Beware of Ointments for Catarrh that Contain Mercury.

As mercury will surely destroy the sense of smell and completely derange the whole system when entering it through the mucous surfaces. Such articles should never be used except on prescriptions from reputable physicians, as the damage they will do is ten fold to the good you can possibly derive from them. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, Ohio, contains no mercury, and is taken internally, acting directly upon the blood and mucous surfaces of the system. In buying Hall's Catarrh Cure be sure you get the genuine. It is taken internally, and made in Toledo, Ohio, by F. J. Cheney & Co. Testimonials free. Sold by druggists, price 75c, per bottle.

Wm. Page, of Myrtle Point, spent last Wednesday night in town and gave the HERALD a very welcome call. Mr. Page, though a resident of another town, is one of these broad-gauge men who can rise above personal interests and labor for the general good. Coquille City had no better friend for the county seat than Mr. Page, and we will remember him and our many other warm friends at Myrtle Point with sentiments of sincere gratitude. The HERALD wishes to acknowledge with gratitude the disinterested efforts of J. W. Martin, whose interests are all in Curry county, on behalf of Coquille for the county seat. Some of our enemies accused Mr. Martin of being hired to work for Coquille, but we can assure them that such was not the case. What Mr. Martin did for Coquille he did from a sheer sense of justice and right. He believed that Coquille was the right place and went out and worked manfully for it and we appreciate his efforts.

Nervous Shock.

E. W. JOY COMPANY—Gentlemen: This is the first time I have attempted to write for three years. Have been to nervous and weak that I have laid in bed most of the time. A friend who had taken your Sarsaparilla sent me two bottles. The second one is most gone, and I have gained twenty pounds, and surely feel a new woman. I was pale, thin, no ambition. Had given up, as I had tried so many remedies and doctors, but found no benefit. If you care to publish this you have my consent. (Signed) Mrs. A. C. TILL, 17, Alameda Cal. Headaches, Biliousness and Torpid Liver disappear when you take Joy's Vegetable Sarsaparilla.

Highest of all in Leavening Power.—Latest U. S. Gov't Report Royal Baking Powder ABSOLUTELY PURE

The Eel River Advance, published at Fortuna, Humboldt county, California, comes to our table this week in the form of a grand special edition, containing fine cuts of business properties, churches and prominent men, together with descriptive articles, etc. It is printed on enameled book paper and contains twelve 7-column pages. It is a magnificent edition and does credit to its managers. We recognize the handsome and familiar phiz of our friend Rev. C. P. Cone.

Mr. Brouillette, is now pastor of the Presbyterian church at Gervais. Silk is the strongest fiber known of animal or vegetable origin. Threads made of it are said to be three times as strong as those of corresponding size made of flax and twice as strong as those of hemp. It is even claimed that the original thread, as it issues from the nose of the worm, is stronger than a steel wire of the same thickness.

MABLE WORKS AT HOME.

An Agency in Coquille—A Chance to Buy Tablets or Monuments. The publishers of the HERALD have accepted an agency for the Coos Bay Marble Works of C. W. Paterson at Marshfield. Mr. Paterson is one of the finest mechanics in his line on the Pacific coast, and guarantees all his work to give satisfaction. His prices are lower than those of the Willamette valley shops for the same class of work, and yet agents for foreign marble workers are in the habit of running through this country and taking orders for their work, thus taking the money out of the county that ought to be retained here for such goods. Patronize home institutions, and men who work and live here and are responsible for their contracts. The HERALD management joins Mr. Paterson in guaranteeing every job done by him to be satisfactory and in accordance with designs. Mr. Paterson is also a gentleman to deal with, as the HERALD can testify from former business relations with him.

Call at the HERALD office and see specimens of marble, photographic views of slabs, monuments, etc. We will also have on exhibition at our office samples of Mr. Paterson's work in the near future. In the meantime persons wishing work in this line will do well to call at the HERALD office and consult with us.

DON'T STOP TOBACCO

How to Cure Yourself While Using It. The tobacco habit grows on a man until his nervous system is seriously affected, impairing health, comfort and happiness. To quit suddenly is to lose a shock to the system, as tobacco to an inveterate user becomes a stimulant that his system continually craves. "Baco-Curo" is a scientific cure for the tobacco habit, in all its forms, carefully compounded from the formula of an eminent Berlin physician who has used it in his private practice since 1872 without a failure. It is purely vegetable and guaranteed perfectly harmless. You can use all the tobacco you want while taking "Baco-Curo." It will notify you when to stop. We give a written guarantee to our permanently cured cases with three boxes, or refund the money with 100 per cent interest. "Baco-Curo" is not a substitute, but a scientific cure, that cures without the aid of will power and with no inconvenience. It leaves the system as pure and free from nicotine as the day you took your first chew or smoke.

CURED BY BACO-CURO AND GAINED THIRTY POUNDS.

From hundreds of testimonials, the original of which are on file and open to inspection, the following is presented: Eureka Chemical & Manufacturing Co., Clayton, Nevada county, Ark., January 28, 1896. For twenty-five years of that time I was a great sufferer from general debility and heart disease. For fifteen years I tried to quit, but couldn't. I took various remedies, among others "No-To-Bac," "The Indian Tobacco Antidote," "Double Chloride of Gold," etc., but none of them did me the least bit of good. Finally, however, I purchased a box of your "Baco-Curo" and it has entirely cured me of the habit in all its forms, and I have increased thirty pounds in weight and am relieved from all the numerous aches and pains of body and mind. I could write a score of papers upon my changed feelings and condition. Yours, respectfully, P. H. MAYBURY, Sold by all druggists at \$1 per box; three boxes (thirty days' treatment), \$2.50 and iron-clad, guaranteed cure, or sent direct upon receipt of price. Write for booklet and proofs, Eureka Chemical & Mfg. Co., La Crosse, Wis., and Boston, Mass.

To Save Freight.

Gouldsland, Wash., May 27.—Nine four-horse teams, loaded with Yakima wool, sheared within four miles of a Northern Pacific railroad station, passed through Gouldsland last evening en route for The Dalles to save freight. Prominent sheepraisers say that unless the Northern Pacific comes to time, there will be 2,000,000 pounds of Yakima wool hauled to The Dalles, as there is a saving to the grower. There are now being sheared 100,000 sheep near Gouldsland. The entire clip will be marketed in The Dalles.

Ayer's Sarsaparilla. Cures others, will cure you. M. Hamner, a well-known business man of Hillsboro, Va., sends this testimony to the merits of Ayer's Sarsaparilla. "Several years ago, I lost my leg, the injury leaving a sore which led to erysipelas. My sufferings were extreme, my leg from the knee to the ankle, being a solid sore, which began to extend to other parts of the body. After trying various remedies, I began using Ayer's Sarsaparilla, and, before I had finished the first bottle, I experienced great relief; the second bottle effected a complete cure."

D.W. MARION, President of the Swamp Angel Medicine Co. Warned by Land from Swamp Life.

Two years ago, at 38, I was a consumptive, dyspeptic, emaciated, debilitated, dying man, weighing but 120 pounds. Now, at 40, I weigh 170 and am in perfect health. Each one of the wonderful results of using Swamp Angel Medicine for two years when every symptom of disease showed themselves. When the scientific men of the world, and all the health boards of the large cities, upon the subject of the pulmonary and the most malignant and fatal disease, were asked and produced by living lungs, germs or microbes, I then determined to find a germ or microbe killer. I then bought and tested every preparation on sale for that purpose, bronchial affections or consumption. I could not find a germ or microbe killer in the entire lot of medicines. I then commenced to experiment with naphthal, and produced a medicine similar in effects to Ely's naphthal. While my medicine was very strong, yet, I could not drink it like a water. But the most wonderful thing was that one drop would not only kill millions of germs and microbes, but would instantly kill any large insect, a gun very destructive to cucumbers but harmless to the operators, its friends. Even so, Swamp Angel Medicine destroys all lower germ life, the cause of human disease. Under heat, this medicine disolves into gas, air, and can be inhaled directly into the lungs, thereby killing all germ and microbe life on these organs. Like lightning, this same medicine will rush through the skin, and therefore kill any ache or pain from a common toothache to a severe neuralgia or rheumatic pain. Every family should have a bottle. Cut out the ticket on this page and get one.
