Last Friday W. W. Shields, our skilled mechanic, had the misfortune to cut the end of his finger off while doing some repairing around the shingle-mill saw. He is laid off for a few days.

People who have tried it say that there is no better medicine for dyspepsia than Ayer's Sarsaparilla. It may not give one the stomach of an ostrich, but it so strengthens the alimentary organs that digestion of ordinary food becomes easy and natural.

J. M. Perkins, a prominent and well-known citizen of Parkersburg, spent a couple days in town last week. He was the guest of Mr. and Mrs. O. A. Kelly, and the HERALD had a pleasant call.

Dr. J. W. Strange, the Roseburg dentist, is expected to arrive in Coquille City some time next month, of which due notice will hereafter be given. Patrons of the HERALD will consult their own interests by reserving their work for him.

We notice that some of the boys around town are shooting air-guns on the streets. This is a violation of a city ordinance, besides being very dangerous, as is shown by the case of Pete Johnson's boy. The authorities will doubtless see that it does not continue.

Willard's & Cardwell's Orchestra will give a grand ball at Riverton, Or. on Christmas eve (Dec. 24, 1895). All are cordially invited to attend. A good time assured.

J. H. Matheny, a prominent Myrtle Point citizen, was in town a brief spell last Saturday and renewed friendship with the HERALD. Mr. M. was in town today again.

Santa Claus, Kris Kringle & Co. have established their headquarters for fancy dolls and all other nice Christmas goods at Mrs. Gray's store, near the depot.

Febile and capricious appetites are best regulated by the use of Ayer's Cathartic Pills. They do not debilitate, by excessive stimulation, but cause the stomach, liver and bowels to perform their functions properly. As an after-dinner pill, they are unequalled.

Miss Lillie Dean is employed as clerk in the Coquille Pharmacy. This adds a new charm to that already popular drugstore. Young lady clerks are the fashion nowadays and those who fail to catch on will get left.

J. W. Hall, esq., an old acquaintance, who is representing the wholesale grocery house of Closest & Devers, of Portland, was on yesterday's train bound for Myrtle Point. He expects to visit these parts again in about 60 days.

Bert Johnson, 13-year-old son of our townsman, Pete Johnson, got quite a flesh wound on the chin while playing with an air-gun on last Sunday. Guns loaded with leaden balls are dangerous even if there is nothing but wind behind them.

The popularity of Chamberlain's Cough Remedy and the high esteem in which it is held leads us to believe it to be an article of great worth and merit. We have the pleasure of giving the experience of three prominent citizens of Redondo Beach, Cal., in the use of the remedy. Mr. A. V. Trudell says: "I have always received prompt relief when I used Chamberlain's Cough Remedy." Mr. James Orchar says: "I am satisfied that Chamberlain's Cough Remedy cured my cold."

Mr. J. M. Hatcher says: "For three years I have used Chamberlain's Cough Remedy in my family and its results have always been satisfactory." For sale by Dr. S. L. Leneve, druggist.

Sam Brown Resentenced. On December 10th Judge Fullerton pronounced sentence for the second time on Samuel G. Brown at Roseburg. The time set for carrying out the death-sentence was Friday, January 31, 1896, between the hours of 7 and 8 o'clock in the morning. The place of the execution is in the jail-yard at Roseburg. This fixes the doom of the prisoner, unless the governor shall accede to the prayer of the petition sent him by the young man's father, and commutes the sentence to imprisonment for life.

Bandon's Budget.

Bandon, Dec. 14.—Rev. W. J. Fenton, of Grants Pass, gave several interesting discourses in the Presbyterian church this week.

The government works closed down Friday, with the exception of two or three men putting tools and machinery under cover and preparing for the winter.

About eighteen or twenty people, mostly hands on the works, went overland Sunday to Empire, to catch the steamer for the city. Oh, if we only had an ocean steamer running from this river, how handy it would be!

Millard Shoemaker has started another dwelling on his lots near the woolen mills. Sim Hunt has also started a nice little cottage on his place, in west Bandon.

Say, Mr. Editor, I said I could hear more wedding bells, I still hear them; you could, too, if you would hunt a little around.

The mask ball of the Woodmen was the biggest and best ball of the season, some 69 tickets being sold. The program was carried out to the letter and everybody seemed to enjoy themselves.

The G. A. R. have out posters for a mask ball Dec. 24th. The woolen mills have a large shipment of California wool on the schooner Joseph and Henry. What is the matter with our Coos county wool-growers? It seems as though Coos county ought to raise wool enough for one mill.

It is not positively known whether L. Jacobson will remain in Bandon this winter or not. He may stay, for the Hayter leaves the place.

It is reported that the lighthouse will be in running order early in the new year.

Rev. Scott's house is done. It is quite an improvement to the town.

Those new steps leading up the hill to the schoolhouse are just what was needed. They show off nice.

There is some talk of a bridge across Gross creek; it is badly needed.

The married ladies of the W. C. T. U. surprised the younger members last Friday night by giving a supper, and the way the cake and coffee went showed that the surprise was appreciated.

There will be a public sale of household goods at Mrs. W. J. Peterson's, Monday, Dec. 16th, at 1 o'clock p. m.

Quite an interest is being taken in the Bandon lyceum—and why not? Have you read the president's message? If so, did it make you feel faint at heart? Oh, for a Jackson, or Lincoln.

"For Charity Suffereth Long."

Mrs. Laura C. Phoenix, Ellsworth, Wis. "Having of a Bereaved Home and knowing the good Dr. Miles' Nervine has done me, my wish to help others, overcomes my dislike for the publicity, this letter may give me. In Nov. and Dec., 1893, The doctor had the 'Zoster' and I was one of the first. Remaining very too soon, with the care of so many sick, I did not regain my health, and in a month became so debilitated and nervous from sleeplessness and the drafts made on my vitality, that it was a question if I could go on. A dear friend advised me to try Dr. Miles' Restorative Nervine.

Jan. 6, 1894. Mrs. Laura C. Phoenix. "I am in better health than ever. It still continues. Its occasional use, as a nerve food, as my work is very trying. A letter addressed to Ellsworth, Wis., will reach me."

Dr. Miles' Nervine is sold on a positive guarantee that the first bottle will benefit. It will be sent prepaid on receipt of price by the Dr. Miles Medical Co., Elkhart, Ind.

DON'T STOP TOBACCO

How to Cure Yourself While Using Tobacco. The tobacco habit grows on a man until his nervous system is seriously affected, impairing health, comfort and happiness. To quit suddenly is too severe a shock to the system, as tobacco, to an inveterate user, becomes a stimulant that his system continually craves. Baco-Curo is a scientific cure for the tobacco habit, in all its forms, carefully compounded after the formula of an eminent Berlin physician who has used it in his private practice since 1872, without a failure, purely vegetable and guaranteed perfectly harmless. You can use all the tobacco you want, while taking Baco-Curo; it will notify you when to stop. We give a written guaranty to permanently cure any case with three boxes, or refund the money with 10 per cent interest. Baco-Curo is not a substitute, but a scientific cure, that cures without the aid of will power and with no inconvenience. It leaves the system as pure and free from nicotine as the day before you took your first chew of smoke. Sold by all druggists, with our iron-clad guaranty, at \$1 per box; three boxes (thirty days' treatment), \$2.50; or sent direct on receipt of price. Write for booklet and proofs. IT'S INJURIOUS TO STOP SUDDENLY and don't be imposed upon by buying a remedy that requires you to do so, as it is nothing more than a substitute. In the sudden stoppage of tobacco you must have some stimulant, and in most all cases, the effect of the stimulant, be it opium, morphine, or other opiates, leaves a far worse habit contracted. Ask your druggist about BACO-CURO. It is purely vegetable. You do not have to stop using tobacco with BA CO-CURO. It will notify you when to stop and your desire for tobacco will cease. Your system will be as free from nicotine as the day before you took your first chew or smoke. An iron-clad written guarantee to absolutely cure the tobacco habit in all its forms, or money refunded. Price \$1 per box, or 3 boxes (30 days' treatment) and guaranteed cure, \$2.50. For sale by all druggists or will be sent by mail upon receipt of price. END SIX TWO-CENT STAMPS FOR SAMPLE BOX. Office of THE PIONEER PRESS COMPANY, C. W. Hornick, Sept. 2, 1894. St. Paul, Minn., Sept. 7, 1894. Dear Sirs: I have been a tobacco user for many years, and during the past two years have smoked fifteen to twenty cigars regularly every day. My whole nervous system became affected, until my physician told me I must give up the use of tobacco, for the time being at least. I tried the so-called "Kelsey Cure," "No-To-Bac," and various other remedies, but without success, until I accidentally learned of your "Baco-Curo." Three weeks ago today I commenced using your preparation, and today I consider myself completely cured. I am in perfect health, and the horrible craving for tobacco, which every inveterate smoker fully appreciates, has completely left me. I consider your "Baco-Curo" simply wonderful, and can fully recommend it. Yours very truly C. W. HORNICK.
