On Monday, 2d inst., the Oregon supreme court denied the motion of Sam Brown's counsel for a new hearing in that court, and this apparently defeats every hope of the defense. Brown will be sentenced just as soon as the official mandate of the higher court is received here, and his only chance to escape the gallows will be in executive clemency.—Roseburg Review.

A Wonderful Invention—The New Gasoline Flatiron.

J. M. Inman is traveling agent for one of the most complete flatirons ever invented. It is as much a necessity in a family as a kitchen stove or a sewing machine. It does away with the old, tedious process of heating irons on a stove. The cost of running the gasoline iron is virtually nothing, and the saving of labor for the women is so great that no family can afford to do without a gasoline iron. This apparatus can be used for many other purposes, and amounts to a small gasoline stove. It can be used for making a cup of tea, warming water or milk, etc. The HERALD has ordered one, and advises its friends to do the same.

Mrs. J. P. Bell, Oasacatomie, Kan., wife of the editor of The Graphic, the leading paper of Miami county, writes: "I was troubled with heart disease for six years, severe palpitations, shortness of breath, together with such extreme nervousness, that at times I would walk the floor nearly all night. We consulted the best medical talent. They said there was no help for me, that I had organic disease of the heart for which there was no remedy. I had read your advertisement in The Graphic and, as a last resort, tried one bottle of Dr. Miles' New Cure for the Heart, which convinced me that there was true merit in it. I took three bottles each of the Heart Cure and, above my nervousness, and I completely cured me. I sleep well at night, my heart beats regularly and I have no more smothering spells. I wish to say to all who are suffering as I did: there is relief awaiting them if they will only give your remedies just one trial." Dr. Miles' Heart Cure is sold on a positive guarantee that the first bottle will benefit. All druggists sell it, 4 bottles for \$5, or it will be sent prepaid, on receipt of price by the Dr. Miles Medical Co., Elkhart, Ind.

DON'T STOP TOBACCO

How to Cure Yourself While Using Tobacco.

The tobacco habit grows on a man until his nervous system is seriously affected, impairing health, comfort and happiness. To quit suddenly is too severe a shock to the system, as tobacco, to an inveterate user, becomes a stimulant that his system continually craves. Baco-Curo is a scientific cure for the tobacco habit, in all its forms, carefully compounded after the formula of an eminent Berlin physician who has used it in his private practice since 1872, without a failure, purely vegetable and guaranteed perfectly harmless. You can use all the tobacco you want, while taking Baco-Curo; it will notify you when to stop. We give a written guaranty to permanently cure any case with three boxes, or refund the money with 10 per cent interest. Baco-Curo is not a substitute, but a scientific cure, that cures without the aid of will power and with no inconvenience. It leaves the system as pure and free from nicotine as the day before you took your first chew or smoke. Sold by all druggists, with our ironclad guaranty, at \$1 per box; three boxes (thirty days' treatment), \$2.50; or sent direct on receipt of price. Write for booklet and proofs. PHILIP W. AVIRETT, General Manager.

P. O. Box 463, Washington, D. C.

Honorably discharged soldiers and sailors who served ninety days, or over, in the late war are entitled, if now partially or wholly disabled for ordinary manual labor, whether disability was caused by service or not, and regardless of their pecuniary circumstances, WIDOWS of such soldiers and sailors are entitled (if not remarried) whether soldiers, death was due to army service or not, if now dependent upon their own labor for support. Widows not dependent upon their own labor are entitled if the soldier's death was due to service.

CHILDREN are entitled (if under 16 years) in almost all cases where there was no widow, or she has since died or remarried. PARENTS are entitled if soldier left neither widow nor child, provided soldier died in service, or from effects of service, and they are now dependent upon their own labor for support. It makes no difference whether soldier served or died in late war or in regular army or navy.

Soldiers of the late war, pensioned under one law, may apply for higher rates under other laws without losing any rights. Thousands of soldiers drawing from \$2 to \$10 per month under the old law are entitled to higher rates under new law, not only on account of disabilities for which now pensioned, but also for others, whether due to service or not.

Soldiers and sailors disabled in line of duty in regular army or navy since the war are also entitled, whether discharged for disability or not. Survivors, and their widows, of the Black Hawk, Creek, Cherokee, and Seminole or Florida Indian wars of 1832 to 1846 are entitled under a recent act. MEXICAN WAR SOLDIERS and their widows also entitled, if 62 years of age or disabled or dependent.

Old claims completed and settlement obtained, whether pension has been granted under later law or not. Rejected claims reopened and settlement secured, if rejection improper or illegal. Certificates of service and discharge obtained for soldiers and sailors of the late war who have lost their original papers. Send for laws and information. No charge for advice. No fee unless successful.

DON'T STOP TOBACCO. IT'S INJURIOUS TO STOP SUDDENLY and don't be imposed upon by buying a remedy that requires you to do so, as it is nothing more than a substitute. In the sudden stopping of tobacco you must have some stimulant, and in most all cases, the effect of the stimulant, be it opium, morphine, or other opiate, leaves a far worse habit contracted. Ask your druggist about BACO-CURO. It is purely vegetable. You do not have to stop using tobacco with BACO-CURO. It will notify you when to stop and your desire for tobacco will cease. Your system will be as free from nicotine as the day before you took your first chew or smoke. An iron-clad written guarantee to absolutely cure the tobacco habit in all its forms, or money refunded. Price \$1 per box, or 3 boxes (30 days treatment and guaranteed cure), \$2.50. For sale by all druggists or will be sent by mail upon receipt of price. END SIX TWO-CENT STAMPS FOR SAMPLE BOX. Booklets and proofs free. EUREKA CHEMICAL & MFG CO., La Crosse, Wis.

Eureka Chemical and Mfg Co., La Crosse, Wis.—Dear Sirs: I have been a tobacco fiend for many years, and during the past two years have smoked fifteen to twenty cigars regularly every day. My whole nervous system became affected, until my physician told me I must give up the use of tobacco, for the time being at least. I tried the so-called "Keeley Cure," "No-To-Bac," and various other remedies, but without success, until I accidentally learned of your "Baco-Curo." Three weeks ago today I commenced using your preparation, and today I consider myself completely cured. I am in perfect health, and the horrible craving for tobacco, which every inveterate smoker fully appreciates, has completely left me. I consider your "Baco-Curo" simply wonderful, and can fully recommend it. Yours very truly C. W. Hornick.
