Memorial Day. Was observed at this place in a manner, but not formally and extensively as has been the custom for some years back. The chief feature of the day was the presentation of a flag by the ladies of the W. R. C. to our public school, which ceremony was enacted at Masonic hall in the presence of a large and appreciative audience.

At 1:30 p. m. the hall was well filled with citizens of the town and vicinity. The children of the school filled into seats reserved for the scholars, each of whom bore a flag which had been supplied to the schools on a former occasion by the same patriotic body of ladies. The exercises were announced in the following order:

Song, America—by the schools, assisted by the audience and choir. Presentation address by Hon. W. R. Sinclair, for the ladies of the W. R. C.

Reception address by J. S. McEwen, on the part of the school board and in behalf of the children and patrons of the Coquille City public schools.

Song, by the choir—What a Gathering That Will Be. At the close of these exercises, the audience and children formed in procession and followed the band to the school grounds, where the beautiful flag was raised to half mast in honor of the day. During this exercise the school saluted the flag and sang, The Flag.

After this ceremony, the band took the head of the procession, followed by the W. R. C., scholars and citizens, and proceeded to the cemetery to decorate the graves.

Altogether the very pleasant day passed very creditably. There was some display of flags, business was very generally suspended, and citizens of the town and friends in the country early began to appear with flowers and other evidences of observance of the day. Our local G. A. R. post took no part as an organization, but the ladies of the W. R. C. and many individual veterans participated earnestly and sincerely. The band, too, promptly filled its wonted place and added much to the solemn observance.

"Last summer while attending court at Uniontown," says D. B. Patton, a prominent druggist of Fayette City, Pa., "three witnesses were suffering from diarrhoea. I gave each a dose of Chamberlain's Colic, Cholera and Diarrhoea Remedy and it gave immediate relief. On the way home one of my neighbors was taken with a severe cramp in the stomach and was suffering with intense pains. I gave him a dose of this remedy and within five minutes the pain had ceased. The remedy is a favorite here. I know of many who are never without it. I always take it with me when going away from home." For sale by Dr. S. L. Leneve.

DRESSMAKING.—Miss Mary Nosler and Miss Ray Collier have now opened dressmaking parlors at the home of the latter. Miss Nosler has just returned from San Diego, California, where she had conducted the business for the past two years. A share of the public patronage is respectfully solicited by these worthy young ladies.

From J. M. Haskins, of Fat Elk creek, who was in town last Monday, we learn that the apple crop in his neighborhood will be very meagre this year. The berry crop will be very abundant. There will also be thousands of wild blackberries in the woods.

Dr. Stockman, over 80 years of age, though very feeble in health, came in yesterday to vote. The doctor is an old resident of this part of Coos county; and it was good to see him on the streets once more. He enjoyed his visit in town very much indeed.

If you desire a beautiful complexion, absolutely free from pimples and blotches, purify your blood by the use of Ayer's Sarsaparilla. Remove the cause of these disfigurements and the skin will take care of itself. Be sure you get Ayer's Sarsaparilla.

W. L. Hayter, father of Mrs. Knowlton of this place and an old resident of Fishtrap, came home from California last Wednesday. During his trip below he took in San Francisco, Redwood City, Los Angeles, Pomona, Paento, and other places. He reports times worse there than here. On his way back he visited his old home in Polk county, and came in on the Roseburg stage. He was greatly benefited in health by travel, but is glad to get home to Coos once more.

Dr. J. W. Strange, the Roseburg dentist, will next visit Coquille City about July 15th to 20th, and it is desired that all work be reserved for him. The doctor is a regular visitor to this place and is identified with our interests, and to patronize him is the same as patronizing one of our residents. His work is all guaranteed as being the very best that can be done and his charges are but little over one-half what is charged by others, which is an important item in these hard times. Call on him while he is here and be convinced of the truth of the above.

The Sunday-school of the Methodist church, south, held a Children's Day service last Sunday evening. Recitations were given by Claire Sherwood, Irene Lamb and Susie Tuttle and Mary Lee Futrell. The addresses were short and related to church history, mission work, etc., and were delivered by J. J. Lamb, Rev. W. B. Smith, Rev. and Mrs. Futrell. Miss Marvin Lamb was organist and the choir comprised Mrs. Tuttle and Mrs. Smith, soprano, Miss Elsie Tilman, alto, A. A. Leach, tenore, and Rev. Mr. Smith, basso.

Prof. Cooper, the blind phenologist, gave a very entertaining and instructive lecture last night at Masonic hall to a large and appreciative audience. He will lecture tonight again, Wednesday night and Thursday night, and make public examinations each night. The lectures are free, except a collection to assist him in defraying expenses. Friday night he will give a stereopticon exhibition of 120 large and magnificent views, for a small admission fee. All should attend. Prof. Cooper will give private examinations and charts at Hotel Coquille.

A number of our young men rallied Friday evening and secured a fine flag-pole for the school flag presented by the ladies of the Relief Corps. Saturday morning a number of them completed the work, set the pole and arranged the tackle and had everything in readiness for floating Old Glory, which event took place about 3 p. m. We have not the names of all the persons lending a hand, and therefore make no mention by name, except our veteran comrade, City Recorder John Rowan, and Ed Farmer, of Salem, who is a comparative stranger to our midst. All have the sincere thanks of the ladies and school board.

The man who eats because he is hungry is, thus far, on a level with the brutes. The man who stops eating the moment his hunger is appeased is the wise man. Nature needs no more food than she calls for. Continued excess brings about dyspepsia; with loss of flesh, strength, sleep and mental power; and an accumulation of aches, pains and many dangerous local maladies.

The stomach now can do nothing alone. We must appeal to some artificially digested food which can also digest other foods. That is to say, we must use the Shaker Digestive Cordial. The effect is prompt and cheering. The chronic pain and distress ceases. Appetite presently revives. Flesh and vigor gradually come back and the sufferer recovers. But he must be careful in the future. A trial bottle for 10 cents.

LAXOL is the best medicine for children. Doctors recommend it in place of Castor Oil.

From LaGrippe.

How Dr. Miles' Nervine Restored One of Kentucky's Business Men to Health.

No disease has ever presented so many peculiarities as LaGrippe. No disease leaves its victims so debilitated, useless, sleepless, nervous, as LaGrippe. Mr. D. W. Hilton, state agent of the Mutual Life Insurance Co., of Kentucky, says: "In 1889 and '90 I had two severe attacks of LaGrippe, the last one attacking my nervous system with such severity that my life was despaired of. I had not slept for more than two months except by the use of narcotics, which stupefied me, but gave me no rest. I was only conscious of intense mental weakness, agonizing bodily pain and the fact that I was hourly growing weaker. When in this condition, I commenced using Dr. Miles' Restorative Nervine. In two days I began to improve and in one month's time I was cured, much to the surprise of all who knew of my condition. I have been in excellent health since and have recommended your remedies to many of my friends." Louisville, Jan. 22, 1896. D. W. HILTON.

Mrs. Robt. Dean took a run to Beaver Hill last Monday to have a visit with her daughter, Mrs. Wm. Cox.

Grandma Roberts, of Myrtle Point, attended the funeral of Mrs. J. P. Tupper, at Bandon, last Friday, and returned home on Monday.

R. D. Sanford, and his cousin from Illinois, spent Sunday last in Bandon. They went down to hear Hon. A. G. Barkhart speak at that place, and returned home Monday.
