A POPULAR BUSINESS HOUSE.

N. Lorenz's Large Dry Goods, Clothing and Grocery Store.

In the last two issues of the Herald we have been calling the attention of our readers to the general merchandise establishments of N. Lorenz, of Coquille City and Bandon.

But we wish in this issue to tell you something about the contents of this Coquille City store.

As we have intimated before, dry goods predominate in this establishment. Here may be found men's wear of almost all kinds.

Men's and boys' suits are found in great profusion, and of almost every conceivable grade, make and quality.

From a pair of denim overalls to a fine black diagonal suit may be purchased at N. Lorenz's.

Men's and boys' hats are here also of every grade, from a chip all the way up through the various grades of straw, cotton, wool, up to a beaver tile.

So if you want a hat all you have to do is to walk in, pick one out, pay for it and take it.

There are also kept here great quantities of men's underwear, shirts of every kind, cotton and wool undershirts and drawers, and a limitless variety of cotton and wool socks, from the coarsest of the coarse to the finest, and at prices to suit your wallet, no matter how badly it may be demoralized.

Mr. Lorenz has also on sale in this Coquille store an infinite variety of ladies' goods, dress goods, ribbons and trimmings, underwear, etc.

There is kept here a line of dress silks of various shades and grades, cashmeres, ladies' cloth, outing flannels, and almost any other ladies' dress goods which you may wish.

Ladies' vests from the thinnest gauze to the heaviest woolen fabrics, ladies' corsets in full supply, and to suit your taste no matter how esthetic you may be.

Ladies' hose, handkerchiefs, ribbons, laces, embroidery, veiling in rich profusion, hose suspenders and toilet articles of all kinds.

Ladies if you don't see any of these articles, when you call in at this store, ask for them and Henry is just certain to hand them down from some one of the over-crowded shelves.

If you need a pair of shoes, either men's, women's, boys', nisses' or children's, this is the place to find exactly the kind, shape, color or size you want.

You will also find here an infinite variety of slippers for men, women and children.

So if you need shoeleather of any kind, step into Lorenz's and tell the clerks what you want and you will be fitted out in short order.

Among the miscellaneous stock are window shades, umbrellas and parasols for ladies or gentlemen, trunks, valises, hand-satchels, telescope traveling bags, and in fact anything you may need or your whim may take a fancy to in this line.

If you need cloth, thread, buttons, combs, or toilet goods, you can find them in this stock.

A new stock of groceries is coming on the Moro and will soon be here, and then you can get groceries also at the lowest prices.

Call in at Lorenz's when you come to town and do your buying.

Comrades J. W. Clark and Henry Helves, on an outing and pleasure trip from Roseburg, arrived in Coquille City Sunday morning.

They had spent a few days in Canas valley, having come to Oregon recently from Nebraska. He had served three years in the late war in the 25th Missouri and a second enlistment in the 152d Indiana.

He seeks this section for health and is delighted at our fresh appearance while everywhere else is so brown and burnt up.

A soft, fair skin is the result of pure blood and a healthy liver, to secure which Ayer's Sarsaparilla is the Superior Medicine.

Ladies who rely upon cosmetics to beautify their complexions, should make a note of this, bearing in mind that they can't improve upon nature.

J. B. Rossmann and brother, the black-and-miners, started for San Francisco last Friday in the interest of the mine. They are still confident of their mining enterprise being a success.

Mr. and Mrs. Will Cox, of Beaver Hill, spent several days with their friends here, returning home yesterday.

One Dean accompanied to spend several days with her sister, Mrs. Cox.

How the Fourth was Celebrated

The "Glorious Fourth" was one of the most lovely days that has been experienced in the Coquille valley this summer.

The weather was perfect, and not a single accident occurred, so far as we have learned, at any one of the several points to mark the festivities of the day.

The steamer Dispatch was run on an excursion trip from Coquille City down, and carried in all from different points, about 125 people.

These were met at the wharf by the band, and then a procession formed on Main street and marched to the grounds near Tupper rock.

Here a beautiful stand had been erected, with plenty of seating capacity and a large company of people gathered to witness the exercises.

The program consisted of a military drill by a company of children, followed by the reading of the Declaration by Gus Gross.

Then came the oration by Mr. Watson, of Marshfield. After the oration, lunch dinners were in order.

In the afternoon foot-racing, bicycle-racing and various other sports were indulged in by a large number of the people.

A large number of people witnessed the exercises and enjoyed themselves at Gravel Ford on the Fourth.

The program consisted of the reading of the Declaration, and an oration by Mr. Burtenshaw, of Myrtle Point.

Following was a barbecue, and lunch dinner which was free for all. The afternoon was taken up by a display of plug uglies, which created much amusement.

A game of baseball was played, and the festivities closed with a grand ball in the evening. The celebration here was a complete success.

There was a large attendance, splendid program and most enjoyable day.

No exercises were had here, and our people—most of them, at least—celebrated at other places.

A few families went into the wood at the edge of town and took a lunch; the balance just rested up and expect to celebrate in August with the G.A.R. and Pioneers.

A dance given at night by the band was well attended and much enjoyed.

If you eat what you like, and digest it, you will surely be strong and healthy.

But if you don't digest it, you might as well not eat, for what good can your food do you if it doesn't nourish you?

If you find that you can't digest it, there is a simple help for your stomach.

It is Shaker Digestive Cordial, made by the Shakers of Mount Lebanon. It has never failed to cure the worst case of indigestion.

Strength and health come from the food you eat, after it has been digested and gone into the blood.

The best tonic is digested food. The best aid to digestion, Shaker Digestive Cordial.

When you have acid eructations, nausea, headache, wind, dizziness, offensive breath, or any other symptoms of dyspepsia, Shaker Digestive Cordial will cure you.

At druggists. Trial bottle 10 cents.

Word reached us that one day last week a son of Steve Johnson, who lives on Tenmile, was drowned in the lake while bathing.

The boy was taken with cramp, which caused the accident.

Mr. Walker was on hand and assisted by Frank Strang.

Mrs. C. Leabo, of Portland, mother-in-law of R. Mast, last trip down to the Blanchard and went to Bandon last Friday.

Blaze at Beaver Hill.

Last Thursday night a fire occurred in the laundry at Beaver Hill, which entirely consumed the building and contents.

The fire company did heroic work and saved other exposed buildings. Many of the miners lost nearly all their clothing.

Will Cox, who recently married Miss Lilly Dean of this place, lost about \$20 worth of clothing, and several others lost heavily.

The fire is supposed to have originated by careless miners, who came in near 2 o'clock with their lamps and allowed dry clothing to ignite from the burning lamps.

HEART DISEASE, like

many other ailments when they have taken hold of the system, never gets better of its own accord, but constantly grows worse.

There are thousands who know they have a defective heart, but will not admit the fact. They don't want their friends to worry, and don't know what to do for it, as they have heard too time and again that heart disease was incurable.

Such was the case of Mr. Elias Parley of Drysville, Ohio who writes, dated 1894, as follows: "I had heart disease for 22 years, my heart hurting me almost continually. The first 15 years I doctored all the time, trying several physicians and remedies, until my last doctor told me it was only a question of time as I could not be cured. I gradually grew worse, very weak, and completely discouraged, until I lived, propped half up in bed, because I couldn't lie down nor sit up. Thinking my time had come, I finally what I wanted done when I was gone.

But on the first day of March on the recommendation of Mrs. Fannie Jones, of Anderson, Ind., I commenced taking Dr. Miles' New Cure for the Heart and wonderful to tell, in ten days I was working at light work and on March 19 commenced framing a barn, which is heavy work, and I have not had a day since. I am 56 years old, 5 ft. 4 1/2 inches and weigh 235 lbs. I believe I am fully cured, and I am not only anxious that everyone shall know of your wonderful remedies."

Drysville, Ohio. SILAS FARLEY.

Dr. Miles' Heart Cure is sold on a positive guarantee. The first bottle will refund the money. All druggists sell it at 50 cents per bottle for 50 cents. It will be sent, prepaid, on receipt of price by Dr. Miles Medical Co., Elkhart, Ind.
