Correction. THE HERALD is pleased to make correction of an item that found its way, by misinformation, into the "Bandon Budget" in our last issue. The item in question states: "It is reported that there will be a reduction of wages at the woolen mills commencing Feb. 1st."

This does injustice to that institution, as instead of reducing wages, in several departments they have been increased. The HERALD is the friend of the Bandon woolen mills, as it is of all other institutions of that kind established in Coos county, and we never let an opportunity pass of speaking a good word for them.

We are sorry the above error crept into our columns, but can assure our readers that no injustice was intended by anyone.

No mystery about it. When the Shakers offered some time ago to give away a bottle of their Digestive Cordial to any one who might call at their New York office, there was a great rush and a great many people thought they were crazy. Subsequent events prove it to have been a very clever advertising transaction, for although they gave away thousands of bottles, it was in the end profitable; nearly every one that took a free bottle came back for more and paid for it with pleasure, saying they had derived better results from its use than from any other medicine they had ever used.

There is nothing so uniformly successful in the treatment of stomach troubles as the Shaker Digestive Cordial, and what is better than all, it relieves at once.

"Having a Benovolent Heart and knowing the good Dr. Miles' Nervine has done me, my wish to help others, overcomes my dislike for the publicity, this letter may give me. In Nov. and Dec., 1895, The Sufferer had the 'Lagrippe,' and I was one of the first. Resuming duty too soon, with the care of so many sick, I did not regain my health, and in a month I became so debilitated and nervous from sleeplessness and the drafts came on my vitality, that it was a question if I could go on. A dear friend advised me to try Dr. Miles' Restorative Nervine. I took 2 bottles and am happy to say, I am in better health than ever. I still continue its occasional use, as a nerve food, as my work is very trying. A letter addressed to Milwaukee, Wis., will reach me." June 8, 1896. Mrs. LAURA C. PHOENIX. Dr. Miles' Nervine is sold on a positive guarantee that the first bottle will benefit. All druggists sell it at \$1.50 bottles for \$5, or \$10 will be sent, prepaid, on receipt of price by the Dr. Miles Medical Co., Elkhart, Ind.
