When a person begins to grow thin there is something wrong. The waste is greater than the supply and it is only a question of time when the end must come.

In nine cases out of ten the trouble is with the digestive organs. If you can restore them to a healthy condition you will stop the waste, put on new flesh and cause them to feel better in every way. The food they eat will be digested and appropriated to the needs of the system, and a normal appetite will appear. Consumption frequently follows a wasting of bodily tissue because nearly all consumptives have indigestion. The Saker Digestive Cordial will restore the stomach to a healthy condition in a vast majority of cases. Get one of their books from your druggist and learn about this new and valuable remedy.

When the children need Castor Oil, give them LAXOL—it is palatable.

An Old Soldier's Recommendation.

In the late war I was a soldier in the First Maryland Volunteers, Company G. During my term of service I contracted chronic diarrhoea. Since then I have used a great amount of medicine, but when I found one that would give me relief it would injure my stomach, until Chamberlain's Colic, Cholera and Diarrhoea Remedy was brought to my notice. I used it and will say it is the only remedy that gave me permanent relief and no bad results follow. I take pleasure in recommending this preparation to all of my old comrades, who while giving their services to their country, contracted this dreadful disease as I did, from eating unwholesome and uncooked food. Yours truly, A. E. Bending, Halsey, Oregon. For sale by Dr. S. L. Leneve, druggist.

Parkersburg Pick-ups.

Parkersburg, Jan. 27.—As Barg has not sent any items from here for some time, I will send a few. The schooner Joseph and Henry arrived in the river Saturday, four days out from San Francisco, to take lumber from our mill. J. E. Quick has returned and resumed his position in the mill after a month's vacation. H. Hamby got his fore-finger mashed in the mill last Friday, and it was amputated between the first and second joints. Ed Oaks, who got his knee-cap fractured by a fall, about ten days ago, is around with the help of a cane. Glad to see you again, Ed. Most of the Bear Creek loggers are happy, as they have their logs in tide-water at the mill. J. F. Hamblet is putting in logs for a house pattern. That is right, Uncle John. James Walstrom, the smiling and accommodating clerk, is behind the counter at the store again. The school is progressing nicely here, under the management of Miss Sarah Fahy. We are going to have a debating club here; look out! MYRTLE.

"For Charity Suffereth Long."

Mrs. Laura C. Phoenix, Milwaukee, Wis. "Widow of a Benevolent Home and knowing the good Dr. Miles' Nervine has done me, my wish to help others, overcome my dislike for the publicity, this letter may give me. In Nov. and Dec, 1893, The inmates had the 'LaGrippe,' and I was one of the first. Resting duty too soon, with the care of so many sick, I did not regain my health, and in a month I became so debilitated and nervous from sleeplessness and the drafts made on my vitality, that it was a question if I could go on. A dear friend advised me to try Dr. Miles' Nervine. I took a bottle and am happy to say, I am in better health than ever. I still continue its occasional use, as a nerve food, as my work is very trying. A letter addressed to Milwaukee, Wis., will reach me." Jan 8, 1896. Mrs. Laura C. Phoenix.

DON'T STOP TOBACCO IT'S INJURIOUS TO STOP SUDDENLY and don't be imposed upon by buying a remedy that requires you to do so, as it is nothing more than a substitute. Ask your druggist about BACO-CURO. It is purely vegetable. You do not have to stop using tobacco with BACO-CURO. It will notify you when to stop and your desire for tobacco will cease. Your system will be as free from nicotine as the day before you took your first chew or smoke. An iron-clad written guarantee to absolutely cure the tobacco habit in all its forms, or money refunded. Office of THE PIONEER PRESS COMPANY, C. W. Hornick, Supt., St. Paul, Minn., Sept. 7, 1894. Eureka Chemical and Man'g Co., La Crosse, Wis.—Dear Sirs: I have been a tobacco smoker for many years, and during the past two years have smoked fifteen to twenty cigars regularly every day. My whole nervous system became affected, until my physician told me I must give up the use of tobacco, for the time being at least. I tried the so-called "Keeley Cure," "No-To-Bac," and various other remedies, but without success, until I accidentally learned of your "Baco-Curo." Three weeks ago today I commenced using your preparation, and today I consider myself completely cured. I am in perfect health, and the horrible craving for tobacco, which every inveterate smoker fully appreciates, has completely left me. I consider your "Baco-Curo" simply wonderful, and can fully recommend it. Yours very truly C. W. HORSICK.
