Did you ever notice a bad taste in the mouth when you arise in the morning, and a tired nervous feeling in the small of the back, making you feel as though you had been sleeping on a ridge in the bed? Do you know that many people die from kidney troubles which might have been cured if taken in time? A package of Oregon Kidney Tea will cure you. For sale by druggists Dr. S. L. Leneve of Coquille City, and N. G. W. Perkins of Myrtle Point.

The hotel meeting last night was well attended, and after some informal talk on matters pertaining to the progress of the work and outlook for its speedy completion the meeting adjourned to next Friday night, at which it is expected to attend to very important business.

It is hoped every stockholder will be present, either in person or by proxy, and that friends of the enterprise also will attend and take an interest in the work.

G. F. Bontell was at Norway Sunday, and among other interesting sights saw a gray eagle that had been killed by S. L. Lafferty, which was a larger bird than is usually seen around here of that family. It was devouring a turkey at the time Mr. Lafferty shot it. The bird measured 7 feet from tip to tip of wings.

Don't commit suicide on account of your "horrible" blood disease. The sensible thing for you to do is to take Ayer's Sarsaparilla. If that fails, try then—keep on trying, and it will not fail. The trouble is, people get discouraged too soon. "Try, try, try again."

The shingle mill and city hall came near being cremated last Thursday near noon, a spark from the former having lit on the roof and been fanned into a flame by the wind. It was observed promptly, and by the ready response of Thomas Krawson, Brette Clark and Frank Wilson was soon disposed of. Wm. Norton, of Beaver, slough, barely escaped serious injury during the excitement. He was loading his skiff, which lay in the river, and during the rush of knocking shingles from the roof to extinguish the fire, a heavy piece of sheeting slid down the roof and over the eave, endways, just missing him and striking into the river with great force. It was a very close call, but like the blaze on the roof, lasted quick and quite without damage.

F. L. Lowe denies the statement that Price Bro's mill at Riverton has changed hands. He informs Editor Stitt of the Recorder that "Mr. Walcott had heretofore owned an interest in the Riverton mill and has gone there to keep the books and attend the store connected with the mill." Mr. W. is splendidly qualified in this line of business, and his well-known integrity, energy and business qualities will be a great help to the management, whose business demands have greatly increased of late.

The HERALD extends congratulations to Prof. C. A. Nolner and bride (nee Miss Ida May Sanford), who were wedded on the 5th inst. at the home of the bride's parents, Mr. and Mrs. C. W. The bride is distantly related to our fellow-townsmen R. D. Sanford.

YEARS OF INTENSE PAIN.

Dr. J. H. Watts, druggist and physician, Humboldt, Neb., who suffered with heart disease for four years, trying every remedy and all treatments known to himself and fellow-practitioners, believes that heart disease is curable. He writes: "I wish to tell what your valuable medicine has done for me. For four years I had heart disease of the very worst kind. Several physicians I consulted, said it was Rheumatism of the Heart."

It was almost unendurable, with shortness of breath, palpitations, severe pains, unable to sleep, especially on the left side. No pen can describe my sufferings, particularly during the last months of those four weary years. I finally tried

Dr. Miles' New Heart Cure, and was surprised at the result. It put new life into and made a new man of me. I have not had a symptom of trouble since and I am satisfied your medicine has cured me for I have now enjoyed, since taking it Three Years of Splendid Health.

I might add that I am a druggist and have sold and recommended your Heart Cure, for I know what it has done for me and only wish I could state more clearly my suffering then and the good health I now enjoy. Your Nervine and other remedies also give excellent satisfaction." J. H. WATTS, Humboldt, Neb., May 9, '94.

Dr. Miles' Heart Cure is on a positive guarantee that the first bottle will benefit. All druggists sell it at \$1.00 bottles for \$8, or it will be sent, prepaid, on receipt of price by the Dr. Miles Medical Co., Elkhart, Ind.

DON'T STOP TOBACCO

IT'S INJURIOUS TO STOP SUDDENLY and don't be imposed upon by buying a remedy that requires you to do so, as it is nothing more than a substitute. Ask your druggist about BACO-CURO.

It is purely vegetable. You do not have to stop using tobacco with BACO-CURO. It will notify you when to stop and your desire for tobacco will cease. Your system will be as free from nicotine as the day before you took your first chew or smoke. An iron-clad written guarantee to absolutely cure the tobacco habit in all its forms, or money refunded. Price \$1 per box, or 3 boxes (30 days treatment and guaranteed cure.) \$2.50 For sale by all druggists or will be sent by mail upon receipt of price. SEND SIX TWO-CENT STAMPS FOR SAMPLE BOX. St. Paul, Minn., Sept. 7, 1894.

Baroka Chemical and Mfg. Co., La Crosse, Wis.—Dear Sirs: I have been a tobacco fiend for many years, and during the past two years have smoked fifteen to twenty cigars regularly every day. My whole nervous system became affected, and my physician told me I must give up the use of tobacco, for the time being at least. I tried the so-called "Keeley Cure," "No-To-Bac," and various other remedies, but without success, until I accidentally learned of your "Baco-Curo." Three weeks ago today I commenced using your preparation, and today I consider myself completely cured. I am in perfect health, and the horrible craving for tobacco, which every inveterate smoker fully appreciates, has completely left me. I consider your "Baco-Curo" simply wonderful, and can fully recommend it. Yours very truly,

C. W. HOASTER.
