As a blood-purifier, the most eminent physicians prescribe Ayer's Sarsaparilla. It is the most powerful combination of vegetable alteratives ever offered to the public. As a spring and family medicine, it may be freely used by old and young alike.

The Empire correspondent of the Coast Mail gives the following item of news: "Bert Buzan and Miss Houghton left on Monday on the steamer Truckee. They were to be married as soon as they were outside the bar."

AUCTION SALE.—I will sell at public sale, at my store in Bandon, Saturday, June 27th, all my stock of millinery goods, confectionery goods and household goods. Sale to commence at 10 o'clock a. m.

* Mrs. R. S. HOWELLS.

W. C. Sanderson, of Riddles, Douglas county, arrived at this place last Friday on a prospecting trip. He visited Bandon also. Mr. S. is a bright young business man of Riddles, and thinks of changing his residence and business efforts The HERALD would be pleased to welcome him here.

Don't think because you are sick and nothing seems to give you relief that you can't be cured.

There must be a cure for you somewhere.

If your doctor can't cure you, perhaps he has mistaken the cause. Anybody is liable to make a mistake sometimes.

One in three of us suffer from indigestion, and one out of three dyspeptics doesn't know it. That is, he may know he is sick, but he blames it to something else.

Indigestion is the cause of half of our dangerous diseases.

Shaker Digestive Cordial, made from tonic medicinal roots and herbs, is the most natural cure for indigestion. It relieves the symptoms and cures the disease gently, naturally, efficiently, giving fresh life, strength and health to sick dyspeptics.

At druggists. A trial bottle for 10 cents.

## A POPULAR BUSINESS HOUSE.

### N. Lorenz's Large Dry Goods, Clothing and Grocery Store.

Mr. N. Lorenz, Coquille City's popular merchant, began business in Coquille City in the year 1887, and has been before the public as one of her leading merchants constantly ever since. Perhaps no man in the county, who is not an older resident, is better or more favorably known than Mr. Lorenz. The people of Coquille City and surrounding country have been dealing with him constantly for nine years, and none, so far as we know, have ever had just grounds for complaint on account of unfair treatment. He enjoys the enviable reputation of being an honest, straight business man. He is also one of the most public-spirited men of our town and no man will go further or do more to help advance the interests of the town and country than he, as witness his zeal in helping on the county seat campaign. We can truthfully say, without disparagement to others, that Mr. Lorenz exerted as great, if not greater, influence in winning the splendid victory for Coquille City as the future seat of government of Coos county as any other one person. "Uncle Nick," as he is familiarly known, began business here in a moderate way and has, by careful business management and honest and fair dealing, built up until he now carries in his two stores as large, if not the largest stock of general merchandise that can be found on the Coquille river.

In 1892 Mr. Lorenz started a branch store in Bandon and placed it in charge of Mr. Craddock. In both of these stores is carried a good line of general merchandise. In the Coquille City store Mr. Lorenz has, for awhile past, not been carrying a large stock of groceries, but is now stocking up in this line and will be prepared to supply his many customers with good new groceries as well as dry goods. In next week's issue we will tell our readers something about the various classes and grades of goods carried by this house, and also their quality.

"Last summer while attending court at Uniontown," says D. B. Patton, a prominent druggist of Fayette City, Pa., "three witnesses were suffering from diarrhœa. I gave each a dose of Chamberlain's Colic, Cholera and Diarrhœa Remedy and it gave immediate relief. On the way home one of my neighbors was taken with a severe cramp in the stomach and was suffering with intense pains. I gave him a dose of this remedy and within five minutes the pain had ceased. The remedy is a favorite here. I know of many who are never without it. I always take it with me when going away from home." For sale by Dr. S. L. Leneve.

We acknowledge a pleasant call last Friday from our old friend and former townsman W. W. Hayes, county treasurer, who visited this valley last week. Bro. Hayes is a good and popular citizen, notwithstanding the mud "snowballs" that were turned loose on him in the late canvass from the doggery hoodlums.

G. S. Innis and 13-year-old son, of St. Paul, Minnesota, passed through Coquille City on their way to Bandon. They are out on a pleasure trip and will take in most of the western country before returning home.

"It has cured others and will cure you," is true only of Ayer's Sarsaparilla. The motto suits the medicine and the medicine the motto. What better assurance could you have that a remedy will cure you, than the fact that it has cured such multitudes of others.

The district conference of the M. E. church, south, will begin Thursday morning in this city. Several ministers from abroad, including Presiding Elder Shangle, will be present.

A Labor Exchange is to be organized in Coquille and many of our citizens are taking an interest in it. This is a good move and we hope that it will be set in motion very soon.

Our young friend, Claude Nosler, reached home last Saturday evening from attendance at the Monmouth normal school. Many friends greet him.

Bandon will celebrate in great fashion. Posters are out and the program is arranged for genuine entertainment.

Morras Bro's mill will start up at once, under the patronage of J. A. Lyons.

Misses Hayworth & Wilkins are now ready to execute photographic work. Give them a call, at the Wilkins gallery.

Rev. Mr. Futrell is getting over his sick spell and will probably be able to participate in the conference work this week.

W. H. Newman, of Yoncolla, representing Dr. C. S. Shoop, of Racine, Wis., has been busy in this place for several days past, advertising that physician. The HERALD had a pleasant call.

Miss Nellie Rogers of Coos river came over on the train yesterday on a visit to her sister, Mrs. A. J. Sherwood. Her cousins, Misses Alice and Lizzie Rogers, and a Miss Anderson accompanied.

IF ANY ONE who has been benefited by the use of Dr. Williams' Pink Pills will write to the HERALD, Coquille City, they will receive information that will be of much value and interest to them.

T. C. Little, of Lakeview, is visiting in this county with his weather eye open. Comrade Little served in the army from Illinois, is much broken down physically from that service, but is alive to the demands of the hour as a patriot.

D. E. Stitt, editor of the Bandon Recorder, and county commissioner, came up on the Antelope to Riverton yesterday to take a look at the Bandon Block Coal Company's works. F. J. Tupper and Col. Rosa were in company with him.

Frank B. Tichenor of Port Orford visited this place yesterday and posted circulars giving information in the interest of Port Orford as a summer resort. The good people there seem to realize that printer's ink can speak for their section.

Six men from Riverton and the lower river, viz: Fred Hilgren, Will Hilgren, Nels Peterson, Andrew Olsen, Wm. Anderson and John Anderson, who went to Astoria to fish this summer, returned home last Wednesday, very much disgusted with their experience on the Columbia. The fishermen's strike prevented them from doing any fishing and after waiting until forbearance ceased to be a virtue they came home and glad to get back.

Wm. Muller and family, and W. Oliver, shipbuilders from Yaquina, arrived in Coquille last Friday, and went down on the Antelope to Prosper, where they are engaged to build the new steamer for Messrs. Rosa, Pershbaker and others. The new boat is to be 150 feet keel, and is to be a steam schooner. Work will be pushed on the vessel as rapidly as possible. The Moro brought a lot of iron for the new boat. Mr. Oliver's family will also be here in a week or so.

W. H. Brainard and Robert Patton, of San Francisco, were in Coquille City last Saturday. In an interview with Mr. Brainard we learned that they are interested in mines in various parts of the country. They are aiming to make their way out through the mountains by way of Salmon mountain to Cow creek where they have mining interests. From there they will go down through Grants Pass and investigate the mines of Josephine county, and then on through northern California into Placer county and from there home.

### The Strawberry Festival.

Last Thursday evening the ladies' auxiliary of the M. E. church gave a very pleasant strawberry and floral festival which was enjoyed by a large number of our people. A short program of music and recitations was rendered, after which strawberries and cake and lemonade were served to those desiring. The evening passed off very pleasantly indeed and all were happy. The ladies hereby extend thanks to the good people of Coquille City for their assistance and liberal patronage.

Our friends at Arago will spare no pains to have a grand celebration on the 4th. Large posters are put up at all points and a great crowd will be present.

Deacon Henry Black, of Sumner, will preach to the Bear creek Baptist church at the Bear creek schoolhouse next Sunday at 11 and 2 o'clock. Basket dinner on the ground. All are invited.

## Wool Growers, Attention!

OWING to the fact that all the wool so far received this year has come to us wet and heating, having been sheared during the rainy season without allowing the sun to draw out the oil into the wool, thus giving strength to the fiber, we deem it best to publish the following notice:

On and after this date we will pay 8 cents for common, and 9 cents for choice long, sound, staple wool delivered here. It must be DRY and tied up in fleeces and tagged. Parties shipping to us will please see that the freight is prepaid and their name plainly marked on every sack. We are prepared to pay CASH on delivery, subject to the above conditions.

*Mrs. J. P. Bell, Ossawatomie, Kan.*, wife of the editor of The Graphic, the leading local paper of Miami county, writes, *"I was troubled with heart disease* for six years, severe palpitations, shortness of breath, together with such extreme nervousness, that, at times I would walk the floor nearly all night. We consulted the best medical talent. *They said there was no help for me,* that I had organic disease of the heart for which there was no remedy. I had read your advertisement in The Graphic and a year ago, as a last resort, tried one bottle of *Dr. Miles' New Cure for the Heart,* which convinced me that there was true merit in it. I took three bottles each of the Heart Cure and Restorative Nervine and *it completely cured me. I sleep* well at night, my heart beats regularly and I have no more smothering spells. I wish to say to all who are suffering as I did; there's relief untold for them if they will only give your remedies just one trial."

Dr. Miles Heart Cure is sold on a positive guarantee that the first bottle will benefit. All druggists sell it at $1, 6 bottles for $5, or it will be sent, prepaid, on receipt of price by the Dr. Miles Medical Co., Elkhart, Ind.
