Of course you have noticed Johnson Bro's new "ad." In fact you must have, which accounts for their recent large sales of goods. Besides, they invite the whole public to deal with them, and they in turn deal so fairly, that citizens of all religious beliefs, politics, callings in life—laborers, manufacturers, hotel keepers, transportation lines, goldbugs, and white, black and red men take no chances in purchasing there. Go to Johnson Bro's. Read their new ad.

BEWARE IN TIME. The first acute twinge of SCIATICA IS THE WARNING TO USE ST. JACOBS OIL. DELAY AND THOSE TWINGES MAY TWIST YOUR LEG OUT OF SHAPE.

Died at the Poor Farm. Fred Sherer, who has been at the poor farm for the past five years, suffering with scrofula and lung trouble, died at that place on last Tuesday, the 16th of December at 4 o'clock p. m. He was aged 15 years, 4 months and 3 days at the time of his death. He was buried on Thursday the 18th. He was a Christian boy, died in great peace and has gone to the better home.

From Mr. McClure, superintendent of lighthouses, we learn that the schooner Donald was wrecked at the Arago point offing while lying at anchor there, preparatory to unloading machinery for the new lighthouse at that place. The Donald was owned by Joseph Smith, the contractor, and together with the cargo of machinery, was a total loss. The vessel dragged her anchor during the heavy blow on last Thursday, went on the rocks and was smashed into fragments. It will be a serious loss to Mr. Smith, and as the time of his contract is nearly out it will disarrange his plans materially.

The popularity of Chamberlain's Cough Remedy and the high esteem in which it is held leads us to believe it to be an article of great worth and merit. We have the pleasure of giving the experience of three prominent citizens of Redondo Beach, Cal., in the use of the remedy. Mr. A. V. Trudell says: "I have always received prompt relief when I used Chamberlain's Cough Remedy." Mr. James Orcharl says: "I am satisfied that Chamberlain's Cough Remedy cured my cold." Mr. J. M. Hatcher says: "For three years I have used Chamberlain's Cough Remedy in my family and its results have always been satisfactory." For sale by Dr. S. L. Leneve, druggist.

George Laingor and Miss Ella Schroeder were married on the 18th inst. at the residence of the bride's parents, Judge and Mrs. J. Henry Schroeder's, at Arago. George, we'll forgive you for the mails being late, this time; but you might have said something to have assuaged our wrath—we thought it was the bad roads, or maybe some road agent holding you up. Well, no matter this time. The HERALD sincerely and heartily congratulates the young couple and wishes them a long, happy and prosperous journey through life.

Walter C. Ivin has completed a neat toilet and dressing case, a miniature bureau in style, from our handsome myrtle, birds-eye maple and yew woods. It is neatly finished, well polished, with drawers, swinging mirror, etc., and the several woods were displayed with good taste. Walter didn't tell us who the favored one was to be who should receive the handsome gift—but we think we can guess pretty close.

Mr. Maury of this place has completed another handsome myrtle wall-case and bracket, of exceedingly beautiful design, complicated fret work and highly polished. He is an artist in that line, whose workmanship excels that which generally finds a ready market.

"A snake in the grass" is all the more dangerous from being unsuspected. So are many of the blood medicines offered the public. To avoid all risk, ask your druggist for Ayer's Sarsaparilla, and also for Ayer's Almanac, which is just out for the new year.

W. H. Gleave, who is investigating our coal beds in this valley as an expert, last Friday evening brought us a nice sample of coal from the lower river, where he has uncovered an 8-foot vein. He regards it as good coal for steam and domestic purposes.

Oregon Kidney Tea for sale by Dr. S. L. Leneve, of Coquille City, and N. G. W. Perkins, of Myrtle Point.

A Wonderful Business Venture. Will A. Peairs, representing the Chamberlain Medicine Co. of Des Moines, has just returned from a trip round the world in the interest of that company. This is the first instance in which a representative of a western firm ever encircled the globe on a business trip. Mr. Peairs was 16 months in making this trip, traveled, in all, 35,000 miles, canvassed Africa thoroughly, en route, 1200 miles of which was "tracked"—that is, traveled with a ponderous two-wheeled ox-cart, and a little negro boy as companion and driver. Chamberlain's is now the best advertised and most widely known proprietary medicine in the world. Mr. Peairs is an intelligent, upright and gentlemanly young man, and has been in Coquille City, the HERALD's original contract for advertising Chamberlain's remedies having been made and signed by him. We had had dealings with Mr. Peairs before, elsewhere, and always found him to be gentlemanly and a good business man. We congratulate him on his safe return, and at the success of his great and unrivaled business venture.

The electors for School District No. 8 will meet at the schoolhouse next Saturday at 2 o'clock p. m. The meeting will be an important one for the progress of our educational interests, and it behooves our citizens to be thoughtful and prepared to take such action as will utilize our school facilities to the best advantage. Two great public interests are subserved in this matter—the educational advancement of the community and the advertisement of our section for settlement and investment. Turn out, and elect a progressive, earnest trustee, and then take such action in the matter of a tax levy as will encourage the board and decide finally the question of school grounds.

Ira Bozan came down from his mines Sunday morning, on Sucker ridge, on the head waters of Johnson creek. Geo. L. Stidham, of Stidham Bros, also of the operating company, accompanied. Ira looks well and gives a good report. Mr. Stidham is a nice looking young gentleman and will remain over the holidays with us. It is likely as he accumulates the yellow metal, he would like to select a treasurer from among our host of charming young ladies while on this visit. As for Ira, he is a confirmed "old bach," and we anticipate neither a "mash" nor an abduction by him. Girls—snowball him. Ira tells us they have been having great storms, and heavy rains and snow in the mountains. Prof. Kanematz would have liked to come down during the holidays, but he is now snowed in and will winter in camp.

If you want to enjoy a delightful evening, go to the Godfreys' entertainment at Masonic hall next Saturday night.

YEARS OF INTENSE PAIN. Last Night's Blaze. About twelve o'clock last night fire was discovered in the upper floor of the building occupied by the Shanrock saloon, near the depot. The fire was suspected to be of incendiary origin, but was soon extinguished, great care being taken to see that it was all out. About two o'clock an alarm was sounded by a whistle from Lyons' mill, which aroused the whole town from their peaceful slumbers. This time the flames were breaking through the roof of the building and quickly communicated to the adjoining property, the lower part of which was occupied by Lyons' butcher shop and grocery store, and the upper story as the Bulletin office. By the time people arrived at the scene of destruction it was evident that both buildings were doomed, so all efforts were directed to saving the contents of the meat market, and protecting the mill, and the buildings of C. L. Gray just across the street. All this was successfully accomplished, but nothing was saved either from the saloon or the Bulletin office. The fire, originating in the upper portion of the saloon, spread so rapidly to the adjoining building that all communication with the Bulletin office was quickly cut off and its contents were a total loss, not even the books being saved, and without insurance.

DR. J. H. WATTS, druggist and physician, Humboldt, Neb., who suffered with heart disease for four years, trying every remedy and all treatments known to himself and fellow-practitioners; believes that heart disease is curable. He writes: "I wish to tell what your valuable medicine has done for me. For four years I had heart disease of the very worst kind. Several physicians I consulted, said it was Rheumatism of the Heart. It was almost unendurable; with shortness of breath, palpitations, severe pains, unable to sleep, especially on the left side. No pen can describe my sufferings, particularly during the last months of those four weary years. I finally tried Dr. Miles' New Heart Cure, and was surprised at the result. It put new life into me and made a new man of me. I have not had a symptom of trouble since, and I am satisfied your medicine has cured me for I have now enjoyed, since taking it, Three Years of Splendid Health. I might add that I am a druggist and have sold and recommended your Heart Cure, for I know what it has done for me and only wish I could state more clearly my sufferings then and the good health I now enjoy. Your Nervine and other remedies also give excellent satisfaction." J. H. WATTS, Humboldt, Neb., May 9, '94.

Dr. Miles' Heart Cure Restores Health. And still the subscribers come in and voluntarily enroll on the HERALD'S list. Parties needing their pianos or organs tuned, or repaired, will please leave orders at the HERALD office. A. ANGERMAN, Piano Tuner.

Of course it pays to advertise in a paper having 200 or 300 circulation; but it pays better to speak to and deal fairly with the readers of a paper having a circulation of 800. Do you want patronage? Tell the readers of the HERALD so. Start out in the new year on "business" principles. The Shakers have made a great hit. Their Digestive Cordial is said to be the most successful remedy for stomach trouble ever introduced. It immediately removes all pain and distress after eating, builds up the feeble system and makes the weak strong.

The fact is, foods properly digested are better than so-called tonics. The Cordial not only contains food already digested, but is a digester of other foods. Food that is not digested does more harm than good. People who use the Cordial insure the digestion of what food they eat and in this way get the benefit of it and grow strong. The little pamphlets which the Shakers have sent druggists for free distribution, contain much interesting information on the subject of dyspepsia. LAXOL is not a mixture of drugs. It is nothing but Castor Oil made palatable.

Eureka Chemical and Man'g Co., La Crosse, Wis.—Dear Sirs: I have been a tobacco fiend for many years, and during the past two years have smoked fifteen to twenty cigars regularly every day. My whole nervous system became affected, until my physician told me I must give up the use of tobacco, for the time being at least. I tried the so-called "Keeley Cure," "No-To-Bacco," and various other remedies, but without success, until I accidentally learned of your "Bacco-Curo." Three weeks ago today I commenced using your preparation, and today I consider myself completely cured. I am in perfect health, and the horrible craving for tobacco, which every evening I used to feel, is completely left me. I consider your "Bacco-Curo" simply wonderful, and can fully recommend it. Yours very truly C. W. HOSKINS.
