place last Friday from Beaver Hill, on their way "Gwine Back to Dixie."

Miss Pearl Baxter returned home last Saturday, from a protracted stay at Bandon. Her many friends were glad to greet her. The Southern Oregon Company has put electric lights into the cannery building, and work proceeds at night as well as by day.

McDonald, the barber, has his bathroom fixed up in prime order now. The tub is like marble, and the room neat and inviting. LOST—A cuff-button, moss agate set, between the HERALD office and Mrs. Sheppard's. Only of value to the owner as a present. Leave at this office.

We learn that it is the intention to proceed with work on the Presbyterian church at Willowdale and complete the same during the winter. The Grants Pass Courier remarks: "The Coos county boys got away with the Roseburg nine even easier than they did that of Grants Pass."

Miss Millie Brouillette, the gifted young elocutionist and stage artist, will give an entertainment at the Presbyterian church at Willowdale (Fishtrap) next Friday evening, 27th inst. E. Corman, an old and respected citizen living about 2 miles above Norway, will have a public sale of cows and stock cattle, his household effects, such as bedsteads, tables, chairs, stoves, etc., and nine stands of bees—hives full of honey—next Thursday, 29th, beginning at 10 a. m. We regret to lose Mr. Corman and family, as also his son E. L. Corman and family, who will leave in a few days for southern California.

Uncle Gabe Brown, besides having very handsome flower beds at his home, blooming with roses and beautiful flowers of many kinds, has specially attractive Japan lilies in full bloom, very large and filling the air with fragrance. They are lovely. Then his apple orchard is a sight, the trees propped up everywhere, some denuded of several boxes of weight, yet hanging to the ground and breaking. The fruit is perfect, too, there being no pests.

Catarrh. E. W. JOY COMPANY—Gentlemen: I have just completed the second bottle of your Vegetable Sarsaparilla, I have had catarrh for years which affected my ears, hearing and stomach. Frequently would have dull headaches for days at a time. Since taking your remedy I have felt no disagreeable symptoms. Trusting you will publish this as I want any one suffering from any of the above symptoms to be benefited. Kindly send me two more bottles by return express. (Signed) MR. FREDERICK DE RICHMOND, Seattle, Wash.

Every mail brings a new batch of testimonials for Joy's Vegetable Sarsaparilla.

BIG PROFITS ON Small Investments.

Returning prosperity will make many rich, but nowhere can they make so much within a short time as by successful speculation in Grain, Provisions and Stock. \$10.00 FOR EACH DOLLAR INVESTED CAN BE MADE BY OUR Systematic Plan of Speculation originated by us. All successful speculators operate on a regular system. It is a well-known fact that there are thousands of people in all parts of the United States who, by systematic trading through Chicago brokers, make large amounts every year, ranging from a few thousand dollars for the man who invests a hundred or two hundred dollars up to \$50,000 or \$100,000 or more by those who invest a few thousand. It is also a fact that those who make the largest profits from comparatively small investments on this plan are persons who live away from Chicago and invest through brokers who thoroughly understand systematic trading. Our plan does not risk the whole amount invested on any trade, but covers both sides, so that whether the market rises or falls it brings a steady profit that piles up enormously in a short time. WRITE FOR CONVINCING PROOFS, also our Manual on successful speculation and our Daily Market Report, full of money-making pointers. ALL FREE. Our Manual explains margin trading fully. The Bandon woolen mills shipped a large stock of goods to the bay by the tug Katie O'Neil last week. These usually came to this place and went to the bay by rail. The tug has changed matters considerably. LOST—By Leonard Coon, on August 29th, between the Norway schoolhouse and Conledo, on the wagon-road, one sack, containing one pair of blankets and one comfort. The finder will be suitably rewarded by leaving same at the HERALD office.

Prof. J. W. Vogel, the eye specialist, who advertised in last week's HERALD to spend several days in this place, only reached here Friday, and departed on the next train on a sudden call to return home to Salem. He will now not visit this place again till next summer. Are you sure the kidneys are not the cause of your trouble? In hundreds of cases the patients are treated for other diseases, when a simple kidney remedy would have cured them. Oregon Kidney Tea is strictly vegetable and can do you no harm, and our opinion is, it is the medicine you need. Sold by druggists S. L. Leneve of Coquille City, and N. G. W. Perkins of Myrtle Point.

Comrade Walter Drain's 61st birthday anniversary was observed last Sunday, his good better-half having provided a surprise dinner and invited a number of friends to share with him the birthday cake and other good things of that occasion. The party consisted of Mr. and Mrs. W. Drain, Mr. and Mrs. S. E. Spurgeon, Mr. and Mrs. J. H. James, Mr. and Mrs. R. McDonald and J. S. McEwen. Mrs. Drain's hospitality was boundless and the time passed pleasantly. Comrade Drain bids fair to pass several milestones in life yet, and is well preserved considering his four years of faithful, arduous and dangerous service in the late war. May his last days be his happiest and best days.
