"One by one the roses fall," so do the candidates set up in opposition to the Populist ticket in this county. The cyclone is gathering and the people will be heard.

Oregon Kidney Tea is the most effective blood-purifier known. For sale by druggists N. G. W. Perkins, of Myrtle Point, and Dr. S. L. Leneve, of Coquille City.

Prof. Barklow and wife went to Myrtle Point last Monday, where Mr. Barklow will hold teachers' examination commencing next Wednesday. The professor was a caller at the HERALD office.

Bessie H. Badloe, Burlington, Vt., had a disease of the scalp, causing her hair to become very harsh and dry, and to fall so freely that she scarcely dared to comb it. Ayer's Hair Vigor gave her a healthy scalp, removed the dandruff and made the hair thick and glossy.

Mr. and Mrs. Jim McAdams will return to this locality and make their home, after an absence of about two years on the lower coast. Jim has a contract with the Beaver Hill Coal Co. to furnish mine timbers.

Lost—Between Marshfield and Coquille City, on the cars, a shawl strap binding a lady's black flannel wrap on outside, black sateen wrapper, striped wrapped and grey cape inside. No name on it. Suitable reward will be paid on leaving at this office.

The HERALD force returns sincere congratulations to Geo. E. Pike and bride (nee Miss Maggie Stone) for remembrance with a portion of wedding cake. The couple are well known in our community, and the wedding is an event heartily approved by a wide circle of friends and well-wishers.

The steamer "Arcata" has been placed on the run formerly taken by the "South Coast." The "Arcata" makes regular trips between San Francisco and Portland, calling at Eureka, Coos bay, and Astoria, each way. Passengers and freights at lowest rates. Apply to E. G. Flanagan, Marshfield, or Southern Oregon Co., Empire City, agents.

The gasoline steamer Moro, that had the misfortune to break a flange from her propeller while floundering on the sand near Bandon, had a still worse accident by having her wheel broken to pieces in an attempt to break off the opposite flange, to make the wheel balance. She will be compelled to lie at Bandon until a propeller is brought from San Francisco.

A prominent western newspaper recommends flax-seed tea as an excellent remedy for whooping cough. It may be good but it is not to be compared with Chamberlain's Cough Remedy. This preparation will allay the violent fits of coughing and make them less frequent and less severe. It also liquefies the tough mucus, making it easier to expectorate. Complete recovery is much quicker, too, when this remedy is given. There is no danger in giving it to small children, as it is a pleasant syrup and contains nothing injurious. For sale at 25 and 50 cents per bottle by Dr. S. L. Leneve.

Remember that at Coquille City, with a block of ground free, it will not cost more than \$12,000 to \$15,000 to erect suitable buildings for the county seat. All the talk about \$50,000 is moonshine.
The Myrtle Point Enterprise can't afford to oppose Coquille for the county seat. That paper has too many subscribers who know, without argument, that Coquille is the natural location for our seat of government, and who will not take kindly to such opposition from their own paper.
Dr. J. W. Strange, the dentist, is still on the river, having gone to Bandon. He will return to this place next Friday, the 15th inst., and remain here until Monday morning the 18th inst. He will then leave for Roseburg, and we suggest that such of our readers as desire good dental work will consult his interests by calling on him while here.

Basket Social.
The Ladies' Auxilliary of the M. E. church will give a basket social at the little church next Thursday evening, May 14th, commencing at 8 o'clock, sharp. Nice ornamental baskets containing luncheon will be sold at auction, the purchaser to eat supper with the lady who prepares the basket. There will be no admission fee charged at the door. A cordial invitation is extended to everybody, and everybody admitted free.

If we could trace Dyspepsia to its source, it would lead back to our kitchens. In fact, the secret of good health is good cooking. If well cooked, foods are partially digested; if poorly cooked, they are less digestible than in their raw state. If you are a victim of faulty cooking; that is if you suffer from Dyspepsia, the rational cure must be looked for in an artificially digested food, and a food which will at the same time aid the digestion of other foods. Such a preparation virtually rests the tired digestive organs, thereby restoring them to their natural strength.
The Digestive Cordial, as prepared by the Shakers of Mount Lebanon, is just such a preparation, and a single 10-cent bottle will convince you of its value. If your druggist doesn't keep it, he will be glad to get it through his wholesale house.

LAXOL is the best medicine for children. Doctors recommend it in place of Castor Oil.

Coquille-San Francisco.
The gasoline "steamer" Moro, of 200-ton capacity, reached this place about 6 p. m. last Wednesday, Capt. D. Jorgensen in command. She was detained nearly two days by getting on the north spit at the mouth of the river after entering. There was but little damage occasioned by the accident, one flange of the propeller being broken, thus reducing her speed and hindering management. The HERALD is glad to welcome the new-comer as a great helper in the development of our section and for the convenience of our trade. She will make at least three round trips each month, and possibly more. Our people greeted the advent of the vessel sincerely, and considerable freight was gathered and shipped to the city on her. About 25,000 broom-handles were shipped by our mill, while hides and some produce were forwarded by our business men. She was to take on about 100 tons of coal at Riverton and other freight at Bandon. Several passengers had expected to go on her, but she has no passenger accommodations. The same company will prepare a vessel for this trade having cabins.

Council Proceedings.
The old town board met yesterday and wound up the business of the board and inducted the new into their office. All were present—Chairman Goodman, Trustees Drain, Brown, Lorenz and Perry, Recorder Myers and Marshal Johnson.
After reading proceedings of last meeting, several bills were allowed and the treasurer's report read and approved.
At this point the newly elect members, Messrs. W. S. Perry, J. H. Cecil, C. L. Gray, L. Harlocker and J. J. Lamb, presented themselves and were qualified.
On motion of J. J. Lamb, W. S. Perry was elected chairman.
The bond of Recorder J. Rowan was approved and he qualified and entered upon his duties, with N. Lorenz and J. H. Nosler as sureties.
Marshal G. A. Brown's bond was also approved and filed, with himself and John Nasburg as sureties.
On motion of Harlocker, Dr. S. L. Leneve was re-elected treasurer. The marshal's salary was placed at the former rate for the present.
Mr. Gray tendered the use of his hall for council meetings free, which was accepted.

Albrecht Convicted.
The case of Carl Albrecht, the wife murderer of Marshfield, was tried last week before the following named jury: John Berry, Geo. W. Stevenson, Geo. Seeley, Anson Rogers, G. H. Collier, A. Flanders, T. A. Walker, J. Fouts, E. Proctor, W. E. Bigelow, J. Peese and Thos. Krewson.
L. L. Burtenshaw was appointed attorney for the defense by the court. A plea of insanity was set up by the defense, and several physicians were called to testify in regard to the sanity of the prisoner. But all of these testified that the acts of Albrecht were not those of an insane person. The case was given to the jury who returned a verdict of murder in the first degree. He will be sentenced in a few days.

W. E. Yates, the Republican candidate for district attorney, visited Coquille City last week, and gave the HERALD office a very pleasant call, and became a subscriber to this paper. Mr. Yates is an old acquaintance of one of the editors of the HERALD, and is a very nice gentleman indeed. It is only too bad that he still attaches his fortunes to a sinking ship. If it were not for this we would be pleased to wish him success. But as it is, we have a Populist candidate who is in every way the equal of Mr. Yates, and also stands for the principles of the People's party, which Mr. Yates does not. We were glad to meet our old friend anyway, and when he gets snowed under for the office of district attorney he can fall back on a paying practice at home.

The HERALD is the only "all home print" paper in Coos county, and this fact should go as far again in its favor in the county as the establishment of one "on the half shell" in a community. Moreover it is fearless for the right; it is not owned and dictated to from the outside, but managed entirely as an institution among the people and of the people and for the people.

Uncle Jack Wilson tells us some one entered his premises on the other side of the river lately and "swiped" some of the windows therefrom. The party being known may return them and save being exposed, and possibly punished.

The band gave the bride and groom, Mr. and Mrs. Pike, a serenade last night. Mr. P. is a popular member of the band.
Insomnia is fearfully on the increase. The rush and excitement of modern life so tax the nervous system that multitudes of people are deprived of good and sufficient sleep, with ruinous consequences to the nerves. Remember, Ayer's Sarsaparilla makes the weak strong.
Mrs. B. Vowell came up last week to be present with her sister, Mrs. Lawson, who is seriously ill. As we write, Mrs. Lawson is resting well, but there is little hope of her recovery.
FOR EXCHANGE—A good 2-story house of 9 rooms; a small barn; two lots set out to small fruit, in Coquille City; also 40 acres of land, 1 mile from Myrtle Point, 25 acres bottom—15 acres tench—for small, improved farm. Apply at this office or to Box 34, Coquille City.
Posters are out for an auction sale of household goods next Saturday at 10:30 a. m. on Front street, near Lamb's store. J. B. Fox is auctioneer and the sale will include sitting room, dining, bedroom and kitchen furniture. Don't forget the time and place for bargains.
Mrs. L. P. Rounds, state lecturer and organizer of the W. C. T. U., lectured at the Christian church last evening to a good-sized and attentive audience. Her subject was "Humane Education," and was handled in an interesting manner. The lady will speak again this evening at the same place, and her subject will be "Temperance."

FOR TRADE—A small fruit farm in San Luis Obispo county, California—18 acres in all; 5 acres fruit trees, mostly French prunes, also one acre family orchard, general fruits; 3-room house; partly enclosed with wire fence; small barn; 1/2 of a mile from depot on narrow-gauge railroad; 3/4 of a mile from town of Nipoma. The above will be exchanged for property in Coquille valley. [21 4 t.]

I feel it my duty to gratefully acknowledge the great benefit I received from the treatment of Dr. J. Burt Moore. I am now entirely cured, and in better health than I have been for years. I publish this card on my own account, and without the knowledge of Dr. Moore.

YEARS OF INTENSE PAIN.

Dr. J. H. Watts, druggist and physician, Humboldt, Neb., who suffered with heart disease for four years, trying every remedy and all treatments known to himself and fellow-practitioners, believes that heart disease is curable. He writes:
"I wish to tell what your valuable medicine has done for me. For four years I had heart disease of the very worst kind. Several physicians I consulted, said it was incurable. I was almost unendurable, with shortness of breath, palpitations, severe pains, unable to sleep, especially on the left side. No pen can describe my sufferings, particularly during the last months of those four weary years. I finally tried
Rheumatism of the Heart.
It was almost unendurable, with shortness of breath, palpitations, severe pains, unable to sleep, especially on the left side. No pen can describe my sufferings, particularly during the last months of those four weary years. I finally tried
Dr. Miles' New Heart Cure,
and was surprised at the result. It put new life into and made a new man of me. I have not had a symptom of trouble since and I am satisfied your medicine has cured me for I have now enjoyed, since taking it, Three Years of Splendid Health.
I might add that I am a druggist and have sold and recommended your Heart Cure, for I know what it has done for me and only wish I could state more clearly my suffering then and the good health I now enjoy. Your Nervine and other remedies also give excellent satisfaction." J. H. WATTS.
Humboldt, Neb., May 9, '94.
Dr. Miles' Heart Cure is sold on a positive guarantee that the first bottle will benefit. All druggists sell it. Cost 50 cents for 30 or it will be sent prepaid, on receipt of price by the Dr. Miles Medical Co., Elkhart, Ind.
