Little Georgie Snyder, son of John Snyder of the Central hotel at Marshfield, narrowly escaped a serious accident at that place last Tuesday evening. The fire engine was taken out for practice, and the boy was knocked down by the machine, but luckily pushed aside far enough to only receive slight bruises on his person. No bones were broken, though one leg was painfully hurt. Dr. S. L. Leneve, druggist, desires us to publish the following extract from a letter of Chas. M. Gutfield, of Reedley, Fresno Co., Cal., as he handles the remedy referred to and wants his customers to know what a splendid medicine it is: "It is with pleasure I tell you that by one day's use of Chamberlain's Cough Remedy I was relieved of a very severe cold. My head was completely stopped up and I could not sleep at night. I can recommend this remedy." A cold nearly always starts in the head and afterwards extends to the throat and lungs. By using this remedy freely as soon as the cold has been contracted it will cure the cold at once and prevent it from extending to lungs. So, Miss Fern, please don't worry, and the people of Coos will try to get along in the future without your valuable services; and by so doing we will keep a little money at home for our home talent. Mrs. J. P. Bell, Ossawatimie, Kan., wife of the editor of The Graphic, the leading local paper of Miami county, writes of her complete cure of heart disease for six years, severe palpitations, shortness of breath, together with such extreme nervousness, that at times I would walk the floor nearly all night. We consulted the best medical talent in Miami county, but they said there was no help for me, that I had organic disease of the heart for which there was no remedy. I had read your advertisement in The Graphic and a year ago, as a last resort, tried one bottle of Dr. Miles' New Cure for the Heart, which convinced me that there was true merit in it. I took three bottles each of the Heart Cure and Restorative Nervine and I was completely cured. I sleep well at night, my heart beats regularly and I have no more smothering spells. I wish to say to all who are suffering as I did: there's relief untold for them if they will only give your remedies just one trial. Dr. Miles' Heart Cure is sold on a positive guarantee that the first bottle will benefit. All druggists sell it at 40¢ a bottle. It will be sent, except by mail, by the Dr. Miles Medical Co., Elkhart, Ind.

Honorably discharged soldiers and sailors who served ninety days, or over, in the late war are entitled, if now partially or wholly disabled for ordinary manual labor, whether disability was caused by service or not, and regardless of their pecuniary circumstances, WIDOWS of such soldiers and sailors are entitled (if not remarried) whether soldiers, death was due to army service or not, if now dependent upon their own labor for support. Widows not dependent upon their own labor are entitled if the soldier's death was due to service. CHILDREN are entitled (if under 16 years) in almost all cases where there was no widow, or she has since died or remarried. PARENTS are entitled if soldier left neither widow nor child, provided soldier died in service, or from effects of service, and they are now dependent upon their own labor for support. It makes no difference whether soldier served or died in late war or in regular army or navy. Soldiers of the late war, pensioned under one law, may apply for higher rates under other laws, without losing any rights. Thousands of soldiers drawing from \$2 to \$10 per month under the old law are entitled to higher rates under new law, not only on account of disabilities for which now pensioned, but also for others, whether due to service or not. Soldiers and sailors disabled in line of duty in regular army or navy since the war are also entitled, whether discharged for disability or not. Survivors and their widows of the Black Hawk, Creek, Cherokee, and Seminole or Florida Indian wars of 1832 to 1842, are entitled under a recent act. MEXICAN WAR SOLDIERS and their widows also entitled, if 63 years of age or disabled or dependent. Old claims completed and settlement obtained, whether pension has been granted under later laws or not. Rejected claims reopened and settlement secured, if rejection improper or illegal. Certificates of service and discharge obtained for soldiers and sailors of the late war who have lost their original papers. Send for laws and information. No charge for advice. No fee unless successful. THE PRESS CLAIMS CO., PHILIP W. AVIRETT, General Manager. P. O. Box 463, Washington, D. C.
