Nervous Shock.

E. W. JOY COMPANY—Gentlemen: This is the first time I have attempted so write for three years. Have been to nervous and weak that I have laid in bed most of the time.

A friend who had taken your Sarsaparilla sent me two bottles. The second one is most gone, and I have gained twenty pounds, and surely feel a new woman I was pale, thin, no ambition. Had given up, as I had tried so many remedies and doctors, but found no benefit. If you care to publish this you have my consent, (Signed)

Hon. Plinn Cooper has a ledge of rock on his farm that it will pay to prospect. A sample sent to a Portland assay office recently shows gold $1.03 and copper $5.60 to the ton, besides a trace of silver. While this would hardly pay to work, it is certainly worth prospecting further.

The exposure to all sorts and conditions of weather that a lumberman is called upon to endure in the camps often produces severe colds which, if not promptly checked, result in congestion or pneumonia. Davenport, ex-manager of the Fort Bragg Redwood Co., an immense institution at Fort Bragg, Cal., says they sell large quantities of Chamberlain's Cough Remedy at the company's store and that he has himself used this remedy for a severe cold and obtained immediate relief. This medicine prevents any tendency of a cold toward pneumonia and insures a prompt recovery. For sale by Dr. S. L. Leneve, druggist.

"I observe, Brother Rocksworthy," said the Rev. Dr. Fourthly, "that when I spoke in my sermon yesterday of the evils of gambling in stocks and expressed the hope that no member of my congregation ever frequented places where such gambling was made a business, you slapped your thigh emphatically. I am glad if the sentiment met your approval." "Why—aw—the fact is, doctor," replied brother Rocksworthy, "I—I suddenly remembered where I had left my umbrella."

MARBLE WORKS AT HOME.

An Agency in Coquille—A Chance to Buy Tablets or Monuments.

The publishers of the HERALD have accepted an agency for the Coos Bay Marble Works of C. W. Paterson at Marshfield. Mr. Paterson is one of the finest mechanics in his line on the Pacific coast, and guarantees all his work to give satisfaction. His prices are lower than those of the Willamette valley shops for the same class of work, and yet agents for foreign marble workers are in the habit of running through this country and taking orders for their work, thus taking the money out of the county that ought to be retained here for such goods. Patronize home institutions, and men who work and live here and are responsible for their contracts. The HERALD management joins Mr. Paterson in guaranteeing every job done by him to be satisfactory and in accordance with designs. Mr. Paterson is also a gentleman to deal with, as the HERALD can testify from former business relations with him.

Call at the HERALD office and see specimens of marble, photographic views of slabs, monuments, etc. We will also have on exhibition at our office samples of Mr. Paterson's work in the near future. In the meantime persons wishing work in this line will do well to call at the HERALD office and consult with us.

A new woolen mill is being built in Pendleton, and will be ready for operation in the near future.

A. J. Johnson, an old resident of Summerville, Union county, was found dead in his bed Sunday morning, Feb. 16th. The cause of his death was not known.

February 17th Laura Bennett of Salem, while at play over the mill race in that city, let her sled fall in the water and in reaching to recover it plunged in herself. She was carried down some 600 feet, and finally rescued by Wm. Tarpley, more dead than alive. By persistent effort she was finally resuscitated and is now all right.

At the recent trial of Dr. Arthur Duestrow, a Missouri man who murdered his wife and child some two years ago, he was convicted by jury and sentenced by the judge to be hanged. The peculiar feature of the case is that Deustrow was a millionaire and spent money freely in trying to escape the penalty of the law; but in this one instance money did not suffice to warp the court and jury. Duestrow paid one attorney $50,000 besides employing other legal talent for his assistance, but in spite of his money he must hang.

The HERALD Land company will soon have listed a large number of farms, timber tracts and town properties for sale or trade. We propose to do business honestly and treat our customers with courtesy and fairness. We invite the public to investigate our plans of business.

Another Free Offer.

The long winter evenings can be very profitably devoted to reading, but there are some things that we must read the year round. One of these is a local paper: the best in the county is before you—the HERALD. Another is a good home paper of general circulation, such as "Womankind," for instance, which comes once a month filled with the best things for a busy housewife. We are able by special arrangements with the publishers, to offer "Womankind" free for a year to every paid-in-advance subscriber to our paper, and are glad to do so, for we are convinced that no home paper in America contains more of practical value to women. Bright stories, clever poems, the latest fashions, news of woman's work everywhere, articles on "Motherhood," "Cultivation of Flowers," a woman's parliament for the discussion of matters of interest, are a few of the bright features of "Womankind."

To the head of the house we offer on the same terms "Farm News," an agricultural paper, edited by a practical farmer (Miller Purvis, esq., late state lecturer of the Ohio Farmer's Alliance), and filled each month with suggestions from able correspondents, that make it an absolute necessity to every wide awake farmer. This paper is yours for the asking, provided you are a subscriber to our paper.

Remember every paid-in-advance subscriber to the HERALD is entitled to his choice in either of these papers. Tell your neighbors about this offer. A sample copy of both papers may be obtained by addressing the Hosterman Publishing Co., Springfield, Ohio.

Come in and pay a year in advance to the HERALD and get one of these attractive papers free.

G. A. R. NOTICE.

We take this opportunity of informing our subscribers that the new Commissioner of Pensions has been appointed. He is an old soldier, and we believe that soldiers and their heirs will receive justice at his hands. We do not anticipate that there will be any radical changes in the administration of pension affairs under the new regime.

We would advise, however, that U. S. soldiers, sailors, and their heirs, take steps to make application at once, if they have not already done so, in order to secure the benefit of the early filing of their claims in case there should be any future pension legislation. Such legislation is seldom retroactive. Therefore it is of great importance that applications be filed in the department at the earliest possible date.

If U. S. soldiers, sailors or their widows, children or parents, desire information in regard to pension matters, they should write to THE PRESS CLAIMS COMPANY, at Washington, D. C., and they will prepare and send the necessary application, if they find them entitled under the numerous laws enacted for their benefit. Address,

A FRIEND

Speaks through the Boothbay (Me.) *Register*, of the beneficial results he has received from a regular use of Ayer's Pills. He says: "I was feeling sick and tired and my stomach seemed all out of order. I tried a number of remedies, but none seemed to give me relief until I was induced to try the old reliable Ayer's Pills. I have taken only one box, but I feel like a new man. I think they are the most pleasant and easy to take of anything I ever used, being so finely sugar-coated that even a child will take them. I urge upon all who are in need of a laxative to try Ayer's Pills. They will do good."

D. W. MARION.
President of the Swamp Angel Medicine Co.
Drawn by Carl Brown From Life.

Two years ago, at 38, I was a consumptive, dyspeptic, emaciated, debilitated, dying man, weighing but 120 pounds. Now, at 40, I weigh 170 and am in perfect health. Such are the wonderful results of using Swamp Angel Medicine for two years when any symptoms of disease showed themselves.

When the scientific men of the world, and all the health boards of the large cities informed the public that consumption, and the most malignant and fatal diseases, were caused and produced by living bugs, germs or microbes, I then determined to find a germ or microbe killer. I then bought and tested every preparation on sale for throat troubles, bronchial affections or consumption. I could not find a germ or microbe killer in the entire list of medicines. I then commenced to experiment with naphthol, and produced a medicine similar in effects to Listerine or naphthol. While my medicine was very strong, yet, I could drink it like water. But the most wonderful thing was that one drop would not only kill millions of germs and microbes, but would instantly kill any large insect. I named this remedy Swamp Angel Medicine in honor of the Swamp Angel cannon, a gun very destructive to enemies but harmless to its operators, its friends. Even so, Swamp Angel Medicine destroys all lower germ life, the cause of human disease. Under heat, this medicine dissolves into gas, air, and can be inhaled directly into the lungs, thereby killing all germ and microbe life on these organs. Like lightning, this same medicine will rush through the skin, and therefore kill any ache or pain from a common toothache to a severe neuralgia or rheumatic pain. Every family should have a bottle. Cut out the ticket on this page and get one.

"A GREAT REMEDY.

The Caucasian Gives Free Advertising for a Good Thing.

For some weeks past the *Caucasian* has been running an advertisement of the Swamp Angel Company. We had not given it very much attention, and while we had satisfied ourselves that it was a good medicine, we had no true idea of its real value. From direct evidence we can affirm to any one interested that this medicine is possibly what has long been looked for. We should be slow to make this assertion but for the fact that some strong testimonials have come under our notice, and we here present them. The original letters are now in the possession of the *Caucasian*.

SURPRISING BENEFIT.

Liberal, Mo., Dec. 4, 1895.

To the Proprietor of the Swamp Angel Medicine Company:

Seeing your advertisement and being terribly afflicted with rheumatism and kidney trouble, I was anxious to try your medicine. My wife was also a great sufferer from heart failure and asthma. We have tested the medicine thoroughly, and consider the results wonderful. Kidney trouble nearly all gone; rheumatism better than it has been for twenty years. My wife's dropsy all gone, kidney trouble very much better, heart trouble almost gone, asthma better. Taking everything into consideration—her age, which is 70, and the length of time she has been afflicted—it is surprising to note the benefit she has received from the use of The Swamp Angel Medicine.
