COQUILLE CITY W. C. T. U.

The Coquille City W. C. T. U. meets at the Methodist church, south, every Friday, at 3 o'clock p. m. All interested in the work are invited to attend

Who Is to Blame?

A short time since a popular evangelist in a leading church of a populous Michigan city preached a sermon in which he denounced the saloonkeeper in vigorous terms. Next day in the city's most influential daily paper appeared the following letter from an ex-saloonkeeper, addressed to the evangelist who preached the sermon:

"*Dear Sir:* I attended your meeting last night and I think you were, to say the least, unfair in your denunciation of the saloonkeeper. I differ with you as to their having no conscience. I am an ex-saloonkeeper. I kept a 'respectable place,' and besides that I rented my place of a deacon in the Baptist church, and my bondsmen were one a Methodist and the other a Presbyterian. The officers whose signatures were fixed to the document which gave me the right to sell both belonged to 'my church.' On the day of election Baptists, Methodists, Presbyterians, Congregationalists, Episcopalians, Lutherans, Catholics, Spiritualists, Universalists, infidels, atheists, saloonkeeper and highwayrobbers all voted for a license to grant me the privilege to damn the souls you are trying to save, and let me prophesy now that many who arose last night to be counted a member of some evangelical church will this fall cast their vote for a license to sell liquid damnation.

"It is strange that the evangelists are whipping the saloonkeepers with a lash that ought to be used upon the backs of the professional Christians, who use their prayers to mock God and their votes to build up the kingdom of the devil. You quoted scripture last night to prove that the saloonkeepers inherit the abodes of the damned, but no reference was made to the final summing up of the hypocrite.

"Let me give you a few quotations from the scriptures: 'Woe unto you, hyocrites, who, under the cloak of the church, sell your principles for a price, who pave your streets with human souls and paint your asylums with the blood of the innocent victims of your legalized rum.' 'Woe unto you who stand in the synagogues and pray God to drive intemperance from our land and stand at the exit with your vote to drive it back. For in the last day you will be cast into the lake of whisky set on fire by the demons of hell.'

"A saloonkeeper is not a hypocrite; a Christian man of brains who votes for a license is, and if I understand the Bible right God hates a hypocrite worse than the devil hates a saint. Deal fairly with all and we sinners will find no fault. AN EX-SALOONKEEPER."

"P. S.—I am so ashamed that I was ever engaged in the satanic business of selling the devil's tea I will not give my name. Hoping the church may be converted and saloonkeepers driven from their legalized dens, I quit."

Commenting on this letter the editor of Zion's Watchman says: "We believe this 'ex-saloonkeeper' has got hold of the right end of the saloon tangle. So long as the members of churches lease their property for saloon purposes, so long as the names of Christians are attached to saloon licenses, so long as men vote to protect the business by law, so long there will be found men who will sell it. We have repeated, time and time again, if all Christians, unitedly, washed their hands of this curse, it would be suppressed in a single year. We regard the legalizing of this awful traffic as a crime against humanity for which God will hold us responsible."—Cold Water (Mich.) Star.

Deafness Cannot be Cured.

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the eustachian tube. When this tube gets inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give one hundred dollars for any case of deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars, free.

LOCAL ITEMS.

A spell of weather reached us last week.

We thank Postmaster Aiken for courtesies.

The winter rains and trade-winds seem to have set in.

Mrs. R. S. Howels, of Bandon, spent a few days in town last week.

Splendid winter weather. Showers and sunshine combine to make this a fine autumn so far.

Friend N. H. Black of Sumner was present several days last week during the Baptist services conducted by Rev. Mr. Day.

Oregon Kidney Tea is sold on a positive guarantee by N. G. W. Perkins, of Myrtle Point, and Dr. S. L. Leneve, of Coquille City.

J. A. Smith, of Coos river, son-in-law of Mr. Danielson near Parkersburg, came over on last Wednesday and went down on a visit.

J. L. Van Derwerker, who represents Thos. L. Kent of San Francisco, merchant tailor, was in Coquille last Wednesday heading for Marshfield.

Oregon Kidney Tea is nature's own remedy for kidney troubles. For sale by N. G. W. Perkins, of Myrtle Point, and Dr. S. L. Leneve, of Coquille City.

J. D. Clinton, a former blacksmith of Coquille, now of Riddle, came down on last Wednesday and expects to select a location and move back to Coos county.

Rev. T. L. Jones, presiding elder, preached a good sermon, to a fair-sized audience, at the M. E. church on last Tuesday night. He left for Marshfield on Wednesday.

Miss Lilly Dean's presence in the postoffice has undoubtedly closed up all opposition and centered that business with the "old reliable"—the government shop. Any opposition hereafter must have at least one or more handsome lady clerks, or they're left.

The storeroom in the Odd Fellows' building is being fitted up for use by J. A. Lyons. He will conduct his merchandising there until he puts up his contemplated new building near the depot on Front street. J. J. Lamb, the hardware man, will occupy all of the old Lyons building, he having purchased the same some months since.

A. E. Kilpatrick, of Fillmore, Cal., had the misfortune to have his leg caught between a cart and a stone and badly bruised. Ordinarily he would have been laid up for two or three weeks, but says: "After using one bottle of Chamberlain's Pain Balm I began to feel better, and in three days was entirely well. The peculiar soothing qualities which Chamberlain's Pain Balm possesses I have never noticed in any other liniment. I take pleasure in recommending it." This liniment is also of great value for rheumatism and lame back. For sale by Dr. S. L. Leneve, druggist.

Thanksgiving day was quite well observed in this place. Only one religious service was held, that by Rev. Mr. Smith of the Methodist church, but business was very generally suspended, family reunions held, and many special dinners prepared, at some of which personal friends were entertained. Some few citizens went duck hunting, and at 2 p. m. the Cyclone and Academy teams gave a football contest, which was largely attended and variously enjoyed—by some intensely, and by others condemned as a sport which should be ruled out on account of the danger to life and limb of the contestants.

Nervous Shock.

E. W. JOY COMPANY—Gentlemen: This is the first time I have attempted so write for three years. Have been to nervous and weak that I have laid in bed most of the time.

A friend who had taken your Sarsaparilla sent me two bottles. The second one is most gone, and I have gained twenty pounds, and surely feel a new woman I was pale, thin, no ambition. Had given up, as I had tried so many remedies and doctors, but found no benefit. If you care to publish this you have my consent. (Signed)

MRS. A. C. TILLMAN.
Alemeda, Cal.

Headaches, Billiousness and Torpid Liver disappear when you take Joy's Vegetable Sarsaparilla.

The Bandon Woolen Mills.

While in Bandon a few days since we had the pleasure of visiting the Bandon woolen mills, and were greatly pleased with the visible evidences of improvement in that establishment. An electric dynamo has been put in for purposes of lighting the building, and a large number of incandescent lights now shed a magnificent splendor over every department of the mill during the dark hours. A large electric light is placed in front of the building, which casts a beautiful brilliance for several blocks along Water street. A lot of new machinery will be put in as soon as it arrives on the steamer. This makes it what is termed a three-set mill.

The management has established a regular monthly pay-day for employes, and pay off in full each month. Last month the company paid near $4000.

We were shown a lot of blankets and other goods made here that are a credit to this or any other factory.

The HERALD congratulates our neighbors of Bandon on their energy in securing this money-making and work-making institution in their midst. Coquille needs a few such enterprises, and we believe our people are alive to the situation.

Sash and Door Factory.

Another meeting was held at the little church on last Wednesday evening in the interest of the proposed sash and door factory. A goodly number of interested citizens were present and after several talks by different persons, a committee of three, consisting of Wm. Nosler, Ben Lawrence and Noah Leneve, was selected to confer with parties at Roseburg, and elsewhere, in reference to moving a plant to this place, as it was learned that a gentleman who has a factory at Roseburg is willing to move if proper encouragement is offered. Another committee of three, consisting of C. C. Myers, Gabe Brown and J. H. Cecil was chosen, to find a suitable location, look after the matter of a building, etc. These committees are to report to a meeting on next Saturday evening at the same place. The people are enthusiastic over the matter and we will surely have a factory.

MARBLE WORKS AT HOME.

An Agency in Coquille—A Chance to Buy Tablets or Monuments.

The publishers of the HERALD have accepted an agency for the Coos Bay Marble Works of C. W. Paterson at Marshfield. Mr. Paterson is one of the finest mechanics in his line on the Pacific coast, and guarantees all his work to give satisfaction. His prices are lower than those of the Willamette valley shops for the same class of work, and yet agents for foreign marble workers are in the habit of running through this country and taking orders for their work, thus taking the money out of the county that ought to be retained here for such goods. Patronize home institutions, and men who work and live here and are responsible for their contracts. The HERALD management joins Mr. Paterson in guaranteeing every job done by him to be satisfactory and in accordance with designs. Mr. Paterson is also a gentleman to deal with, as the HERALD can testify from former business relations with him.

Call at the HERALD office and see specimens of marble, photographic views of slabs, monuments, etc. We will also have on exhibition at our office samples of Mr. Paterson's work in the near future. In the meantime persons wishing work in this line will do well to call at the HERALD office and consult with us.

Items from Lee.

Lee, Nov. 29.—Wind and rain are the program of the weather at present.

Miss Sadie Harmon of this place has gone to Salem to attend the blind school this winter. We miss you, Sadie.

Lee Mast of Dora and William Harmon of this place were in Coquille Monday.

Miss Dollie Hatcher has been quite sick, but is some better now.

Miss Cora Chandler is visiting her sister, Mrs. Lee Mast of Dora, at present.

Miss Corda Sumerlin has been visiting her friend, Miss Lizzie Myers of Norway, for the past week.

A. Myers of Norway visited friends in this vicinity the first of the week.

There is going to be a shooting-match at Mrs. H. H. Harmon's on Christmas day. R. G. Sumerlin puts up the beef and invites the public to attend.

J. J. Johnson, who has been in very poor health for the past year or two, is improving under the treatment of an eastern physician. We are glad to hear such news, for Mr. Johnson is very highly respected by all who know him. Mr. J. has just finished a front porch to his residence. The work was done by R. G. Sumerlin, A. Myers and I. Chandler. John says Coos county beats the world for good Christian people.

G. A. R. NOTICE.

We take this opportunity of informing our subscribers that the new Commissioner of Pensions has been appointed. He is an old soldier, and we believe that soldiers and their heirs will receive justice at his hands. We do not anticipate that there will be any radical changes in the administration of pension affairs under the new regime.

We would advise, however, that U. S. soldiers, sailors, and their heirs, take steps to make application at once, if they have not already done so, in order to secure the benefit of the early filing of their claims in case there should be any future pension legislation. Such legislation is seldom retroactive. Therefore it is of great importance that applications be filed in the department at the earliest possible date.

If U. S. soldiers, sailors or their widows, children or parents, desire information in regard to pension matters, they should write to THE PRESS CLAIMS COMPANY, at Washington, D. C., and they will prepare and send the necessary application, if they find them entitled under the numerous laws enacted for their benefit. Address,

INFLUENZA,

Or La Grippe, though occasionally epidemic, is always more or less prevalent. The best remedy for this complaint is **Ayer's Cherry Pectoral.**

"Last Spring, I was taken down with La Grippe. At times I was completely prostrated, and so difficult was my breathing that my breast seemed as if confined in an iron cage. I procured a bottle of **Ayer's Cherry Pectoral**, and no sooner had I begun taking it than relief followed. I could not believe that the effect would be so rapid and the cure so complete. It is truly a wonderful medicine."—W. H. WILLIAMS, Crook City, S. D.

Grant Harry's fine stallion, Relieve, Jr., died Wednesday of last week, evidently poisoned by wild parsnips. He was all right in the morning, when taken out, but near noon was observed to be sick, and Mr. Harry doctored him for colic. But shortly thereafter, and when too late to use the other remedies when the trouble was found to be poison, the animal keeled over and expired in a moment. The horse was a favorite in this county and his loss is a heavy one to Mr. Harry.

Another Free Offer.

The long winter evenings can be very profitably devoted to reading, but there are some things that we must read the year round. One of these is a local paper: the best in the county is before you—the HERALD. Another is a good home paper of general circulation, such as "Womankind," for instance, which comes once a month filled with the best things for a busy housewife. We are able by special arrangements with the publishers, to offer "Womankind" free for a year to every paid-in-advance subscriber to our paper, and are glad to do so, for we are convinced that no home paper in America contains more of practical value to women. Bright stories, clever poems, the latest fashions, news of woman's work everywhere, articles on "Motherhood," "Cultivation of Flowers," a woman's parliament for the discussion of matters of interest, are a few of the bright features of "Womankind."

To the head of the house we offer on the same terms "Farm News," an agricultural paper, edited by a practical farmer (Miller Purvis, esq., late state lecturer of the Ohio Farmer's Alliance), and filled each month with suggestions from able correspondents, that make it an absolute necessity to every wide awake farmer. This paper is yours for the asking, provided you are a subscriber to our paper.

Remember every paid-in-advance subscriber to the HERALD is entitled to his choice in either of these papers. Tell your neighbors about this offer. A sample copy of both papers may be obtained by addressing the Hosterman Publishing Co., Springfield, Ohio.

Come in and pay a year in advance to the HERALD and get one of these attractive papers free.

DON'T STOP TOBACCO

How to Cure Yourself While Using Tobacco.

The tobacco habit grows on a man until his nervous system is seriously affected, impairing health, comfort and happiness. To quit suddenly is too severe a shock to the system, as tobacco, to an inveterate user, becomes a stimulant that his system continually craves. Baco-Curo is a scientific cure for the tobacco habit, in all its forms, carefully compounded after the formula of an eminent Berlin physician who has used it in his private practice since 1872, without a failure, purely vegetable and guaranteed perfectly harmless. You can use all the tobacco you want, while taking Baco-Curo; it will notify you when to stop. We give a written guaranty to permanently cure any case with three boxes, or refund the money with 10 per cent interest. Baco-Curo is not a substitute, but a scientific cure, that cures without the aid of will power and with no inconvenience. It leaves the system as pure and free from nicotine as the day before you took your first chew or smoke. Sold by all druggists, with our ironclad guaranty, at $1 per box; three boxes (thirty days' treatment), $2.50; or sent direct on receipt of price. Write for booklet and proofs. Eureka Chemical & M'f'g Co., M'f'g Chemists, La Crosse, Wisconsin.

Some little sickness prevails, chiefly among children. We hear of two or three cases of chicken-pox, and one or two of other light maladies, but nothing serious.

PATENTS

FOR INVENTIONS.

Equal with the interest of those having claims against the government is that of INVENTORS, who often lose the benefit of valuable inventions because of the incompetency or inattention of the attorneys employed to obtain their patents. Too much care cannot be exercised in employing competent and reliable solicitors to procure patents, for the value of a patent depends greatly, if not entirely, upon the care and skill of the attorney.

With the view of protecting inventors from worthless or careless attorneys, and of seeing that inventions are well protected by valid patents, we have retained counsel expert in patent practice, and therefore are prepared to

Obtain Patents in the United States and all Foreign Countries, Conduct Interferences, Make Special Examinations, Prosecute Rejected Cases, Register Trade-Marks and Copyrights, Render Opinions as to Scope and Validity of Patents, Prosecute and Defend Infringement Suits, Etc., Etc.

If you have an invention on hand send a sketch or photograph thereof, together with a brief description of the important features, and you will be at once advised as to the best course to pursue. Models are seldom necessary. If others are infringing on your rights, or if you are charged with infringement by others, submit the matter to us for a reliable OPINION before acting on the matter.

A FEW Testimonials from persons who have been cured by the use of **Hill's Tablets.**

THE OHIO CHEMICAL CO.:
DEAR SIR:—I have been using your cure for tobacco habit, and found it would do what you claim for it. I used ten cents worth of the strongest chewing tobacco a day, and from one to five cigars; or I would smoke from ten to forty pipes of tobacco. Have chewed and smoked for twenty-five years, and two packages of your Tablets cured me so I have no desire for it.

DONNS FERRY, N. Y.
THE OHIO CHEMICAL CO.:—GENTLEMEN:—Some time ago I sent for $1.00 worth of your Tablets for Tobacco Habit. I received them all right and, although I was both a heavy smoker and chewer, they did the work in less than three days. I am cured.

PITTSBURGH, PA.
THE OHIO CHEMICAL CO.:—GENTLEMEN:—It gives me pleasure to speak a word of praise for your Tablets. My son was strongly addicted to the use of liquor, and through a friend, I was led to try your Tablets. He was a heavy and constant drinker, but after using your Tablets but three days he quit drinking, and will not touch liquor of any kind. I have waited four month before writing you, in order to know the cure was permanent. Yours truly,
MRS. HELEN MORRISON.

CINCINNATI, OHIO.
THE OHIO CHEMICAL CO:—GENTLEMEN:—Your Tablets have performed a miracle in my case. I have used morphine, hypodermically, for seven years, and have been cured by the use of two packages of your Tablets, and without any effort on my part.
