Among them were Henry Collier, son Glenn, and daughters, Misses Ray and Effie and Ruby; Lon Simons, wife and child, and Dick Barrows. It resulted later in the city recorder assessing a penalty of \$7.50 against one of the parties for assault and battery. Keep cool. Watch your kidneys. They carry the poison from the system, and need care, as much so, as the bowels. Take an occasional dose of Oregon Kidney Tea, it will keep you in prime health. HEART DISEASE, like many other ailments when they have taken hold of the system, never gets better of its own accord, but constantly grows worse. There are thousands who know they have a defective heart, but will not admit the fact. They don't want their friends to worry, and don't know what to take for it, as they have been told and again that heart disease was incurable. Such was the case of Mr. Silas Farley of Dyevoille, Ohio who writes June 19, 1894, as follows: "I had heart disease for 23 years, my heart hurting me almost continually. The first 12 years I doctored all the time, trying several physicians and remedies, until my last doctor told me it was only a question of time as I could not be cured. I gradually grew worse, very weak, and completely discouraged, until I lived, propped up in bed, because I couldn't get down nor sit up. Thinking my time had come I told my family when I wanted done when I was gone. But on the first day of March on the recommendation of Mrs. Fannie Jones, of Anderson, Ind., I commenced taking Dr. Miles' New Cure for Heart Disease, and wonderful to tell, in ten days I was working at light work and on March 19 commenced framing a barn, which is heavy work, and I have not lost a day since. I am 56 years old, 5 ft. 4 1/2 inches in weight, 200 lbs. I believe I am fully cured, and I am now only anxious that everyone shall know of your wonderful remedies." Dyevoille, Ohio. SILAS FARLEY.

Dr. Miles' Heart Cure is sold on a positive guarantee that the first bottle will benefit. All druggists sell it at 50¢ a bottle for \$5, or it will be sent, prepaid, on receipt of price by the Dr. Miles' Medical Co., Elkhart, Ind.

Dr. Miles' Heart Cure Restores Health

The W. R. C. Entertainment. The ladies of the Relief Corps had prepared a decided hit for their entertainment last Saturday night. They had misgivings, themselves as to whether their labor had not been in vain, but these were most thoroughly and agreeably dispersed by the hour set for the musical and literary program. They had tables spread with exhibits of their handiwork that were a sight; the needle and art work proved a surprise and elicited hearty compliments. There were quilts, tidies, cushions, stool covers, work-baskets, aprons, pillow-shams, handkerchiefs, cases, many toys, bric-a-brac, etc., of exquisite design and finish, many of which were readily sold. Some higher-priced quilts and art work failed to sell because of the hard times. A cushion of velvet, of rich design, and a banner, richly embroidered with raised flowers in oil, were rarely beautiful.

The musical and literary program was as follows: Song—Marching through Georgia, by the choir, with the band accompanying. Anthem by the choir—Consider the Lilies. Recitation by Irene Leneve—Go, Feel What I have Felt. Song by the choir—Falling Leaves. Song, male quartet—Hail, Silent Night—by Frank Strang, 1st tenor, W. Sugg, 2d tenor, J. S. McEwen, 1st base, Drury Morgan, 2d base. Recitation by Eva White—Grandpa's Crazy Quilt. Comic solo, "Not Much"—W. S. Perry. Encored. Duet, "Autumn Winds"—Mrs. Morgan and Miss Lily Wagner.

Solo and chorus by the choir, "Keep in de Middle ob de Road." Miss Marvin Lamb presided at the organ in a most acceptable manner. The choir comprised Mrs. Strang, Mrs. Morgan, Mrs. Tattle and Mrs. Sugg, sopranos; Miss Lily Wagner, alto; W. Sugg and Frank Strang, tenors; D. Morgan and J. S. McEwen, basses. Then followed a social time, and the grab-bag and disposal of articles made for sale. The grab-bag was well supplied with many nice things, but gave out long before the patrons had been exhausted. It was a source of much interest and amusement and could have been run much longer. After the sales came the lunch, of which there had been a bountiful supply, while games and social entertainment continued to near midnight.

The ladies of our Relief Corps are earnest, indefatigable workers, sparing neither time nor labor to carry out their ministrations of love. Only a few days before this event, learning of the needs of a family near Fairview, who had been robbed of their home and the necessities of life by fire, they bundled up a fine quilt and other articles of comfort and forwarded them to them, regardless of the fact that the family was not in any way connected with them by the ties of the G. A. R., or as descendants of any one who had served in the army. It was purely an act of charity, which these excellent, humane and loving mothers, wives and sisters could not resist, and shows how their work should be seconded all the more readily and heartily by the public.

BIG PROFITS ON Small Investments.

Returning prosperity will make many rich, but nobodies can they make so much within a short time as by successful Speculation in Grain, Provisions and Stock. \$10.00 FOR EACH DOLLAR INVESTED CAN BE MADE BY OUR Systematic Plan of Speculation originated by us. All successful speculators operate on a regular system. It is a well-known fact that there are thousands of people in all parts of the United States who, by systematic trading through Chicago brokers, make large amounts every year, ranging from a few thousand dollars for the man who invests a hundred or two hundred dollars up to \$50,000 or \$100,000 or more by those who invest a few thousand. It is also a fact that those who make the largest profits from comparatively small investments on this plan are persons who live away from Chicago and invest through brokers who thoroughly understand systematic trading. Our plan does not risk the whole amount invested on any trade, but covers both sides, so that whether the market rises or falls it brings a steady profit that piles up enormously in a short time. WRITE FOR CONVINCING PROOFS, also our Manual on successful speculation and our Daily Market Report, full of money-making pointers. ALL FREE. Our Manual explains margin trading fully. The entertainment given at Willowdale Presbyterian church (Fish-trap) last Friday night, by Miss Millie Brouillette, was an ovation to the youthful artist, and proved a success in every way. The attendance was large and the program highly edifying and entertaining. The proceeds were donated by Miss Brouillette for the completion of the church building.
