Major Brown, a veteran citizen of Marshfield, was on our streets yesterday while. If our readers will clip the coupon offering premiums, in another column, they will find the promise carried out to the letter.

The Star Comedy Co. will soon give the play, Pelag & Peter, a very entertaining and mirth-provoking comedy-drama.

The Y. P. S. C. E. will give a social tomorrow (Wednesday) evening at Mrs. Simmons'. Admission and lunch only 10 cents.

Don't miss the medal contest tonight at the Methodist church. All are invited. Fine recitations, good music and an edifying time.

Our neighbor, C. Wilkins, took a relapse last Wednesday after his late partial recovery from a spell of fever and has been quite ill.

Among other attractions at the Willing Workers' entertainment will be comic songs from several persons, and a farce will be given.

Miss Elsie Tilman returned home on yesterday's train from several months' absence in California. She was greeted by many friends.

Next Saturday night will be the masquerade. Handsome prizes will be awarded to the best sustained characters, one each to lady and gentleman.

Mrs. Inez Chase (nee Rich) has been visiting her parents in this place for some days past and will leave Thursday for her home at Phoenix, Jackson county.

Fruit packing and shipping is a business, and goes far in itself to command the profit that belongs to the fruit. Our fruit growers should study and practice them.

We learn that the potato crop will be short this season. Those who have succeeded should handle their crops carefully and they may realize handsomely from them.

Roseburg Plaidealer: Geo. Laingor, the stage driver who was held up on Camas mountain last August, is in the city today to testify in the case of state of Oregon against Eldo Woods.

The academy is starting off fairly well. The attendance the first week was small, but the enrollment of pupils has greatly augmented for this week, with promise of large increase in the future.

When catarrh attacks a person of scrofulous diathesis, the disease is almost sure to become chronic. The only efficacious cure, therefore, is Ayer's Sarsaparilla, which expels scrofula from the system and the earth soon follows suit. Local treatment is only a waste of time.

The Willing Workers' society of the Christian church has in preparation a pleasing entertainment for Saturday night, 19th inst., at Masonic hall. A nice program will be given of a literary and musical character, and refreshments will be on hand. The admission is put at only 10 cents.

C. L. Gray gave a "house-warming" in his new business house last Saturday night, prior to placing the counters and goods therein for business. It was a free dance, and he furnished the music also. A large crowd attended and a grand time was had, running to a late hour of the night.

Populist Precinct Meeting.

A meeting was held at the city hall—usual voting place of this precinct—yesterday morning, as per call of the county central committee, to choose a member of the county central committee under the principle of the initiative, each precinct being entitled to a member and each choosing its own. The attendance was small, as the hour set was inconvenient, but the business was proceeded with.

J. S. McEwen read the call, as it appeared in the HERALD for two or three issues past, and then, in order to formally proceed, nominated D. P. Strang as chairman of the meeting. This was duly seconded and passed. Mr. Strang took the chair, and on motion S. J. Tuttle was chosen secretary.

On motion of S. Whetstone, duly seconded, J. S. McEwen was chosen as committeeman from this precinct. On motion, adjourned. We regret to hear of an accident happening to the young gentleman, A. W. Hannah, who came up from Humboldt county, Cal., some few weeks since and captured and took away as his bride our young friend Miss Nora Weldon. The accident to Mr. Hannah occurred Sept. 25th, while serving as shingle-sawyer at Vance's mill, Eureka. He had been engaged in cleaning under the saw, which accidentally came in contact with the back of his left hand, cutting it pretty badly. The bone was somewhat injured, while the extensor tendons of the first two fingers were severed.

Our friend and former townsman, W. H. Nosler, and balance of the family will return to this place for residence about next Monday, from southern California. The sons, Oscar and Sam, and Mrs. N., came some time since; the boys got into business, and the separation of the family was more than Comrade Nosler can brook for mere expediency sake; besides, this locality has a strong hold on him from many years of citizenship and "home" ties, and he has many friends who will see him gladly.

Last Thursday little Harold Balch, aged about 3 years, son of Mr. and Mrs. Al Balch of this place, was playing about home in his bare feet. While jumping off the porch he lit with one foot on a tooth of a metal rake which lay on the ground teeth up, one of the tines penetrating through the foot. It was a very ugly hurt, but prompt application of remedies and careful nursing by the parents have carried the child beyond the danger point and he is doing well.

Miss Lillis Johnson, of the North Fork, was coming into town yesterday morning on horseback, and as she approached where the school children were playing, her horse frightened and threw her to the ground. She was but slightly hurt, however, for she walked with Miss Mollie Kinnicut to the latter's home, where she brushed the dust from her clothing, bathed her hands and face and was soon on her way again.

Mr. and Mrs. C. E. McCann, who have resided here about a year past, left last Friday to make their home on the lower coast, a few miles below Bandon. Mr. Mc will establish a sawmill there. Our people will miss Mrs. McCann very much, more especially the W. C. T. U. and church people, among whom she was an able, earnest, faithful, energetic worker and be loved by all.

George Moulton, secretary of the Coquille Dairyman's Union, returned Sunday from a business trip to San Francisco. He took down 83 head of fat hogs for the union, and although he faced a discouraging market, he succeeded in selling at the highest price then going, which was 33 cents. George is a good and reliable business man.

We made mention last week of the gift of 10 bushels of winter apples to the editor by G. G. Swan of Gravel Ford, but we were too hurried then to mention that there were 7 different varieties, and all perfect and free from blight or pests of any kind. Coos county is a garden spot for good apples, pears, prunes and plums.

Of all good things give to the sick, Oregon Kidney Tea is the best. It is strictly a vegetable production, and has that soothing effect upon weak or inflamed kidneys and bladder not obtainable from any other known remedy. For sale by N. G. W. The doors and windows of the new hotel were received here by rail yesterday. James Hervey has fine White Defiance wheat for seeding. Send in your orders.

The midnight supper next Saturday night will be furnished by Mrs. Sheppard. Charley Dye has moved from the river, above town, to a place on Cunningham creek.

Attorney J. M. Upton of Bandon passed through to district court yesterday morning. Farmers can get extra fine seed wheat from James Hervey, at Lee. Send in your orders.

J. H. Roberts of Bandon was up Saturday and Sunday last at the Methodist conference. Tonight—attend the Demorest medal contest at the Methodist church. Admission, free.

Al Deval and family moved to this place last week to give the children school advantages. Mrs. O. A. Kelly and son Walter came up from Riverton last week. Walter will attend school here.

Rev. Mr. Shangle, presiding elder, will preach at Beaver Hill tonight, at Fishtrap tomorrow night, and at the North Fork church next Saturday and Sunday.

Uncle Dave Stone and family—of that portion of his family which has been spared to him—are on their way from eastern Oregon to this section again.

George Moulton, agent for the Pacific Nursery at Tangent, will start out at once to canvass among our fruit men and farmers. Well, you know George is fair and square and will deal right.

Our young friend Milton Stelmor passed through this place for California last Friday. He will make his home at Merced and prepare himself for the medical profession. The HERALD wishes him success.

LOST—By Leonard Coon, on August 29th, between the Norway schoolhouse and Coaledo, on the wagon-road, one sack, containing one pair of blankets and one comfort. The finder will be suitably rewarded by leaving same at the HERALD office.

Arthur Flynn had been on Cherry creek shearing sheep some couple of weeks since, and on returning home he was "held up" on the road, but refused to pungle. In fact he was equal to the occasion and took in the enemy—hair and hide—for there were two of them, as usual. They were bears. He shot them and took them home with him.

C. T. Hertslet, wife and three children, and M. O. Masten, wife and three children, reached this place the past day or two. The heads of the families came ahead Sunday to spy out the location, and the families followed yesterday with three 4-horse teams, and several extra head of horses and cattle. These good folks are from Kansas and were directly on their way, together with several other families, which included three or four old comrades of the late war, to Coos county, but had been induced to locate at and near Yoncoila, Douglas county, for the past summer. Mr. Hertslet had a correspondence with this editor some months ago, and received several copies of the HERALD, and these furnished the incentive for the colony to strike out to this far western county. Several of them left homes not yet disposed of, but will try and find employment to keep them over the winter and locate later, after they have looked about them and find a suitable place. They are sober, industrious people, and the HERALD hopes they will receive such encouragement as will warrant their remaining with us.

From LaGrippe.

How Dr. Miles' Nervine Restored One of Kentucky's Business Men to Health.

No DISEASE has ever presented so many peculiarities as LaGrippe. No disease leaves its victims so debilitated, useless, sleepless, nervous, as LaGrippe. Mr. D. W. Hilton, state agent of the Mutual Life Insurance Co., of Kentucky, says: "In 1889 and '90 I had two severe attacks of LaGrippe, the last one attacking my nervous system with such severity that my life was despaired of. I had not slept for more than two months except by the use of narcotics that stupefied me, but gave me no rest, I was only conscious of intense mental weakness, agonizing bodily pain and the fact that I was hourly growing weaker. When in this condition, I commenced using Dr. Miles' Restorative Nervine. In two days I began to improve and in one month's time I was cured, much to the surprise of all who knew of my condition. I have been in excellent health since and have recommended your remedies to many of my friends." Louisville, Jan. 22, 1895. D. W. HILTON. Dr. Miles' Nervine Restores Health.

The W. C. T. U. will hold an important meeting next Friday afternoon, at 3 o'clock. All the members are earnestly urged to be present, as a president is to be elected, and other important matters are to be attended to.

Rev. W. J. Fenton, formerly stationed at Myrtle Point, is visiting in this county during President Elder Shangle's official visit. He preached at Bandon Sunday and will preach at Myrtle Point next Sunday.

When the hair begins to come out in combing, it shows a weakness of the scalp that calls for immediate attention. The best preparation to arrest further loss of hair and restore the scalp to a healthy condition is Ayer's Hair Vigor.

Mrs. Amelia Collier passed away this morning about 6 o'clock, after a most prolonged illness. She will be buried from the family residence at 2 o'clock tomorrow (Wednesday), at which place and time Rev. Mr. Shangle will preach a funeral sermon.

G. W. Sinclair came up from Humboldt county, Cal., last week to make his home with us. His family will come along later. Mr. S. had spent most of last spring and summer here, but was called back home on account of an accident to a son who was working in a sawmill there. The HERALD welcomes him back.

E. C. Barnard and his assistants, Messrs. Otis and Hardy, of the U. S. topographical engineers, reached this place last Saturday evening and will briefly establish headquarters here. We had the pleasure of Mr. Otis' acquaintance before, and found him to be an exceedingly pleasant gentleman. Prof. Barnard, chief of the corps, made us a pleasant call, and we find him a very agreeable and intelligent gentleman. Mr. B. ranks high as a civil engineer and is in charge of a very important service. Included in the present visit to this place will be much of interest and value to the government and to our citizens—such as a complete topographical map will furnish, the exact location of our towns, the river and bay and tributaries, the public roads, mountains, etc. They will close up about the end of the month.

James Hervey, a prominent farmer of the Lee community, has had a very prosperous year having had a good crop and saved all that has matured up to date. Besides, he has marketed some to fair advantage. His wheat crop, while the acreage sown was small, was phenomenal in quality and quantity, and shows that, with favorable seasons for planting and harvesting, the Coquille valley flaunts the banner yet. He had about 8 acres of wheat from which he gathered about 450 bushels of perfect wheat, entirely free from other seed. He had also a fine crop of onions, such as the North Fork is famous for, all housed; and other crops of hay, vegetables, fruits, etc., unsurpassed. Farmers needing seed wheat, should not fail to secure the same from Mr. Hervey.

Will Miller and family, Aunt Beckie Cardwell and son Alex, James Watson, wife and four children, and Rudolph Gohlmann, of Washington, reached this locality last Friday. Several of the former are well known here, having resided in this place and vicinity some time since. Mr. Watson and family and Mr. Gohlmann are new comers. Mr. Miller has been greeted by many acquaintances. He thinks Coquille City has improved very much, despite the fire, and is a most desirable place to locate in after his experiences of sight-seeing and the hard times elsewhere.

DON'T STOP TOBACCO. IT'S INJURIOUS TO STOP SUDDENLY and don't be imposed upon by buying a remedy that requires you to do so, as it is nothing more than a substitute. In the sudden stoppage of tobacco you must have some stimulant, and in most cases, the effect of the stimulant, be it opium, morphine, or other opiates, leaves a far worse habit contracted. Ask your druggist about BACCO-CURO. It is purely vegetable. You do not have to stop using tobacco with BACCO-CURO. It will notify you when to stop and your desire for tobacco will cease. Your system will be as free from nicotine as the day before you took your first chew or smoke. An iron-clad written guarantee to absolutely cure the tobacco habit in all its forms, or money refunded. Price \$1 per box, or 3 boxes (30 days treatment and guaranteed cure), \$2.50. For sale by all druggists or will be sent by mail upon receipt of price. SEND SIX TWO-CENT STAMPS FOR SAMPLE BOX. Office of THE PIONEER PRESS COMPANY, C. W. Hornick, Supt., St. Paul, Minn., Sept. 7, 1894. Baren Chemical and Man'g Co., La Crosse, Wis.—Dear Sirs: I have been a tobacco fiend for many years, and during the past two years have smoked fifteen to twenty cigars regularly every day. My whole nervous system became affected, until my physician told me I must give up the use of tobacco, for the time being at least. I tried the so-called "Keeley Cure," "No-To-Bac," and various other remedies, but with no success, until I accidentally learned of your "Bacco-Curo." Three weeks ago today I commenced using your preparation, and today consider myself completely cured. I am a perfect health, and the horrible craving for tobacco, which every inveterate smoker fully appreciates, has completely left me. I consider your "Bacco-Curo" simply wonderful, and can fully recommend it. Yours very truly, C. W. HORNICK.
