Try the Swamp Angel Medicine. For sale at the Coquille Pharmacy, by Dr. Moore.

Prof. A. N. Knight, who is teaching on South slough, came over last Friday, and went to spend Sunday with his family at Myrtle Point.

McEwen & McCain of the HERALD are agents for the C. W. Paterson marbleworks at Marshfield. If you contemplate erecting tablets or monuments, call and see designs and get prices.

Mr. Skeels, a merchant of Marshfield, spent several days in Coquille and Bandon looking for a new location for business. Mr. Skeels is a nice gentleman and has a nice family, and the HERALD hopes he will decide to locate in Coquille City.

Mrs. Eliza Yoakam is the mother of Jasper Yoakam, of Portland, and John Yoakam, who runs the logging camp above town; also George and Joseph Yoakam, of Coos river. Grandma Yoakam is one of the pioneers of this county, having lived here 43 years. Mrs. Yoakam came over on the train Monday to visit with her son at the logging camp.

The senior editor of the HERALD greets Major D. C. Sherman, just elected department commander of Oregon. Comrade Sherman, like Past Commander Ormsby, is personally known to us, was a good soldier, is a good man and citizen and worthy of the confidence bestowed by his comrades. We hope he will be enabled to visit our section during his official tenure, and if possible participate in our district encampment in August, as did Comrade Ormsby two years ago.

Beware of Ointments for Catarrh that Contain Mercury,

As mercury will surely destroy the sense of smell and completely derange the whole system when entering it through the mucous surfaces. Such articles should never be used except on prescriptions from reputable physicians, as the damage they will do is ten fold to the good you can possibly derive from them. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, O., contains no mercury, and is taken internally, acting directly upon the blood and mucous surfaces of the system. In buying Hall's Catarrh Cure be sure you get the genuine. It is taken internally, and made in Toledo, Ohio, by F. J. Cheney & Co. Testimonials free.

Jackson, born in Tennessee in 1818; came to Oregon from Missouri in 1845; now resides at Marshfield. Henry J. Jackson, born in Virginia in 1817; came to Oregon from Missouri in 1845; resides at Marshfield. Mrs. Emily Schroeder, born in Oregon in 1845; residence, Arago. Joaquin Miller, a pioneer of Oregon, but at present resident at Oakland, Cal., was an attendant at the meeting and had prepared a poem for the occasion, "The Pioneers to Oregon, the Great Emerald Land."

Nervous Shock.

E. W. JOY COMPANY—Gentlemen: This is the first time I have attempted so write for three years. Have been to nervous and weak that I have laid in bed most of the time.

Royal Baking Powder

ABSOLUTELY PURE

A beet-sugar factory, condensed milk factory and potato starch factory would be in their native air right here in the Coquille valley—having better materials to work upon, could be employed several months longer each year, would have fuel, etc., for production at merely nominal rates, and last, but not least, deep-water navigation, the cheapest of all.

The Swamp Angel Medicine is the greatest hit of the time and is in great demand in this section for catarrhal, rheumatic, neuralgic and bronchial affections. Dr. Moore, at the Coquille Pharmacy, is the local agent for this section of Oregon, and finds the demand for the Swamp Angel preparation not only increasing where used, but immensely popular as its merits become known.

(Coos Bay News.)

The North Bend mill is sawing an order of 750,000 feet of lumber for the Australian market. It will be shipped direct from here to its destination on the Novelty, which is at present on her way from a foreign port.

The engine formerly used on the steamer Myrtle was purchased by W. H. Thomas, and will be used by him in hauling logs to water at his camp on Fishtrap.

W. H. Thomas took supplies to the Coquille, Monday, for his camp at Fishtrap. He is logging for the North Bend mill, and the logs will be brought over on the railroad.

MARBLE WORKS AT HOME.

An Agency in Coquille—A Chance to Buy Tablets or Monuments.

The publishers of the HERALD have accepted an agency for the Coos Bay Marble Works of C. W. Paterson at Marshfield. Mr. Paterson is one of the finest mechanics in his line on the Pacific coast, and guarantees all his work to give satisfaction. His prices are lower than those of the Willamette valley shops for the same class of work, and yet agents for foreign marble workers are in the habit of running through this country and taking orders for their work, thus taking the money out of the county that ought to be retained here for such goods. Patronize home institutions, and men who work and live here and are responsible for their contracts. The HERALD management joins Mr. Paterson in guaranteeing every job done by him to be satisfactory and in accordance with designs. Mr. Paterson is also a gentleman to deal with, as the HERALD can testify from former business relations with him.

Call at the HERALD office and see specimens of marble, photographic views of slabs, monuments, etc. We will also have on exhibition at our office samples of Mr. Paterson's work in the near future. In the meantime persons wishing work in this line will do well to call at the HERALD office and consult with us.

DON'T STOP TOBACCO

How to Cure Yourself While Using It.

The tobacco habit grows on a man until his nervous system is seriously affected, impairing health, comfort and happiness. To quit suddenly is too severe a shock to the system, as tobacco to an inveterate user becomes a stimulant that his system continually craves. "Baco-Cura" is a scientific cure for the tobacco habit, in all its forms, carefully compounded after the formula of an eminent Berlin physician who has used it in his private practice since 1872 without a failure. It is purely vegetable and guaranteed perfectly harmless. You can use all the tobacco you want while taking "Baco-Cura." It will notify you when to stop. We give a written guarantee to cure permanently any case with three boxes, or refund the money with 10 per cent interest. "Baco-Cura" is not a substitute, but a scientific cure, that cures without the aid of will power and with no inconvenience. It leaves the system as pure and free from nicotine as the day you took your first chew or smoke.

CURED BY BACO-CURO AND GAINED THIRTY POUNDS.

From hundreds of testimonials, the originals of which are on file and open to inspection, the following is presented:

Clayton, Nevada county, Ark., January 28, 1895.

Eureka Chemical & Man'f'g Co., La Crosse, Wisconsin—Gentlemen: For forty years I used tobacco in all its forms. For twenty-five years of that time I was a great sufferer from general debility and heart disease. For fifteen years I tried to quit, but couldn't. I took various remedies, among others "No-To-Bac," "The Indian Tobacco Antidote," "Double Chloride of Gold," etc., etc., but none of them did me the least bit of good. Finally, however, I purchased a box of your "Baco-Curo" and it has entirely cured me of the habit in all its forms, and I have increased thirty pounds in weight and am relieved from all the numerous aches and pains of body and mind. I could write a quire of paper upon my changed feelings and condition.

Yours, respectfully, P. H. MATHENY,
Pastor C. P. Church, Clayton, Ark.

Sold by all druggists at $1 per box; three boxes (thirty days' treatment), $2.50 and iron-clad, guaranteed cure, or sent direct upon receipt of price. Write for booklet and proofs. Eureka Chemical & Mfg. Co., La Crosse, Wis., and Boston, Mass.

A Bright Lad,

Ten years of age, but who declines to give his name to the public, makes this authorized, confidential statement to us:

"When I was one year old, my mamma died of consumption. The doctor said that I, too, would soon die, and all our neighbors thought that even if I did not die, I would never be able to walk, because I was so weak and puny. A gathering formed and broke under my arm. I hurt my finger and it gathered and threw out pieces of bone. If I hurt myself so as to break the skin, it was sure to become a running sore. I had to take lots of medicine, but nothing has done me so much good as **Ayer's** Sarsaparilla. It has made me well and strong."—T. D. M., Norcatur, Kans.

G. A. R. NOTICE.

We take this opportunity of informing our subscribers that the new Commissioner of Pensions has been appointed. He is an old soldier, and we believe that soldiers and their heirs will receive justice at his hands. We do not anticipate that there will be any radical changes in the administration of pension affairs under the new regime.

We would advise, however, that U. S. soldiers, sailors, and their heirs, take steps to make application at once, if they have not already done so, in order to secure the benefit of the early filing of their claims in case there should be any future pension legislation. Such legislation is seldom retroactive. Therefore it is of great importance that applications be filed in the department at the earliest possible date.

If U. S. soldiers, sailors or their widows, children or parents, desire information in regard to pension matters, they should write to THE PRESS CLAIMS COMPANY, at Washington, D. C., and they will prepare and send the necessary application, if they find them entitled under the numerous laws enacted for their benefit. Address,

D. W. MARION.
President of the Swamp Angel Medicine Co.
Drawn by Cal Brouns From Life.

Two years ago, at 38, I was a consumptive, dyspeptic, emaciated, debilitated, dying man, weighing but 120 pounds. Now, at 40, I weigh 170 and am in perfect health. Such are the wonderful results of using Swamp Angel Medicine for two years when any symptoms of disease showed themselves.

When the scientific men of the world, and all the health boards of the large cities informed the public that consumption, and the most malignant and fatal diseases, were caused and produced by living bugs, germs or microbes, I then determined to find a germ or microbe killer. I then bought and tested every preparation on sale for throat troubles, bronchial affections or consumption. I could not find a germ or microbe killer in the entire lot of medicines. I then commenced to experiment with naphthol, and produced a medicine similar in effects to Hydro-naphthol. While my medicine was very strong, yet, I could drink it like water. But the most wonderful thing was that one drop would not only kill millions of germs and microbes, but would instantly kill any large insect. I named this remedy Swamp Angel Medicine in honor of the Swamp Angel canon, a gun very destructive to enemies but harmless to its operators, its friends. Even so, Swamp Angel Medicine destroys all lower germ life, the cause of human disease. Under heat, this medicine dissolves into gas, air, and can be inhaled directly into the lungs, thereby killing all germ and microbe life on these organs. Like lightning, this same medicine will rush through the skin, and therefore kill any ache or pain from a common toothache to a severe neuralgia or rheumatic pain. Every family should have a bottle. Cut out the ticket on this page and get one.
